March/April 2018

What's Happening

Kendrick-Juliaetta and 7 Ridges Community News | kjnewsletter@tds.net

Stars of Our Community – All Year Round!

The KJ7 Community Development Association takes great pride in recognizing local residents' contributions to the health and happiness of our community through our "Volunteers... Stars of Our Community" awards program. At the end of each year, we have asked for nominations of individuals whose volunteer activities deserve public recognition and thanks. The awards are presented in a ceremony held before our Annual Meeting in January, which the public is also invited to attend.

During this year's Annual Meeting held on January 18th, 13 members of the local community were honored with Stars of Our Community awards. Pictured are Dave Johnson, Kathy Cassin, Pat Cassin, Joanne Gertje, Miranda Anderson, Nic Anderson, Fritz Fliger, Sharon Harris; not pictured are Kathy Perezchica, Matt Anderson, Archie Johnson, Jennifer Ingalls, and Dawn Quigley. Once again, the KJ7CDA Board of Directors would like to extend our congratulations to the honorees, and express our appreciation of all they do to keep our community strong.

New Format Aims to Widen Nominations

While we have always invited nominations for the award from community members as well as local organization leaders, we would like to encourage more individuals to nominate people they know who deserve this special recognition. Therefore, we have decided to accept nominations year-round from now on, instead of once a year. We will announce new nominees in the community newsletter throughout the year, and formally recognize all award recipients at our Annual Meeting, as usual.

We also want to remind everyone that individuals can be nominated more than once for this award, for contributions made through multiple activities. In a community like ours, there are plenty of people who do wonderful things in many different ways.

Nominations may be made online at the kendrick-juliaetta.com website, or sent by email to info@kendrick-juliaetta.com. A printed version of the nomination form will also be available for pick up on the shelving in the foyer at the entrance of Archie's Restaurant. This form can be sent to us via postal mail to the address indicated.

We hope that many of you will take advantage of this widened opportunity to recognize Volunteer Stars of Our Community for the gifts they give us.

Summer Evenings in the Park

KJ7 Community Development Association sets dates for Summer Evenings in the park. They are to be held in Kendrick City Park and will feature fun activities for all ages!

Please save these dates:

Friday, June 8th

Friday, July 13th

Friday, August 10th

For further details, please check the KJ7 website at www.kendrick-juliaetta.com.

GETTING TO KNOW DEB WEYEN KLATT

DISHWASHER NEEDED
JK Senior Mealsite is in need of a dishwasher volunteer. You must be reliable and willing to volunteer your time, this is not a paid position. It takes approximately 45 minutes to an hour to do the dishes. It would be Wednesdays and Fridays and the dish washing begins between 12:15-12:30. If you are interested in helping out please call me to schedule an interview.

Lisa Kaschmitter
208-827-6305

The Friendly Neighbor Club

The Friendly Neighbor Club is pleased to announce the following programs, not just for those up on Cedar Ridge, but for anyone who might be interested. The clubhouse is located about 11 miles up Cedar Ridge. Remember to take the sharp right turn onto the gravel road before you run out of paved road. Linden continues as the paved road. The clubhouse is just on your right at the top of the hill. Please contact one of the following if you have questions or are interested in one of the programs. We would like to have a count of those attending so we have sufficient supplies. Call either Jeanette (208) 289-3200 or Kathy (208) 289-4640. All courses are free. We offer everyone a chance to visit and learn something new. Drinks and snacks are provided.

Embroidering Huck Toweling

Tuesday March 13

10:30 am-2:00 pm Jodie Smith

Learn how to do what is also known as Swedish Weaving. Materials will be supplied.

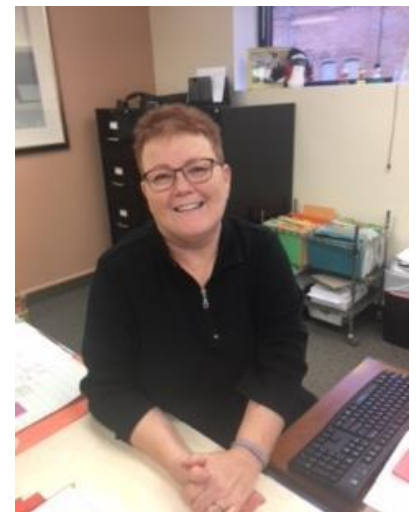

Kathy Cassin

Walking into Dr. Jeffrey Sowle's dental practice on Main Street in Kendrick you immediately gain a sense of warmth, comfort, and friendliness as the "red headed woman with freckles" beams a beautiful smile and with enthusiasm greets patients with a bright "May I help you?" This is quite a nice experience for someone who may be a bit timid about having dental work done, but quickly the fears subside.

Deb Weyen Klatt was born in the little house next to the Kendrick Park which is where women went to have children with a mid-wife present, who at that time worked for Dr. Christiansen in the early 1950's. Deb was the youngest of three children, all girls, who in the absence of brothers learned to work the manual jobs on the farm helping their parents. Now she is married to David Klatt and they have made their home on Main Street in Kendrick since 1982.

She has worked for Dr. Sowle for some 40 years. Longevity in the practice is a real tribute to the relationship Dr. Sowle has with his team of professionals. Having put all those years in, Deb has watched 2 and 3 generations receive quality dental care in the Kendrick area, not having to travel to Moscow or Lewiston. The patients are like old friends and she calls them by first name. Deb expressed what a joy it is to see them and watch them grow up. This is what she likes most about her chosen career. She knows how to make someone feel warm, comforted, and important.

