

Here's

March 2015

# What's Happening

Kendrick-Juliaetta and 7 Ridges Community News | Kjnewsletter@tds.net

## WHAT IS YOUR VOLUNTEER DEPARTMENT?

We are the Juliaetta and Kendrick Fire Departments that protect the towns of Juliaetta and Kendrick. Both departments have been in existence for over 60 years. For the last 7 years we have been dispatched together. We house and maintain our own equipment in each town but work together as a unit. Both Fire departments train together with each other and with J-K Ambulance. This cooperative effort has been a great benefit to our small towns, and we are in need of more volunteers.

We are not any different than any other rural fire department in the US. Seventy-four percent (74%) of the country is protected by volunteer firefighters. Our small towns cannot afford a paid fire department or the time to wait for another department to come to our aid.

We do many things other than just go on fire calls. We respond to service calls, utility calls, and we mutual aid with J-K Ambulance on medical calls, motor vehicle and industrial accidents. Last year we had 57 calls for our two towns that were answered by our volunteers. They are your volunteers because they care for their community and the need is great. We are in need of volunteer help to continue to staff enough personnel for our community calls. Please join us in preserving and continuing this tradition of service to your neighbors. All of our volunteers hold down regular paid jobs and would appreciate any extra help. Kendrick Fire contact number 208 289-3066 and Juliaetta Fire Contact 208 276-3700.

WHAT'S OUR NUMBER?

911

## Upcoming events:

The Juliaetta & Kendrick Volunteer Firefighters are holding a Breakfast Fundraiser on Sunday March 15th at the Juliaetta Elementary School Cafeteria. The hearty breakfast includes Pancakes, Homemade Syrup, Ham, Sausage, Scrambled eggs, Coffee & Juice. Hours are from 7:00 am until 11:00 am. Come have a hearty breakfast before going out to enjoy the spring weather! Prices are \$7.00 for adults; \$3.00 or \$5.00 for kids, depending on age. There will be a drawing for smoke detectors and a free CPR & First Aid class. The first 10 kids that come with their family will receive a free book and a firefighter hat.

## A Historic District for Kendrick?

Not a lot of towns continue to thrive after surviving a major flood and two fires that leveled the town. But Kendrick has! And not many towns boast a basically unchanged Main Street lined with beautiful brick buildings, all rebuilt after the destructive 1904 fire.

For the past two years, a resource survey has been conducted to assess the historic value of Kendrick's downtown. Latah County Historical Preservation Committee has underwritten the cost of this project. The Committee is appointed by the Latah County Commissioners and tasked with preserving county wide historical treasures. "A community can take steps to protect its significant historic resources only if it knows what it has," says Kerry Davis of Preservation Solutions LLC headquartered in Boise.

The groundwork is laid and the rest is easy for the property owners in Kendrick. A public hearing and informational meeting is in the works for **March 11, at the Grange Hall at 7:00 pm**. Tricia Canaday of the Idaho State Historic Preservation Office will be on hand to speak and answer any questions that may arise. Members of the Latah County Historic Preservation Commission from around the county will also be on hand under the leadership of chair Barb Coyner of Princeton.

What will this mean for Kendrick? Essentially being listed on the National Register of Historic Places, a feather in one's cap. It can bring increased tourism, which is good for the local economy. Does it limit or change the owner's management of his property? Absolutely not. In places like Spokane where that would be a concern, local laws have been put in place to govern historical structures. Kendrick has none of these restrictions. The status actually affords the property owner a form of protection and distinction.

A copy of the survey is on hand at Kups Koffee House as well as City Hall. A great amount of ground work and expense has gone into the sixty page study and we invite your comments.

–Sharon Harris

## **J-K AMBULANCE SAUSAGE FEED**

The J-K Ambulance Sausage Feed will be held at **Kendrick High School on March 21<sup>st</sup> beginning at 4:00 pm**. A live auction will start around 5:30 pm in addition to a silent auction continuing throughout the meal until closing. J-K Ambulance is currently accepting donations for auction items. If you have an item you wish to donate, you can send an email to [jkambulance911@gmail.com](mailto:jkambulance911@gmail.com).

The sausage feed is the primary fundraiser for the Juliaetta-Kendrick community ambulance. The ambulance service is not funded by any tax funds, but is a non-profit, self-sustaining ambulance service. J-K Ambulance depends on donations, memorials, and proceeds from the sausage feed to keep their operating budget secure.

Prices for the meal are: Adults-\$10, Students - \$6, under 5 is free and a family of 4 can purchase a ticket for \$30.

## Tram Artifacts Come Home to Kendrick

The late Tom Farbo of Orofino had collected many tram artifacts along with collecting many albums of data and pictures of early trams in the area. JKHF has undertaken the task of compiling the book as Tom died before finishing his work. His family has been instrumental in returning the artifacts to Kendrick.

