September/October

What's Happening

Kendrick-Juliaetta and 7 Ridges Community News | kj7newsletter3@gmail.com

As many of you may know our dear friend, Fritz Fliger, has been diagnosed with ALS. Fritz grew up in Juliaetta and graduated from Kendrick High School in 1981. He married Cindy Stockard in 1986. They raised their children, J.C. and Kayla, in the Juliaetta/Kendrick area and now enjoy spending time with their three young grandsons. When you think of Fritz Fliger you think of hard working, loyal, and an all around family man.

We invite you to join us **Saturday, September 29** at the VFW Hall in Kendrick for the **Buck Off ALS Benefit** sponsored by the Pat Rush Medical Assistance Fund where 100% of the proceeds will go directly to **Fritz Fliger** to help offset his medical and living expenses. Doors open at 5:30 pm with a pulled pork dinner and all the trimmings. After dinner get ready to bid on a silent or live auction item. We will then find out who the lucky winners are of the **ATV and custom rifle**. Dust off your cowboy boots to dance the night away with live music provided by the 7 Devils Band.

All parking will be at Kendrick High School with complimentary shuttle service.

Dinner tickets are \$30 per person and can be purchased at Archie's, Latah Credit Union, or the Kendrick Liquor Store.

Can't make the event but want to show your support? Mail your donation to Fritz Fliger Benefit c/o PRMAF P.O. Box 25 Kendrick, ID 83537.

On behalf of the Fliger family we thank you in advance for your support and hope to see you at the event!

Angie Tweit

BUCK OFF ALS
FRITZ FLIGER BENEFIT
SATURDAY
SEPTEMBER 29

TICKETS \$30

DINNER WITH BEER/WINE
LIVE & SILENT AUCTIONS
-4-WHEELER RAFFLE
LIVE MUSIC

VFW HALL KENDRICK
DOORS OPEN AT 5:30 PM

100% OF THE PROCEEDS WILL GO DIRECTLY TO FRITZ TO HELP OFFSET MEDICAL AND LIVING EXPENSES.

FRIENDS OF PAT M.A.F.

The Friends of Pat Rush Medical Assistance Fund was originally created to help offset Pat's medical bills during her battle with leukemia. Pat was overwhelmed by the support and generosity of the community. She agreed to accept the funds with the stipulation that it be shared with other local families in need. Thus, the Pat Rush MAF was created, with a charter to financially assist Kendrick and Juliaetta residents who are facing catastrophic medical issues from either a terminal illness or life-threatening injuries caused by an emergency or disease. PRMAF is a NON PROFIT 501 (c) (3)

TICKETS AVAILABLE AT LATAH CREDIT UNION & KENDRICK LIQUOR STORE

JULIAETTA CLASSIC CAR SHOW & BLACKBERRY FESTIVAL

The blackberries are ripe and ready to pick so that means it must be time for the Annual Classic Car Show and Blackberry Festival at the Juliaetta Centennial Park on Sept. 8th, 2018. The Antiques (Grand Marshals) selected for this year are Cynthia Nye, John and Andrea Carol. They will be at a tent on the grounds for people to be able to chat with them. We have many activities planned and would love to see a large turnout. Food will be available – both breakfast and lunch and many baked goods featuring blackberries (pies, scones, jam and much more). This year we are expanding our events and activities. We are excited to announce the addition of our

first ever dachshund races. The fun will start at 10:30am with great prizes awarded to the winners. New also this year is a CornHole tournament. Generous money prizes are available to win. This event will kick off at 12:00pm. Several vendors will be at the park with exciting items for sale. Come buy a raffle tickets and enter to win one of our many prizes including a beautiful handmade quilt. For further enjoyment - music featuring local artists Mark Maland and Keith Ochoa will be playing throughout the day. So come and tap your toes, enjoy seeing classic cars from yesteryear and treat yourself to some good food and maybe even win a prize or two. A schedule of the day's events is listed below. Hope to see you there!

Breakfast	7:00am
Car registration	8:00am
Dachshund Races	10:30am
Music	11:00am
BBQ Lunch	11:00am
CornHole Tournament	12:00pm
Car Trophies awarded	3:00pm

Happy 10th Anniversary to Us!