When asked what changes she has seen over the years living and working in this community she indicated it is the opportunity to shop locally. Kendrick is still blessed to have businesses on Main Street, but Juli-
aetta has changed significantly. It used to be more difficult to travel between the community and Moscow or Lewiston so the communities were more vibrant. Now, with it not being so difficult to travel, she encourages the community to try to support the businesses in the local community and keep them viable.

Kathy Cassin

Hill and Valley Garden Club (H&VGC)

A community garden can draw visitors to our beautiful rural communities. The H&VGC member's goal this year is to **Beautify our Communities**. The club can help purchase plants, trees and shrubs but we need community support to identify great locations and help water during our hot summer months. Please engage in our community effort to make J-K and the Seven Ridges a place that the city folks will come see what makes us special. We have planted some trees and shrubs in the past but watering and maintaining them has been a challenge. We are hoping the city council and residents will join us in making a community that will be proud to welcome visitors to the amazing wonders of **Kendrick-Juliaetta and the 7 Ridges**.

Please call or email your ideas and how you can support our efforts to Becky Loomis- [360-359-1628](tel:360-359-1628) or becky-loomis@outlook.com.

Our next meetings will be held at the Kendrick Grange on Main Street at 1 PM (Each meeting has a special guest speaker and exchange ideas and plants):

Flower Show Judge School- April 12-13 and Sept 13-14
Open to anyone. Held in Boise, Idaho

March 27th, 2018- Monthly meeting April 24th, 2018-
Planning for Annual Flower Show May 22, 2018-
Annual Flower Show/Locust Blossom Festival

Dig It!

The fourth grade will be performing a play called, Dig It! **Juliaetta Elementary School**
At 6 p.m. on Thursday, March 15, 2018.

In the play there are four young archaeologists who look in a cave in Ethiopia and find a skeleton named Lucy. She takes us to Egypt, Asia, Greece, and Rome. Then at the end of the play we go back to the future.

During the play we sing songs like:
"So Long Ago" and "The Land Between
Two Rivers".

We hope you come - it's going to be great!

Come And See for yourself!!!!

P.S. The second grade is doing a play too!

By: Lyla Brown

From Graduation to the Military

By Emily Umphenour, KHS Student

Over the past four years, we have had a few students that graduated and enlisted into the military. I had the chance to talk to five of those past KHS students about their experience in their designated branches. The students I talked to were; Dylan James White, Caleb Olson, Megan Heimgartner, Dallas Evernden, and Abbi Scheline. I will have other articles later on that feature Caleb, Abbi, Dallas, and Megan. I asked them some questions about what they thought about the military from their point of view and what they thought about future graduates enlisting as well. First, I asked him what year he graduated and what branch he's in.

DJ: I graduated in 2014 and I am in the U.S. Marine Corps. I'm currently Lance Corporal, but I am getting promoted next month to Corporal.

I then asked him what he thought about future graduates going into the military and what advice he would give to them.

DJ: I strongly encourage it, especially to those who are unsure what they want to do after graduation.

The benefits are very plentiful, and the experience makes it worth every second.

Last, I asked him what the easiest and hardest part about being in the military was.

DJ: The best part definitely would be the relationships I've made with people from all over the world.

The hardest part would be being away from home and family as well as having to say goodbye to my fellow marines when they get sent overseas.

Dylan is happily married and has recently had a baby. I would like to thank Dylan for his service!

3rd Grade Field Trip

My spelling bee winning experience!

By: Aiden Cain

Hello, this is Aiden Cain, first-time winner of the school spelling bee. When the spelling bee first started, I was a little nervous, although the words weren't that bad. Once one person got out, everyone else was getting out not too long after the person who got out before them, until it was just me, a 4th grader, and Michael Arnett, a 6th grader. Now, when one of us got a word wrong, the other student had to try to get that word right. If we both got the word wrong, we were both still in. We were both getting words wrong for a while, until Michael misspelled incarcerated, and then I had to spell it. I was glad that I had practiced! Michael and the others did very well. That was my spelling bee winning experience.

Below: Ken & Jackie Cain with their son Aiden and Mrs. Cirka

On February 6th, third grade students from JES visited Dworshak National Fish Hatchery and Dworshak Dam Visitors Center located near Orofino, Idaho. During our hatchery tour, we learned about Salmon and Steelhead populations that begin at the hatchery, journey to the ocean, and make their way back to start the cycle with a new generation. The US Corps of Engineers built the hatchery near the same time as the dam, in the late 60's to early 70's, to make up for loss of habitat created by the reservoir. Students watched as biologists' air spawned female fish eggs into buckets, which would be later fertilized and stored in trays in the nursery. Steelhead are raised in raceways at the hatchery for approximately a year, while Salmon stay for a year and a half. Near the beginning of March, the class will get hands on experience with raising steelhead as we participate in the "Steelhead in the Classroom" program through Idaho Fish and Game Department. The class will care for live steelhead eggs until mid-May when they will be released into the Clearwater River. At Dworshak Dam Visitors Center, we learned about its history and how it operates to create electricity. Flooding in the town of Orofino was the main purpose of the dam's construction. It took about 7 years to build and is the third highest dam in the western hemisphere at 717 feet high and over 3,000 feet across. Three very large turbine generators located inside the dam generate electricity. Students study the properties of water and life structures in third grade. This field trip helps students understand how organizations work together to help nature. We hope to inspire a life-long love and possibly a career in helping the environment!