The first load was brought back from Orofino by Doug Harris. Mike Goodwin and Tia Pomponio of Orofino have helped the latest load of artifacts find their way

back to Kendrick. Sharon Harris offloaded the artifacts with the trusty old John Deere tractor, and declared Tia and Mike to be some of the bravest men she has ever met.

Soon the articles will be placed along the trail near the native plant garden where signage will explain what each piece played in the transport of early Kendrick grain from Potlatch Ridge to the warehouses in Kendrick. The tram served as a transport for groceries and supplies on the return trip back up the hill.

–Sharon Harris

## Lions Club Chooses a Theme

Members of the Kendrick Lions Club have gotten a start toward planning for Locust Blossom Festival. This year's celebration will be under the leadership of co-chairmen Dave Klatt and Clint Reeves. The theme has been chosen "**A Celebration of Flowers.**" The club is honoring the 50<sup>th</sup> year anniversary of Hill & Valley Garden Club with this theme. Members nominated candidates for Grand Marshalls of the parade as well. They will be featured in the next newsletter.

It is not too early to reserve your booth or space for the May 30<sup>th</sup> event if you are a vendor or plan a display in the park. Contact Darrell Brocke at 289-5071.

Darrell is also spearheading a blood drive which will be held at Kendrick High School on March 9<sup>th</sup>. Call and let Darrell know you are willing to give a liter to save a life.

Recently two members were acknowledged for bringing new membership into the club. Chevrons were presented to Dana Magnuson and Darrell Brocke. Zone Chairman, Johnny Brown, is shown presenting the award to Darrell at our recent meeting. President Amber Reeves, who is Darrell's granddaughter, is doing the pinning.

The Christmas banners were recently replaced with American Flags. The club thanks Neal at TDS for his greatly appreciated assistance.

Archie's caters the delicious Lions Club meals at each meeting and you are cordially invited to attend. Lions meets the second and fourth Wednesday evening at 6:30 pm. -Sharon Harris

**Book Prowlers** recommend "The Boys in the Boat" by Daniel James Brown. It is a beautifully written and carefully documented true story of the University of Washington rowing team and their win in the 1936 Berlin Olympics.

We all loved it!

Join us at 4pm in the Juliaetta Community Library:

March 10<sup>th</sup>: We will discuss "The Bartender's Tale" by Alvin Doig

April 14: Our choice is "Crocodile on the Sand Bank" by Elizabeth Peters.

## Southwick Community Center

The Southwick Community Center will be getting a face-lift this summer with plans for a newly painted exterior, thanks to donations from the community through generous gifts as well as our Fundraiser Barbeque last July.

We received our 501-C3 Non Profit tax status last year which is beneficial for those who donate as well as important in grant applications. Last year we installed an Historic Marker on the front porch which has been of great interest to folks stopping by. It tells the brief history of Southwick and the area. We also have the water system working again and will be installing a glass covered display board for residents to post notices.

Our long term goals include continued restoration and preservation of the building, which is the last standing storefront on all of Potlatch Ridge. Our goal is to provide a place for the community to use, as well as a long term goal of a small museum to display memorabilia from the area. We already have been fortunate to have been told we will be getting the craftsman style rocker and davenport that the King's used in the store when they owned it. Another long term goal is a small Native Plant garden for visitors to get a look at the kinds of grasses and flowers that were in the area when people first settled at Southwick.

Please mark your calendar for a community "Yak and Snack" get together Saturday March 14 starting at 5:00 p.m. It will be a chance to get together, visit and snack on some good food. It could be a good start into spring. Other events to follow will be announced.

If you would like to get involved and be included on our contact list please contact Mark Mustoe at 509-990-8841, or email him at southwickcommunitycenter@gmail.com

## Archie's Gets a New Look

### Phil's Family Foods and White Pine Foods

continue to welcome Dillon Summers, our meat cutter, to the communities. Available for special cuts, meat bundles and everyday meats. Come say "Hi" to Dillon.

Look for Phil's on Facebook!

The main street café known as Archie's has been a Kendrick icon for almost a century. For many years it was owned and operated by Burt and Vera Souders and known as "Burt's Café." Recently the entire kitchen was redone, with a hooded area added above.

The booths and décor date back to post war years. Many people remember going there for a treat after the movie across the street at the Kendrick Theater.

Jim and Archie Johnson took over the café in May, 2008. Jim brought some of Burt's well known humor style to the community and coupled with Archie's charm, they were a dynamic duo.

### New Hours

Monday-Friday 8am to 2pm  
Saturday 8am to 12pm  
Thank you for your support!

From the rustic charm of the wooden booths to the pole hat racks attached to each booth, the restaurant has the charm of the 40's and 50's.

Upon sending a photo of their "new" restaurant to a friend in California soon after their arrival in Kendrick, he quipped, "What are the i.v. poles for?"