**CAMERON EMMANUEL LUTHERAN
CHURCH**

by Pastor Craig Groseclose

The season of Lent is upon us. The congregation's observance includes a series of mid-week worship services on Wednesday evenings at 7 PM. The services include meditations centered around the theme of grace. Services will be held on March 7, 14, and 21. Sunday, March 25th, Palm Sunday, will be marked with a special worship service at 10 AM, featuring a procession of palms and a reading of a portion of the story of Jesus' Passion from the Gospel of Mark.

In connection with the Lenten season, the members of the congregation are collecting items for personal care kits. These kits include basic things such as a bath towel, soap, comb, toothbrush and nail clippers. These kits will be distributed across the globe through the Lutheran World Relief network.

In addition to the Palm Sunday service mentioned above, Holy Week celebrations also include Maundy Thursday (3/29) and Good Friday (3/30) services. Both services will begin at 7 PM. Easter Sunday will be celebrated with an early morning worship time of 7:30 AM with a special breakfast to follow. There will be a short program for the children that morning as well.

Planning is underway to honor the KHS graduating class of 2018. A date has not yet been set. Preparations have also begun for this summer's Vacation Bible School. VBS will likely be sometime in June. More information on both events will be forthcoming.

The congregation also participated in the annual Souper Bowl of Caring last month on the day of the Super Bowl. This year's recipient of the monies raised was our local community food bank.

The Kendrick Assembly of God, The Juliaetta Church of the Nazarene and Juliaetta Community Church invite you to our Easter Sunrise Service at Juliaetta Park. The service will begin at 6:30 and will be followed by a free breakfast in the basement of Juliaetta Community Church.

Pastor's Corner

Keeping Up With Knowledge?

Has man finally come to the point he has grown beyond his knowledge and wisdom? Has our knowledge outgrown our wisdom? Go back a couple generations and it was easy to define death. When a person's heart stopped beating that person was pronounced dead. Today it is not uncommon to have the heart stop beating and be brought back from the "brink of death". What was one time a simple thing to determine is now more complicated. Death is not the only thing that challenges us today when we try to define something. Only a few years ago a family was made up of a husband, wife and often children. Today family is a very different picture. We're no longer sure what a marriage is, thus it becomes hard to define family. Some today define marriage, as does Scripture, being made up of a man and woman while today the world is changing that definition. Adding to the confusion is that we are not even sure anymore when a man is a man and a woman is a woman. What was once the simple things of life or death have become very complex. We have greater knowledge than ever, but do we have the wisdom to handle that knowledge. We know so much and have accomplished so much but those things that were so easily defined just a few years ago escape us today. Knowledge is the gathering of facts, truths or principles and wisdom knows what to do with the knowledge we gather. Today's conflict is that we no longer know what truth is nor do we have everlasting principles. Past generations lived with one truth based on certain principles, but another generation comes along and says that is no longer true or that principle no longer applies. Because it all keeps changing we lack the wisdom to know what to do with the "new truth" or principle. In short we have so much "new truth" we no longer have the wisdom to discern "truth".

Where do we find wisdom to handle these complex issues facing us today? That question was answered thousands of years ago by Scripture, "If any of you lacks wisdom he should ask God." When we find that wisdom we find truth that leads to unchanging principles that makes life, not easy, but simpler.

Pastor Larry Haylett

KENDRICK JT. SCHOOL DISTRICT SUPERINTENDENT'S REPORT

Once again, it is time to support our annual levy, and to renew the facilities levy for another five years. On March 13, 2018, please go to your local polling station and cast your vote in support of our children's education. The supplemental levy provides about one-third of our core funding. The facilities levy, which is not new and not increasing, provides additional funds to maintain our facilities. Without these resources, we would need to cut programs, staff, and defer critical maintenance projects.

This is our levy renewal message:

- The Idaho State Legislature does not fully fund our district's basic educational programs
- The requested amount for the next two years is \$100,000 less – A SIGNIFICANT REDUCTION
- We continue to need the supplemental levy to help pay for about a third of our core funding
- The levy will not add any additional or unnecessary programs or materials
- We are asking our electorate to help us maintain the quality programs & staff we have in place
- An investment in our children's quality education is an investment in a better future
- Juliaetta Elementary and Kendrick Junior/Senior High are among the best schools in Idaho

Rural schools throughout Idaho maintain their educational programs and facilities by passing local levies. Here in Juliaetta and Kendrick, we address our program and facility needs annually by asking you to support the local levies. Our constituents have supported us because we are very careful with these resources and use them to the best advantage. For example, during the past five years, we have systematically installed split-duct heating and cooling systems at Kendrick Jr./Sr. High School (KHS) and Juliaetta Elementary School. With Avista grant support, we have installed solar panels at KHS. These changes are dramatically more efficient than oil-burning-furnaces, and we have significantly reduced our heating costs year-after-year.

At Kendrick Jr./Sr. High School we have replaced interior classroom doors and door handles for safety and replaced classroom windows in three classrooms. We have seal-coated the parking lots at both schools preserving them for future use, and replaced antiquated kitchen lighting with LED lighting. We have maintained the roofs at both schools by applying WDG Silicone materials, installed a vacuum system and added a greenhouse at our agriculture-science building. Our facilities are more than 50 years old, but you wouldn't know that when you walk through and inspect them, because we maintain them so well. *We remodel and upgrade instead of replace. We have also adopted a new language arts curriculum at Juliaetta Elementary School, which does a better job engaging our students in their learning. As a result, we serve our students well and manage within the resources provided.*

Our mission is *"preparing today's children for the challenges of tomorrow."* Simply put, we are preparing our children for the rigors of the digital age in a global economy. A quality education levels the playing field for the children we serve. I am proud of the well-rounded, education our highly qualified staff provides for all of our children. Every employee knows the important nature of our mission and is dedicated to serving our students. Our staff does a wonderful job and deserves your support.

Our School Board has done a great job this year by reducing the supplemental levy amount from \$860,000 to \$810,000. The Board has decided to keep the amount level for two years. We want you to know that the levy is crucial to maintaining the quality of our educational programs. Education is not funded adequately in Idaho. So, the local supplemental levy provides essential resources needed to keep our schools operating properly. Please protect our children's future and help Kendrick Joint School District #283 accomplish its mission. Please join with us and vote to support our children on **March 13th**.

Dr. Lindsay Park, Superintendent

News from the City of Juliaetta

“If we had no winter, the spring would not be so pleasant.”
—Anne Bradstreet

No Parking in Alleys

People parking in and blocking city alleys is still a problem.

PLEASE do not park in alleyways, even for a short time. They are fire lanes and need to be accessible at ALL TIMES.

Parking Laws

Idaho State parking laws state that no person shall stop, stand, or park a vehicle within 20 feet of a crosswalk at an intersection, within 30 feet upon the approach to any stop sign or yield sign, and within 15 feet of a hydrant. Please obey these parking laws, especially when along Main Street, where parking close to an intersection makes it difficult to see when turning onto the highway.

Juliaetta Cemetery Clean Up

Saturday, April 14 has been scheduled as a clean up day at Juliaetta Cemetery. Volunteers should bring weed eaters, clippers, rakes, or whatever else you might need to spruce up the cemetery. The work will be from 9 am to 1 pm. For more information, please contact Justin Cope at 208-816-3244.

Clean Up Month

April is clean up month at the bulky waste site. City residents who pay for garbage collection are eligible to participate, and will be allowed free disposal of all waste on the first and third Saturdays in April, with the exception of electronic and hazardous waste. Take advantage of a great opportunity to clean out your garages, yards, and sheds!

City Council Meetings

Upcoming City Council meetings will be held on Tuesday, March 13 and Tuesday, April 10. Agendas are posted in the window at City Hall one week before each meeting. The public is always welcome to attend these monthly meetings. Remember, if you have an issue you would like to have added to the agenda, you must contact City Hall at least 48 hours in advance.

City of Kendrick

The City of Kendrick would like to welcome Rob Clemenhagen as our new Public works director !!!! He brings with him an enormous amount of knowledge in mechanics, fabricating, and welding, just to name a few. Rob, his wife Amy, and boys live in Juliaetta. He will be a huge asset to our town, WELCOME ROB!

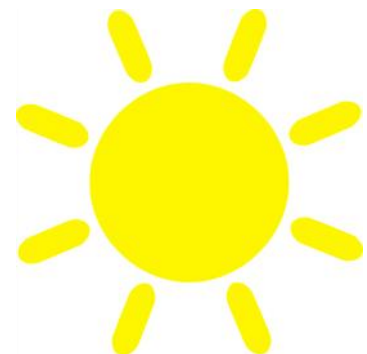

Reminder city dog licenses are now due. They are available at the Kendrick City Hall Mon – Friday from 9-3, the cost is \$5.00 per dog. This is an ordinance that is being strictly enforced. All dogs within the city limits must have a license, be on a leash when outside or in a secure enclosed area. The Latah County Sheriffs Office will be issuing citations for, unlicensed dogs, dogs at large, etc...

The City of Kendrick would like to also welcome our new council members, Tammy Ganz, and Angie Coulson! Our City Council meetings are the 3rd Tuesday of the month at 6:00 P.M. either at the City Hall or Fire Hall, please look for the agenda posted for the location of the meeting.

We are looking forward to SUMMER!!! We are asking both communities for input for the Swimming Pool this year, would you like the pool to be open different hours, seven days a week, different swimming lesson times, lap swim, water aerobics --- yes, no, ETC... Please give us your input and ideas. The City Hall is open Mon-Fri from 9-3, or drop a note in the mail Box 195, or stop by and say HI.

Please be aware of your surroundings, looking out for neighbors property, etc., as there have been reports of thefts, attempted break-ins, and vandalizing. We love our community and want to keep everyone and everything safe.

City of Kendrick
(208) 289-5157

Spring Breakfast

Upcoming Events:

Sunday March 11th Juliaetta-Kendrick Volunteer Firefighter Breakfast at the Juliaetta Elementary School Cafeteria

Wake up and have breakfast with our Daylight Savings Time Spring Forward Breakfast!

The Juliaetta & Kendrick Volunteer Firefighters are holding a Breakfast Fundraiser on Sunday March 11th at the Juliaetta Elementary School Cafeteria. The hearty breakfast includes Pancakes, Homemade Syrup, Ham, Sausage, Hash Browns, Scrambled eggs, Coffee & Juice. Hours are from 7:00 am until 11:30 am. Come have a hearty breakfast before going out to enjoy the spring weather! Cost is a suggested donation of \$8.00 for Adults and kids \$3.00 or \$5.00. We appreciate your support.