Archie continues to operate the business after Jim's passing. Come for a cup of coffee, breakfast, lunch, or supper. You will find the food exceptional and friendly prompt service.

### Simple Joys Antiques and Gifts

Spring is right around the corner and we're celebrating by expanding our garden center! We're excited to offer bedding plants and heirloom, non-GMO seeds again this year. We will also be adding hanging flower baskets, potting soil and natural fertilizers. Sometime in April we will begin our Spring hours, which will be Monday – Saturday 9am – 5pm. Sara will be back to help you with many of your gardening questions!

We have new, used and vintage goods along with locally hand-crafted items, raw honey, organic loose leaf teas, Traditional Medicinal teas, vintage ceremonial tea sets from Japan, plus MUCH more. Come in to see for yourself the treasures we have to offer!

Regular store hours are Tuesday – Saturday 10am – 5pm. We're also open by appointment. Call (208)289-2614 or email [simplejoys@tds.net](mailto:simplejoys@tds.net) to set up a meeting time. "Like" us on Facebook for updates and specials. *Brenda Roetcisoender, Owner*

## Corner Club Café

Where did the Corner Club Café go during the holidays? Well, actually it didn't "go" anywhere, but an opportunity for a catering contract was offered and it was too good to pass up. Cindy Tate, owner of the restaurant, spent the holiday season located in the Lewiston Center Mall. During this time, it was not possible to keep two restaurants open so the Kendrick restaurant was temporarily closed.

"The Corner Club Café in Kendrick is my #1 priority," said Cindy. "The catering jobs I have accepted are a means to keep the prices of the Café at \$7.95 or below. I really appreciate the support I have gotten from this community and I want everyone to know if the Café is not open, it is because I have taken a catering job which will also help me in expanding the Café. As a small business owner, my goal is to serve the people of this area."

Catering offers have increased and recent catering jobs have included prime rib dinners and Mexican or Chinese dinners for up to 100 persons. Cindy also prepares custom dinner orders for any function.

A new employee addition to the Corner Club Café is Cindy's sister Crystal. After a devastating car accident three years ago, Crystal is finally able to help in the restaurant which was their dream from the beginning.

As of February 2015, the hours of Corner Club Café will be 7am – 4pm, Monday through Saturday. Cindy has added 6 and 12 inch pizzas to her existing menu with take out or home delivery.

Another item being offered by Cindy is a full line of Doterra Essential Oils for homeopathic health care. These oils are used to improve the immune system, deep joint and muscle pain and other health concerns. Cindy invites the community to stop by and visit with her about the benefits of over 75 different Doterra products. -Kathy Jones

**The City of Juliaetta  
and the Friends of the Library invite  
all community members in the KJ7 area  
to a brainstorming meeting  
to consider how to  
BUILD A NEW LIBRARY.  
We hope to form a team to get this  
exciting project off the ground.**

**Please join us at Juliaetta City Hall  
Tuesday, March 17th at 6pm**

## Garden Club Celebrates 50 Years

Digging in and helping beautify the area for fifty years is quite an accomplishment. The club was formed in 1964 under the leadership of avid gardener, Barbara Hepler. \*\*

These ladies concentrated on educating the community on gardening and taking an active part in the State Gardening Association. They soon made a name for themselves and carried home their share of awards and citations.

From sponsoring plant sales in the early years to the annual evergreen wreath sale, they have left their mark on Kendrick and Juliaetta. Currently the club helps sponsor "Fun with Flowers" in the park the third Saturday morning of each summer month. You can come and make a bouquet such as the one illustrated here.

The ladies donned hats and white gloves and met at Colter Creek Winery in Juliaetta for a celebratory luncheon and program. They celebrated and honored past presidents.

Because the club is extremely busy every December, they don't get a chance to have a holiday celebration and gift exchange until February each year. This was part of the program as well. With much laughter and enjoyment at the celebration, the club looks forward to another fifty years.

Each year the club sponsors a Flower Show for Locust Blossom Festival. It is time to start planting and planning for that occasion. You must have grown horticultural exhibits for at least three months. There will be two major categories: Floral Design & Horticulture. Plan to participate. -Sharon Harris

*\*\*Charter members were Jo Bescoter, Joyce Brammer, Rose Brocke\*, Dixie Browning\*, Sally Browning\*, Irene Christensen, Miriam Cook, Minnie Cox, Margaret Craig, Frances Crawford, Jessie Erlewine, Elaine Galloway\*, Chrystal Gruell, Barbara Hepler\*, Helen Hinrichs, Linnie Ingle, Emma Kent, Allie Larson, Donna Lohman\*, Anna Long, Martha Long, Adelle Lublow, Delores Lyons, Dorothy McCreary, Helen Mielke, Eula Miller, Johanna Nelson, Ida Newman, Ida Olderness, Catherine Prks, Carol Peters, Alberta Schupfer, Ruth Slind, Hannah Smith, Vera Souders, Elsada Sproul, Betty Watts\*, Donna Weyen\*, Coryell Wolff, Darlene Wolff, and Vivian Wolff (\*denotes still living).*

## Juliaetta Elementary School PIG RAFFLE!

Tickets available through March 15th  
\$1 each or 6 for \$5

Purchases can be made from any  
JES student or at the school office.