Mother's Day Car Wash Saturday May 12th

Mother's Day Car Wash will be held in Kendrick at the Kendrick Fire Hall May 12th from 8:00 am till Noon. Come have your cars washed and cleaned up for Mother's Day. All proceeds go towards the JKVFA Firefighter Scholarship presented to a Kendrick High School graduating senior.

Kendrick Juliaetta Art Committee News.

The Art 4 Kids program has started at the elementary school in Juliaetta. Debra Miles is leading the program again this year but this will be her last year. If you would like to teach this program next year please contact Alice Campbell [208-289-5930](tel:208-289-5930).

The Art Committee meetings have returned to the second Monday of each month. We painted terra cotta pots at our last meeting. Everyone is welcome to join our group you don't have to be an artist just have an interest in art.

VFW Meetings

News From the VFW Post 3913

If you have a flag that needs to be disposed of, please drop it off at your local post office, staff will contact VFW leadership, and they will take care of it.

VFW membership has decided to sell their hall and the property it sits on.

KJ7 Education Foundation Joins in Idaho Gives Campaign

Save the Date: Thursday, May 3, 2018

For the third successive year, the Kendrick Juliaetta & 7 Ridges Education Foundation is joining other Idaho non-profit organizations in the statewide "Idaho Gives" 24-hour online fundraising event, which makes it easy to support the Idaho projects and activities that mean the most to you. With many important and deserving organizations taking part, we hope you will consider giving in support of enhanced educational opportunities for students in School District #283.

Further information will be provided as the date approaches! Meanwhile, please let us know if you would like to participate in promoting our fundraising activities, by contacting Tawnya Feldman at 208-289-2442 or bcspa2go@gmail.com

Fit and Fall Proof Class

The Methodist Church is sponsoring a Fit and Fall Proof Class. We are in the planning process and training the leaders for the class. As soon as we know the dates and times the class will be offered, it will be posted on the KJ7 webpage. Watch the webpage for this new opportunity for our community.

MANY THANKS TO THE COMMUNITY

To recognize each and everyone that helped us would be difficult, because there were so many. So we would like to thank everyone for their kind generosity and prayers when Willy was needing help. The community came together as always, prayed and met our needs. Many thanks to all, we really love our community and are so grateful to be apart of it.

Willy and Jeanette Cuddy

Booster Club

The Booster Club would like to thank all of the community members and businesses for your support through memberships, placing ads in the basketball district tournament program, donations, and various other ways.

A HUGE thank you to all of the players and spectators who came out to watch the Mike Hogan Memorial Flag Football game!! The turnout was fantastic and fun was had by all (with the exception of a few pulled hamstrings)! We would also like to thank all of the volunteers and those who brought food and drinks. We are looking forward to continuing this event and hope it grows each year!

Please save the date for our upcoming Booster Dance, Dinner, and Silent Auction. This is a 21-and-older event that will be held April 14th with social hour beginning at 4:00 p.m. and dinner served at 5. Tickets will be available soon at local merchants, from Booster Club officers, and also at the door on the night of the auction. If anyone would like to donate towards the event or a silent auction item please contact Jessica Beuke at JessicaBeuke@gmail.com or by phone at 208-305-1870. Don't miss this! This is a very fun evening and a great way to support our student athletes!

Please follow our Facebook page if you aren't already.. Kendrick Boosters.

Authentic Corned Beef & Cabbage Dinner & Dessert

Bengal Pharmacy

The new Bengal Pharmacy in Kendrick, located at 509 E Main St., will be celebrating our GRAND OPENING on April 5, 2018.

The pharmacy is a relationship with Gritman Medical Center and Idaho State University College of Pharmacy's, Bengal Pharmacy.

Gritman cares greatly for the Kendrick and Julianna community and is committed to providing access to health care services. In order to keep pharmacy services in Kendrick, Gritman partnered with ISU to pursue tele-pharmacy services.

Bengal Pharmacy has seen success in two other rural communities in Idaho: Challis and Arco. Tele-pharmacy allows the pharmacy to distribute medications and provide patient consultations with a pharmacist via telecommunication technology. The program is monitored and regulated by the State Board of Pharmacy. Without a nearby pharmacy, residents of Kendrick would be forced to drive more than 20 miles to fill a prescription.

"We value the well being of the community and feel the pharmacy is an essential part of health care in Kendrick," said Kara Besst, CEO of Gritman Medical Center. "We are pleased to be partnering with Bengal Pharmacy to provide an important service."

The pharmacy will be staffed with a certified pharmacy technician with video supervision by a licensed pharmacist. Clients receive medication prepared under the supervision of a licensed pharmacist, and can receive a private consultation with the pharmacist via video conferencing or telephone.

Come join us between 1pm and 4pm to meet some of the members of ISU, Gritman Medical Center and Bengal Pharmacy.

Thank you on behalf of
Bengal Pharmacy
ISU & Gritman Medical
Center

A CHOIR of ANGELS MASSAGE CENTER

A new massage center is tucked away on Main Street in Kendrick, Idaho between "Mane Street Studio" Beauty Salon and inside the Simple Joys Antique Store. The Massage Center is owned /operated by Patricia Rutter. The massage center offers Swedish massage and is open Wednesday and Saturday from 10:00 a.m. - 4:00 p.m. She also has a massage center in Moscow, Idaho, with hours 11:00 a.m. - 7:00 p.m. both are by appointment.