### **2 LUCKY WINNERS will be drawn on March 16th.**

Each winner will receive 1/2 pig, cut and wrapped to your choice. (Donated by Sonnen Meats, Inc.)

All proceeds from this raffle will go to the JES Student Body Fund. **Support our school and fill your freezer!**

## Youth Gardening Initiative Grant Program

The Hill and Valley Garden Club announces its 2015 program offering grants of up to \$100.00 in support of gardening and plant-related educational projects for local youth. The funds for this program were generated through the Soup, Bread, and Pie Sale held in conjunction with our club's annual Evergreen Sale.

Application will be available from March 1<sup>st</sup> at the offices of the elementary and junior/senior high schools. Proposals must be submitted by April 1<sup>st</sup>, and awards will be distributed by April 15<sup>th</sup>. Proposed activities should involve youths from Pre-K (3-5 years) to Senior (18 years).

Questions regarding the program or the application process should be directed to Youth Gardening Chairperson Polly Taylor Dennenler at [taylordennenler@tds.net](mailto:taylordennenler@tds.net) or 276-4302.

## Saturday, April 25th is Arbor Day!

The Arbor Day celebration in Kendrick will take place on Saturday, April 25<sup>th</sup>. The Urban Forestry Committee in conjunction with the Arts Committee will be sponsoring several events. From 8am to 10am the Arts Committee is having coffee and cinnamon rolls to sell at the Sr. Center. In addition, there will be kids' art work for sale and a variety of items made out of "trees" for sale. A skit presented by kids will happen at 10:30am.

Trail Cleanup will begin at the bike path behind the Senior Center at 11:00am. Trash bags will be provided, and this is a perfect opportunity to involve children of any age in a fun civic project. Following the cleanup, there will be a tree planting also along the trail. Plans are being made to have a local group of children present a short program followed by a free-of-charge bar-b-que with hot dogs, potato salad and dessert. Come join the fun and take part in an important day in our Tree City, USA town!

## Kendrick Boys Basketball – return to state tournament?

LEWISTON — On Wednesday night, the Kendrick Tigers bumped the Timberline Spartans down to the consolation bracket in the Idaho Class 1A Division II District II boys' basketball tournament. With a 34-17 lead at halftime, the Tigers were both determined and confident in playing the Spartans (whom they had defeated twice earlier this season). Leading the Tigers was Braden Smith with 14 points, followed by Wyatt Hardin and Hunter Jones who contributed 10 points each.

As for the following night, Kendrick suffered a loss to the No. 2-seeded Logos Knights of Moscow. With a final score of 70-41, the Tigers found that rather than playing for the district title, their next game would be against the Highland Huskies in a loser-out game. Senior Caleb Olson led the Tigers in both points and rebounds, but it wasn't enough to take the victory away from the Knights.

As for the overall season, the Tigers lost only four games; twice to the Logos Knights and twice to the Summit Patriots. That left Kendrick in the No. 3 seed for the district tournament, still with hopes of returning to Nampa for the state tournament.

Junior Braden Smith and sophomore Wyatt Hardin have stepped up this season, aiding the Tigers in both points and rebounds. With Smith averaging 14 points and 8 rebounds per game, he has been a force to be reckoned with this year and has been difficult to shut down. Hardin has averaged 17 points and 7 rebounds this season, and is only a sophomore. "I'm really looking forward to my junior and senior year, especially since we'll be a dominant team," Hardin claims.

If Kendrick is able to pull through and advance to the state tournament, it would be their third year in a row playing in it. Taking third place both last year and the year before, the Tigers have a good chance of returning and performing well with a chance to win a state title.

*By Harley Cope*

## Superintendent's Report

Once again, we are asking you to support our critical supplemental levy. On March 10, 2015, please go to your local polling station and cast a vote in support of our children. The annual levy provides about one-third of the core funding for our school district. Without these resources, we would be forced to lay off staff and defer some maintenance projects that were put on hold during the recent recession. Our mission is "preparing today's children for the challenges of tomorrow." Simply put, we are preparing our children for the rigors of the digital age in a global economy. A quality education levels the playing field for the children of Kendrick, Juliaetta and the Seven Ridges. I am proud of the well-rounded, quality education our highly qualified staff provide for all of our children. Every employee knows the critical nature of our mission and is dedicated to serving our students, their families, and our unified communities. They do a great job and one that is worthy of your continued support. Please go to the polls on Tuesday, March 10<sup>th</sup> and show your support for our children.

This is our levy renewal message: The Idaho State Legislature does not fully fund our district's basic educational programs

- >The levy will not add any additional or unnecessary programs or materials
- >The requested levy amount (\$850,000) includes the first small increase in two years (3%)
- >We are asking our electorate to help us maintain the quality program we have put in place
- >An investment in our children's education is an investment in our future
- >Juliaetta Elementary and Kendrick Junior/Senior High are among the best schools in Idaho
- >BOTH SCHOOLS ARE 4-STAR RATED
- >State funding together with our supplemental levy provide
  - \*Highly qualified teachers, counselors and administrators
  - \*Dedicated school secretaries, instructional aides and District Office staff
  - \*Highly competent maintenance, food service and technology workers
  - \*Well maintained facilities that serve both Juliaetta and Kendrick

Our School Board has done a great job keeping the levy rate stable from year to year. We want you to know that the levy is crucial to maintaining the quality of our children's education. Education is not funded adequately at the state level. So, the local supplemental levy provides essential resources needed to keep our schools operating in the black. Please protect our children's future and help Kendrick Joint School District #283 accomplish its mission of preparing today's children for the challenges of tomorrow by **voting on March 10th.**

*Dr. Lindsay Park, Superintendent*

## JES Principal's Report

True or False: Standardized tests are tough.  
The answer depends on how prepared the test taker is.

Standardized tests currently play a large role in Idaho public schools. As a parent, there are a number of ways you can support your child before and after taking a test, as well as a number of ways you can support your child's learning habits on a daily basis that will help him or her be more prepared when it's time to take a test. Please note that the following tips have been taken from articles published by Scholastic, Inc., the National Parent Teacher Association, and the International Reading Association.

### Before the Test

#### Be prepared

Watch for information the school sends home about testing schedules. Your child's teacher will put bulletins in your child's backpack. If your child has struggled with a particular subject in the past, you may be able to help overcome some of that difficulty by providing extra practice. Focus on your child's weaknesses rather than his or her strengths. Keep the sessions short, and set small, manageable goals so that the extra practice boosts your child's confidence.

### On Test Day

#### Make sure your child gets a good night's sleep and eats breakfast

Students who don't do well on tests haven't gotten enough sleep or haven't eaten breakfast on the morning of the test. Doing both will ensure that your child is working at full capacity.

### After the Test

Talk with your child's teacher if you have any questions about the test results. Help your child review any parts of the test that he or she did not understand.

### On a Daily Basis

In addition to these strategies, there are a number of ways that you can maximize your child's learning capabilities throughout the school year, which can lead to confident test-taking. Some of these strategies include:

- Assisting your child with homework
  - Helping him or her to develop good study habits, thinking skills, and a positive attitude
  - Ensuring that your child has good attendance
  - Staying in communication with your child's teacher
  - Encouraging your child to read as much as possible
- Helping your child learn how to follow directions carefully

Our standardized testing window at Juliaetta Elementary School begins April 6<sup>th</sup>. *Dr. Lindsay Park, Principal*

## Museum Grand Opening April 25<sup>th</sup>

It is an exciting time for members of J–K Heritage Foundation as we look forward to the Grand Opening of our museum in the upper floor level of the Fraternal Temple at 614 Main Street in Kendrick. The celebration will be an open house from 1-4:00 pm on Saturday, April 25<sup>th</sup>. The public is welcome and encouraged to attend. Be warned that there is no handicapped accessibility and you will have a long stairway to navigate. Under the capable leadership of Chris Kowrach, the refurbished grand hall museum has been laid out into the following sections:

- A Research and Resource Center where you will find old copies of Kendrick Gazettes, books about the area, and maps.
- Communication - archival items of early communication including telephone switchboards and the Cameron Post Office box section.
- Recreation – early 1900's items used for recreational pursuits.
- Agriculture – pictures, artifacts, and tools.
- Logging – tools, pictures, and displays.
- Household – artifacts and furnishings of early 1900.
- Tools of the Trade – relics and tools of early merchants.
- Railroad, Tram, & Depot - Relics and railway articles and pictures
- Transportation – pictures from horse and wagon to early autos.

The museum will feature a display of the Thomas Family Organ which has been donated and returned to Kendrick. It dates to 1898 and is in mint condition. There will be a pictorial display of Joe Frucht's brick factory. There will be a short program at 2:30 pm. Refreshments will be served. The public is most welcome to attend.

### Grange Doings

It was a sweetheart of a breakfast! It was prepared by Rose Norris and Jan Patterson with assistance from other members. The breakfast has been an annual event to benefit the building fund so that

improvements can move forward. There is still one phase of the brick project to finish at a cost of \$20,000.00. We thank everyone that participated.