Patricia received her training in 1989 in California at San Francisco's School of Massage. She worked at various places in California for 17 years before moving to Deary, Idaho in 2006. She had always wanted to live in the country and Deary seemed to fit that dream. Patricia is active in the Kendrick Hill & Valley Garden Club, she has always loved to grow vegetables and has an orchard at her home that she enjoys taking care of. She also is a freelance writer and has a CD, "Nature's Party" containing Folk music at the Simple Joys & Antiques.

Services offered at A Choir of Angels Massage Center are Swedish Massage, Foot Reflexology, Hot Stone Massage, Deep Muscle Massage, Hot Towel Neck Wraps, and Pregnancy Massage (after 1st trimester).

Patricia feels a main benefit of Massage is the reduction of stress and is especially beneficial in the winter when we need to give extra attention to our well-being. The more technological we become as a society, massage is very important to de-stress.

Appointments can be scheduled by calling 208-413-4773 for either the Kendrick center at 609 E. Main St, Kendrick, ID. or the Moscow Center located at 106 E. Third St. Rm. 1C, Moscow, Idaho.

Simple Joys Antiques & Gifts

609 E. Main Street, Kendrick

Phone: 208-289-2614 ~ Email: simplejoys@tds.net

Regular hours resume in March.

Open Tuesday through Saturday 10 - 5

We have made the very difficult decision to discontinue offering bedding plants. We are sorry for any inconvenience this may cause to our community.

The Massage Center is open inside the shop on Wednesdays and Saturdays. Call Pat Rutter, LMT at (208)413-4773 to book your appointment.

Ken Wightman, ND is available inside the shop on Wednesdays or by appointment. Call (302)495-9620. "Like" us on Facebook for updates and specials.

LCYAC Awards Night & Talent Show

The Latah County Youth Advocacy Council (LCYAC) is holding its third annual County-Wide Awards Night & Talent Show on Wednesday, April 25th at 6:00 pm in the Kenworthy Performing Arts Center, 508 Main Street, Moscow, ID. Again, this year, the visual artwork will be included in the talent show.

Talent Show Auditions will be held on Friday March 23rd at the Emmanuel Lutheran Church in Moscow, ID. Students in Grades K-12 are eligible to audition with traditional and non-traditional talents (hand claps, extreme hula hooping, tricks, etc.) Present artwork for review during the Artwork Drop Off by Thursday March 8th at the Latah County Annex Building, 200 S. Almon St. Moscow, ID 83832.

Talent and Art Application forms are available at both JES and KHS. Application forms must be completed and turned in no later than Thursday March 8th, 2018.

This annual event offers local youth an opportunity to display their special talents, and community members are encouraged to attend the show and cheer on the performers. It is also a fundraiser for the LCYAC, with proceeds supporting the important work of preventing youth substance abuse.

If you are interested in helping to sponsor the show, or if you would like further information, please contact the staff at the LCYAC office at 208.883.2268 or lcyac@latah.id.us

Prescription Drug Take- Back Day

The LCYAC Youth Ambassadors for Kendrick and Juliaetta would like to remind community members of an upcoming opportunity to safely dispose of unused or expired prescription drugs, as part of National Drug Take-Back Day. **Collection place, date and time:**

Saturday, April 28th
10:00 AM to 2:00 PM
Kendrick City Park

This effort is supported by the Latah County Youth Advocacy Council (LCYAC) and the Latah County Sheriff's Department.

**Latah County
Youth
Advocacy
Council**

The 5th annual Awards Night & Talent Show
April 2018
The Talent Show is a one night event showcasing community youth talent and recognizing volunteers in Latah County.
Information on audition dates and times will be posted on our LCYAC Facebook page
Or email us at lcyac@latah.id.us

Lions Announce Locust Blossom Theme

“All Aboard the Locust Blossom Express” will be the theme for this year’s festival. Mark your calendar for May 26th and plan to spend the day celebrating with us. Club members are in the process of designing a **brand new t-shirt** this year which will be available in May. Lion President Jim and daughter Amber are chairing the Locust Blossom this year.

Membership awards were given in January for Doug Harris, 30 years; Jim Cuddy 15 years; and Amber Brocke, Mark Harris, and Dale Renfrow each 10 years.

The Lion’s Club has welcomed a new member, **Eric McDowell**.

Lion Chairman Darrell Brocke reported another successful **blood drive** to save lives was held on February 27.

Titanic Fieldtrip

In November our JES history club went to *Titanic: The Artifact Exhibition in Spokane at the Northwest Museum of Arts and Culture*.

When we first arrived we were each given a boarding pass with an actual passenger's name, age, and what class the person was in. We then walked through the museum and looked at real artifacts recovered from the wreck site of the Titanic and room re-creations.

Fourth grader, Gavin Weddle, said he enjoyed role playing as an actual passenger on board the Titanic. At the end of our museum tour we had to find our name on a wall to see if we survived or died. Dylan Shepard and Marcus Guzman thought touching the chunk from a real iceberg was really cool.

Tanner Clemenhagen liked looking at the model of the Titanic while Ralli Roetcisoender said he got to see what First and Third class rooms looked like.