An addition to the baked goods table this year was a choice of beautifully arranged fresh bouquets for sale. Many went home with a bouquet for their sweetheart.

Kudos to Joyce Brocke for spearheading the handicapped restroom project. We are now ADA compliant at the hall. The former Men's Room is now designated "Unisex" for the needs of the handicapped.

The building has been used for showers, parties, and a variety of meetings. This has been our aim in restoring this architectural treasure. When it is used by the community it is a double blessing.

Thanks to Archie Johnson for her recent donation of chairs to the Grange.

### CAMERON EMMANUEL LUTHERAN CHURCH

Our Lenten observance includes a mid-week worship service on Wednesdays at 7 PM. Wednesday is a busy day as it also includes a bible study on the gospel of Mark led by Pastor Craig at 6 PM. Choir practice follows the worship service around 7:30 PM. A second offering of the bible study takes place on Thursday afternoons at 2 PM.

The ladies of the church are collecting items to be placed in personal care kits that will be sent across the globe via Lutheran World Relief. In addition, work continues on quilts for global relief projects. The work sessions are on the first and third Wednesdays of the month beginning around 9:30 AM. Anyone who enjoys quilting is welcome and encouraged to join us.

Holy Week observances will include regularly scheduled worship on Palm Sunday (March 29) at 11 AM with an Easter Egg Hunt during Sunday school which begins at 9:30 AM. Holy Communion will be celebrated as part of Maundy Thursday's (April 2) worship at 7 PM. Service will also be held on Good Friday (April 3) at 7 PM. Easter Sunday (April 5) will see a change to the normal Sunday schedule. There will be no Sunday school that day. Easter celebrations will begin with worship at 7 AM followed by breakfast at 8:30 AM. All are welcome for any and all of the week's activities.

Planning for our annual Vacation Bible School is also underway. The dates have not yet been determined but it won't be too long after all the area schools have released for summer. More information will be posted throughout the community as it becomes available.

If you have questions or would like more information, please contact the church at 208-289-3471.

- Pastor Craig

## EASTER SUNRISE SERVICE

The Juliaetta Church of the Nazarene, Kendrick Assembly of God and Juliaetta Community Church invite you to join us for an Easter Sunrise Service at Juliaetta Centennial Park at 6:30 Easter Sunday-April 5. The service will be followed by a free breakfast at Juliaetta Community Church.

### GOOD FRIDAY SERVICE

The Clearwater Ministerial Association (CEMA) will be sponsoring a Good Friday Service on April 3rd at the Juliaetta Church of the Nazarene. The service will begin at 7:00 PM. Come and join us as we focus on the One who died on the cross for our sin.

## Kendrick Methodist Church News

The men of the Kendrick Methodist Church will prepare and serve the annual Easter Breakfast at 8:00-9:15 a.m. on April 5. The menu will include ham and eggs, assorted cinnamon rolls and pastries, juice, coffee, tea, very friendly service, and a wonderful atmosphere for good visiting. All are welcome to come and enjoy this free Easter breakfast.

## NO DETOUR AHEAD

The signs of new growth are all around us. The stark colors of winter replaced by the vibrant hues of spring. Major retailers entice us with vivid displays of their new spring lines, including bright baskets filled with candy and gifts in anticipation of Easter. In the church, the contemplative season of Lent continues in advance of the awaited joy of the Easter season.

The above-mentioned baskets have come a long way since I was a kid. Plastic grass is now available in every color of the rainbow, not just green. The candy and toys have been super-sized. It is hard to envision a toddler being able to carry a basket that might not even fit in the backseat of a small car. Nothing seems to be missing in these colossal containers – with one possible exception, a cross.

It is good and proper that we celebrate Easter Sunday and the amazing news of Jesus Christ being raised from the dead and the promise his resurrection holds for us. However, in our zeal to arrive at the empty tomb on Sunday morning, we often overlook (or ignore outright) the reality, necessity, and agony of Good Friday. The two are not separate stories but rather one narrative of victory hidden in defeat, of life in the midst of death.

In order for there to be a resurrection, there first must be a death. An empty tomb is insignificant unless it has been previously occupied. The promise of life after death can only be realized after a death has taken place. There is no Easter without Good Friday. There is no hope without the cross.

There is no detour around the cross!

A treasured gift of framed needlepoint hangs on my study wall. Beside the prominently featured cross are the words: 'I asked Jesus, "How much do you love me?" He answered, "This much." And he stretched out his hands and died.'

Perhaps it's time, amid the plastic grass, and the plastic eggs, and the plastic toys, and the artificial flavored candy, to find room for something real – a wooden cross.

## KJ7 Education Foundation Efforts and Achievements

### \*Teaching Resources Grant Awards

The KJ7 Education Foundation is proud to announce the approval of 3 Teaching Resources Grants. These are the first awards in this funding program, which is made possible through the generosity of the Foundation's donors.