We had a great time and learned a lot about museum etiquette. We want to thank everyone who supports the JES History Club for making this happen. A very special thanks goes to our bus driver Kelvin for driving all 27 of us to Spokane!

If you get the chance to go you really should. The exhibit will be in Spokane until May 20, 2018.

--Nathan Tweit

March Open House Juliaetta Community Library

March will be our annual Open House and it will take place on the third Thursday, March 15. We will start at 5:00 p.m. with a short business meeting in which everyone is welcome. Our agenda will be a finance report, 2018 facilitator and treasurer appointment, and librarian's report. Beginning at 5:30, we will have refreshments and some games and drawings. Stop by anytime between 5:00 p.m. and 7:00 p.m. and take part. It's our way of thanking you for being good library patrons and also to try to lure some new people in. If you have not been in the library for a long time (or ever), please come check it out, you may be pleasantly surprised and might even win a prize. There will be flyers posted around our community soon to remind you of this event.

Visit our Facebook page at "Friends of the Juliaetta Community Library." We try to keep this updated with Library events and news.

James H. Whiting

Jim was farming with his father, Harl, when he got his draft notice. He had attended school at Cameron and Southwick, graduating with the Class of 1943.

He was drafted into the Army in November 1944. He received his basic training at Camp Roberts, California and further training at Fort Ord, California.

He was deployed to the Philippines and served in the South Pacific. Later he was sent to Japan in the occupation.

He received the following medals for courageous service to his country: Philippine Liberation Medal, Asiatic-Pacific Theater Service Medal, Army of Occupation Japan Medal, Good Conduct Medal, and Victory Medal.

After the war, he returned to this area and married Gladys Silflow on September 23, 1950. The couple has two children: Janis Hoisington and Gina Crosby.

After Gladys' death, Jim married Marge Glenny.

Jim has been a lifelong farmer in the Southwick area. He and Gladys raised their family in their beautiful home on the outskirts of Southwick.

Through the years he has enjoyed farming, traveling, boating, hunting, fishing, and bowling.

Jim currently resides at Brookside Assisted Living in the Lewiston Orchards.

AmazonSmile

By: Lauren Morgan, KHS Student

Many people are beginning to use Amazon for an online shopping source, but have you heard about AmazonSmile? AmazonSmile is a simple and great way for you to support the Kendrick-Juliaetta & 7 Ridges Education foundation every time you shop. This program does not cost you any extra, but at the same time is providing our community with extra funds. When you shop at AmazonSmile, you'll find the exact same low prices, vast selection, and convenient shopping experience as Amazon.com. With the added bonus, Amazon will donate .5% of eligible purchases to the foundation. As of November 2017, the AmazonSmile organization had donated over \$65,000,000 to all of the charities involved. When shopping at AmazonSmile, you use the same account as you would on Amazon.com so it makes the experience even easier. But you may ask, "Do you need to have an Amazon Prime membership to contribute to the foundation?" and the answer is no, you do not need to have Prime in order to use the website. The money donated will go towards things like discovery grants, teaching resource grants, and to use on other expenses. Using AmazonSmile is super easy; simply go to smile.amazon.com, select the Kendrick-Juliaetta & 7 Ridges foundation, and start shopping. Be sure to save the web address in your browser to use every time you shop. Overall, AmazonSmile is a great way to get involved in our community in a super easy and fun way! Thank you for all your support!

If you have any questions feel free to contact Amber Witt at 208-790-8938.

Juliaetta Community Library

By Erin Davis

Hello, from the Juliaetta Library! We are busy down here with current displays and events, come join us and see what is happening! As summer approaches we want to let the community know about a few upcoming events.

First, a very special exhibit is coming in May. We would like to host a "Tiger Pride" display and we need your stuff!!! We are looking to borrow yearbooks from any year, letter jackets, shirts, photos and anything related to Kendrick High school and the Tigers, to create a memory wall inside the library (you will be getting these items back). This will be available for viewing only for the month of May! Just bring your cool items to the library during open hours before May 1st to be included in the display.

Second is an important reminder that our Summer Reading Program is right around the corner and registration begins on May 1st. This is an exciting and fun program, open to kids ages 0-18. More information will be available in April. Stay tuned to our Friends of the Juliaetta Library Facebook page for more details on these events and more!

We also would like to announce our winners for our Winter Art Contest:

Slushies

1st place: Morgan Boyer

2nd place: Aubrey Patterson

Blizzard

1st place: Kolby Chamberlin

2nd place: Kassidy Chamberlin

Snowburst

1st place: Danika Koopman

2nd place: Beth Seegmiller

Flurries

1st place: Lael Miller

2nd place: Clara Chamberlin

And the random prize (season pass to the Kendrick pool) winner is Ethan Seegmiller.

Thank you to Stella Jones, Phil's Family Foods, Latah Credit Union, Brocke and Sons, Inc. and the City of Kendrick for donating towards the prizes!

For questions about library happenings and events, contact Erin at 208-276-7071.

NezPerce Farmers County Mutual Fire

Insurance Company

Christina White Kochsmeier graduated from Kendrick High School in 1987, after graduation she spent time in Arizona before coming back to the Kendrick/Juliaetta area. Chris married Bobby Kochsmeier in 2008. Chris and Bobby and their family live in Kendrick.

She began working at the Red Cross Pharmacy, Chris worked there from 2007 to 2012. She began working with Rita Blewett at NezPerce Farmers County Mutual in 2012 and obtained her insurance license in 2013. On January 1, 2016 she became the secretary/treasurer of the insurance office and the Contract owner of the Kendrick Liquor Store. Nez-Perce Farmers County Mutual Fire Insurance is a member owned mutual insurance located in Northern Idaho. It has a neighbor helping neighbors structure, the first and last of its kind in Idaho with Rural Idaho protecting Rural Idaho insuring against fire and related peril.

Hours for the Kendrick office are 11:00 a.m.- 6:00 p.m., closed 12:00 p.m.- 1:00 p.m. Monday – Saturday.

Southwick Community Center

Thank you to all who were able to attend the SCC Enchilada Dinner & Dessert Contest 2018! We had close to 50 people participate in the evening!

We hope everyone enjoyed the meal and most importantly the desserts! This year's winner was Judy Sanderson whose name is engraved on the community plaque. Doug Harris came in second (again) and Gayle Marek in third place. Again, thank you to all who attended and to those that brought desserts to share!

And please add **August 18, 2018** to your calendar for our Annual Dinner and Fundraiser with our Favorite band Bluegrass!

Kindergarten

KINDERGARTEN REGISTRATION

&

to schedule your appointment time**

**Pantry Truck Hours
Changing
Starting March 6 Hours will be 10 AM
to Noon
First Tuesday of every month**

FOOD BANK

The Good Samaritan Food Bank began in 1985 at the Methodist Church in Kendrick, ID. having clothes and food to give to people in need. In 1995, Christmas Baskets were made by volunteers in the community . In 1998 gifts for the children were added to the Christmas baskets. A community meeting was held in 2001 at the Senior Citizen Center to discuss reviving the Food Bank. It was felt there was a need and the Food Bank has been going ever since. The first board consisted of Jeff Nelson, Pat Holt, Loeda Reil and Wilma Larsen.

The location of the food bank has changed from different locations, mainly because of the need for more space. It is now located in the basement of the Juliaetta Community Center in Juliaetta, ID. The current board is Larry Haylett, Bud Holt, Loeda Reil, Cindi Cope and Jerry Galloway. The hours are 1-3 p.m. every Friday afternoon.

Food is supplied by Idaho Food Bank in Lewiston, ID. Many organizations, churches and individuals donate food and monetary gifts. A fraternity from WSU, Alpha Sigma Mu has had 2 food drives which has brought 2000 pounds of food on each food drive in 2017. Kendrick's Primeland and Palouse Cares of Moscow give monetary gifts, University of Idaho donated surplus food thru Palouse Cares. Winco Foods donates day old bread and Phil's Family Food donates vegetables. The community has been a big supporter of the Food Bank

The Food Bank operates on volunteer help, currently there are 15 volunteers. Anyone wanting to volunteer, can contact Larry Haylett or any board member.

One misconception some people have, is they think they are taking from others but there is plenty for all, everyone is welcome . Some people who have used the Food Bank have become supporters and volunteers.

Bud Holt and Larry Haylett organizing the shelves

JKHF Hosts History Club

Several members of JKHF are busy writing a book of short stories of interest to people in this area. It has been several years since we have published anything.

The museum had guests February 12th when the history club visited. Jan Patterson and Sharon Harris presented the tour. The group enjoyed looking through displays and of course hearing stories of the past. They were an energetic and enthusiastic group. Sharon Harris

What's Going On with the Community Library Project?

Many hands contributed to making this past Christmas season's Second Annual Light the Park a big success. The CLP is planning more fun events this summer. We hope to hold an Ice Cream Social once the weather warms up. We are also planning a Movie at the Park night, where a family-friendly movie will be screened at Centennial Park. The dates for these events are to be determined, and these will be fundraising efforts. All proceeds benefit your new community library. Look for more information in the next community newsletter.

The next step for the CLP is to develop room descriptions so we can create a Request For Proposal to present to an architect. We are searching for an architect at this time, preferably a local person who would donate his or her time to our cause.

The CLP is always happy to welcome new volunteers. If you're interested in being a part of building a new community library, please come to our next meeting Tuesday, March 6 at 6 pm at Juliaetta City Hall.

-Wendy Sandino

CLIP AND SAVE CALENDAR

March

- 1 Hill & Valley Garden Club Grant Applications available
- 6 Community Library Project meeting- Juliaetta City Hall
- 8 Kindergarten Registration & Child Find Screening- JES
- 11 JK Volunteer Firefighter Breakfast- JES 7-11am

Kenworthy Performing Arts
- 28 Prescription Drug Take Back Day
10-2pm Kendrick Park

At the Museum

Molly Luke has finished the interior sheet rock repair from the flood damage that was incurred last winter. Thank you so much, Molly.

Ivar Nelson will present his work on the **Civilian Conservation Corp** at Kendrick at the Grange Hall on April 12th at 5:30 pm. Mark your calendar. This is an extremely interesting presentation. JKHF will cohost with the Juliaetta Library. The event is made possible by the Idaho Humanities Council.

You will be welcomed with a new **feather flag** to let you know when the Museum is open. Watch for our new flag.

We thank **Matt Ihm** for the **1952 Potlatch Telephone book**. It has been stirring up a lot of interest on our Facebook page.

The oak framing has been completed around the timeline at the museum. It is very attractive and a nice addition. Thank you **Fast Signs**.