#### **Angie Cannon – 3<sup>rd</sup> Grade PCEI Centennial Park Field Trip: Water and Life Structures**

This activity will enrich science-based classroom learning through the experience of hands-on, real-life conditions. As a secondary goal, it will expose students to a range of potential career options. Funds will be used to pay for Palouse Clearwater Environmental Institute fees and travel to fieldtrip site.

#### **Eric McDowell, Joanna Walden, and Jennifer Ingalls KHS 9<sup>th</sup>-12<sup>th</sup> Grades (Math, Science, English) KHS Class Clicker Project**

Teachers in the Math, Science, and English departments will use the funds provided to purchase hardware and software that will enable real-time tracking of audience response. This will allow teachers to perform near-instantaneous formative assessments in their daily lessons. Use of the clickers will introduce a new technology to KHS, and thus motivate and engage students in a generation that thrives on technological challenges.

#### **Jessica Clemenhagen and Angie Tweit – JES K-6<sup>th</sup> Grade Family Education Series: Common Core for Parents**

This project is a cooperative venture of the 21<sup>st</sup> Century Community Learning Center and the JES Leadership Team. Its purpose is to address recognized misconceptions about the Common Core State Standards among parents and other community members. Workshops for families will offer parents and students alike a hands-on introduction to the Common Core, in a supportive and informative environment.

### \*Scholarship Program Applications

The Foundation was thrilled to award the first annual scholarships for post-secondary education to 4 seniors in the Kendrick High School Class of 2014, and the Board is now preparing with equal excitement to receive applications from students in the Class of 2015. Application forms are available for download from the Foundation website, and must be completed and received at the Foundation office no later than April 1, 2015. **Download Scholarship Application:** [kj7educationfoundation.org/scholarships](http://kj7educationfoundation.org/scholarships)

### \*Charter Donor Campaign

The Foundation Board reminds community members that the "Charter Donor" campaign will close at the end of June, and those who are still considering donating this year are encouraged to do so before that deadline. All those giving any amount during this first fundraising year will be designated as Charter Donors!

**Download Donor Card:** [kj7educationfoundation.org](http://kj7educationfoundation.org)

### \*Facebook Page Promotion

The Board would like to thank all those who have liked the Foundation Facebook Page, as this helps to develop awareness of the Foundation and its work. If you have not yet visited the page, please take a moment to like and follow it!

## Meet Your Neighbor...

Wendy Sandino was eight years old when her family moved to Kendrick from California. Her parents, Terry and Phil Zelinsky, purchased the brick building on 600 block of East Main and opened the Kendrick Country Store.

Wendy remembers the groceries, bakery and meat departments contained within the store.

Wendy attended school in Juliaetta and Kendrick, graduating in 1993. While a sophomore, she met senior Jimmy Sandino and they were later married in 1997. Wendy and Jimmy have one daughter, Mina, who is in 7<sup>th</sup> grade at Kendrick Jr. /Sr. High school. Mina is her class president and wants to play three junior high sports this year, which in turn keep her parents very busy.

"We plan on staying in Juliaetta even after Mina graduates," said Wendy. "We love a small town."

Employment in the Kendrick/Juliaetta area has been important for Wendy. She worked at Latah Credit Union for two years until they downsized and then worked as a secretary aide for several months at KHS before being hired as the Juliaetta City Clerk.

"My main responsibilities as clerk include utility billing, building permits, liquor licenses, election business, and recording city ordinances," mentioned Wendy. "I really like my job. There is always something to learn and I like talking to the people when they come in the office. I hope I get to work here until I retire."

While Wendy loves her job, some of the late utility bills cause her anguish. "When I first had to send out notices that someone's water might be turned off, I was sick to my stomach and couldn't sleep. But I have to do my job. That's the hardest part of being City Clerk."

Wendy's hobbies include reading, crafts (especially on Pinterest) and genealogy. She has researched her side of the family back to the 1400's in Switzerland and her husband's family from Chile and Spain.

Another love is football. The Seattle Seahawks have been her favorite NFL team for many years. Wendy is also a Kendrick Tiger football fan and during their season, she can be found with her football friend, Michelle Cope, sitting in the same spot on the bleachers, usually dressed in some sort of orange and black. "Sometimes I get a little too emotional in the games, but I just love football!" Wendy said laughing.

Whether you see Wendy at the Juliaetta City office, or at a football game, or as Juliaetta City Clerk, she is a neighbor you definitely want to meet!

-Kathy Jones

## Our Elected Officials

The publishers of this newsletter are dedicated to building communication within our community and among organizations that serve and support it.

### City of Kendrick

#### Pool Survey

The City of Kendrick will be mailing out (or has already mailed out at time of publication) a one page survey to all citizens that live in the JK Recreation District regarding the future of the Kendrick War Memorial Pool. It is important that we get as many surveys as possible returned to us so we will know how to proceed with the pool. Be watching for your survey in the mail. We appreciate your input!

#### Lifeguard Applications

The City of Kendrick is currently accepting applications for lifeguards for the 2015 pool season. Lifeguard certification training takes place during spring break March 30 – April 3 or evenings in April. Contact City Hall for an application.

#### Dog Licensing

Dog licenses are required for dogs in the city limits. Recently we had two dogs that were returned to their owners in the same day because they had current dog tags and we were able to get them safely home. The cost is only \$5.00 for dogs that are spayed or neutered and \$10.00 if they are not. Proof of rabies is required at the time of licensing.

#### Council Meeting Dates

March 23, 6:00 PM

April 20, 6:00 PM

### South Latah Highway District News No Spray Requirements

Patrons not wanting vegetation sprayed with chemicals in the highway district right-of-way will be required to control the weeds and maintain the grassy vegetation. It is important that each end of the property be clearly marked with easy-to-read signs that state, "NO SPRAY." The person spraying the weeds has no way of knowing the property is not to be sprayed unless it is clearly marked.

We appreciate your cooperation in this matter. If you have any questions or concerns call 285-1412 or email slhd@idaho.net.

### City of Juliaetta

#### New Location for the Recycle Bins

On February 13<sup>th</sup>, the recycle bins were moved from the Bulky Waste site outside Juliaetta to their new home at the corner of 3<sup>rd</sup> and Railroad Streets, across the trail. We're hoping this new location will help discourage the contamination issues we were experiencing at the old location. The same rules apply—please deposit recyclables into their proper bin. Things like plastic sheeting, Styrofoam and plastic shopping bags are never accepted in our recycle bins. Please dispose of them properly. Remember, if you ever have questions about what can or cannot be recycled, the folks at Latah Sanitation or we at City Hall will be happy to answer your questions.

#### City Council

There will be a public hearing regarding a right-of-way encroachment on Tuesday, March 10. It will begin at 7:00pm, with the regular City Council meeting immediately following. More information about the public hearing is available at City Hall. April's regular Council meeting will take place Tuesday, April 14<sup>th</sup>. Agendas are posted in the window at City Hall one week before each meeting. The public is always welcome to attend these public hearings and monthly meetings.

### Latah County Solid Waste Information

**BULKY WASTE SITE CLEAN-UP MONTH:** In April household trash, including rubber and plastic items will be accepted! Start your spring cleaning by taking advantage of this free program for all Latah County residents.

Open 8am to 4pm April 4th and 18th  
Highway 3 past the ball park

**JULIAETTA RECYCLING BOXES:** Your cooperation and assistance to educate all users in proper recycling is appreciated. When the recycling boxes are serviced they contain only 1/3 recycling and 2/3 garbage. **If the contamination continues the boxes will be locked with access only available on the 1<sup>st</sup> & 3<sup>rd</sup> Saturdays.** Please call Latah County Solid Waste at 208 883-5706 with any questions. *Amanda Bashaw, Solid Waste Coordinator 208-883-5706*

## Latah County Youth Advocacy Council *Awards Night & Talent Show*

May 7, 2015

Kenworthy Performing Arts Center  
[www.drugfreefun.weebly.com/talent](http://www.drugfreefun.weebly.com/talent)

The Latah County Youth Advocacy Council (LCYAC) is holding its third annual County-Wide Awards Night & Talent Show on Thursday, May 7<sup>th</sup> at 6:00 pm in the Kenworthy Performing Arts Center, 508 Main Street, Moscow, ID. Again, this year, visual artwork will be included in the talent show.

Talent Show Auditions will be held on Monday, April 13<sup>th</sup> at 5:30 pm to 9:00 pm at the Emmanuel Lutheran Church in Moscow, ID. Students in Grades K-12 are eligible to audition with traditional and non-traditional talents (hand claps, extreme hula hooping, tricks, etc.) Present artwork for review during the Artwork Drop Off on Wednesday, April 8, 2015 at 3:30 pm to 7:30 pm at the Prichard Art Gallery, 414 S. Main Street, Moscow, ID.

Talent and Art application forms are available at both JES and KHS. Application forms must be completed and turned in no later than Friday, March 27, 2015 at 5:00 pm. This annual event offers local youth an opportunity to display their special talents, and community members are encouraged to attend the show and cheer on the performers. It is also a fundraiser for the LCYAC, with proceeds supporting the important work of preventing youth substance abuse.

If you are interested in helping to sponsor the show, or if you would like further information, please contact the staff at the LCYAC office at 208.883.2268 or [lcyac@latah.id.us](mailto:lcyac@latah.id.us)

The Little Free Library  
in Kendrick City Park  
is very full.