Our newsletter has been in publication since June 2008... a full decade of news and information connecting the members of our community and the organizations that serve it. The need for this kind of local communication outlet was identified in a "Community Visioning Rally" sponsored by the Horizons Program in 2007, and our Publication Team has been hard at work ever since, bringing each issue together and mailing copies to 1,100 households in the KJ7 area. This is an all-volunteer effort, and everyone involved should be so proud of their accomplishments!

Over the years, our format and content have evolved to meet changing needs and tastes, and to take advantage of new opportunities. Here are a few of the developments you may have noticed:

- Increase from 4 to 6 issues each year, with larger page count
- Business Section, featuring articles about new and existing local enterprises
- Meet Your Neighbor section, featuring interviews with community members
- Contributions by youth writers; school staff have encouraged students to write and contribute
- Kendrick High School Senior Class photos featured each May
- Advertisements, to boost local businesses and help offset the cost of printing and mailing
- Digital version available for download on the KJ7 Community Development Association and City of Julianna websites
- Extra copies available at Archie's (on the shelving in the foyer at the entrance)
- Mailing list for people living beyond the community has grown to more than 60 members.

The Publishing Team is so grateful to all who have supported production of the newsletter in various ways, such as:

- Financial support from community members, organizations, and businesses
- Support from our local advertisers
- Contributions by writers
- Help with collating newsletter issues
- Contribution of used printer ink cartridges, which we can redeem.

Without your help, we wouldn't have a newsletter! This is a community effort with so many unsung heroes... all working together for a common cause. Nevertheless, we would like to give special acknowledgment to a few who have gone the extra mile: to Sharon Harris for the multiple articles she contributes to each edition, helping to keep us all well-informed; to Larry Haylett for the hours he spends printing the newsletter and managing the rebate programs that allow us to purchase paper and ink at a savings, as well as for making those purchases; and finally, to Barbara Murphey for her central role in organizing submissions, contacting writers with story suggestions, providing reminders of deadlines, and editing and formatting the newsletter.

What a great team, and what a wonderful result!

Happy Anniversary to all of us, and to our community newsletter!

The Cost of Printing Your Free Newsletter

\$7270 is what it could have cost in 2017 for the paper and ink for the "What's Happening" newsletter. We do everything possible to keep the cost down but it still adds up. One of the ways we try to keep the cost down is by using the 5% reward program through Staples. With that program we saved \$1024. We compare the price of cartridges with other places and take advantage of Staples 10% price match guarantee. These are two things we do but you can also help us keep our cost down. Each empty cartridge you give us saves us \$2 when making a purchase. That may not seem like much but with all the cartridges we received last year it totaled \$594. With applying these savings we were able to bring the \$7270 down to \$5652, a saving of \$1618. We appreciate your help in keeping our cost down in the past but for the last few months we have only received a handful of cartridges. Please do not think those one or two cartridges don't make a difference, for those one or two last year were a part of that \$594 savings. -Larry Haylett

Marek Ranch Receives Century Farm Award

Pictured: Representative Mike Kingsley, Senator Dan Johnson, Tom and Gayle Marek, Sarah and Ben Marek, Zoocy and Clark, Jake and Cutter Marek, Presenter, Earl Bennett

On June 9, 2018, the Marek's held their annual Marek Hootenanny at their home. In conjunction with ICARE the local cancer fundraiser, the Marek's were awarded the Century Ranch award from the Idaho Historical Society. The purpose of a Century Farm award is to honor families who have lived on their ranch/farm for 100 years. We are happy to announce that with the silent auctions and quilt raffle nearly \$1400 was raised to help local cancer patients. The local band, Last Ride, provided the musical entertainment. They have volunteered their talents, for the last three years to this event.

Unlike most recipients, the Mareks were awarded the plaque and sign for a ranch, not a farm. Also unusual, according to Mr. Bennett, the inheritance came through the female lineage, not the males of the family. He told us as far as he can recall ours was the first out of some 400 awards in Idaho where this is true. Less than one half dozen century awards have been given in Clearwater County to date.

In 1888 George and Laura Marlatt Crabb homesteaded on what is now known as Teakean Butte. Laura was a school teacher. They raised three daughters: Altha, Daisy, and Viah. Altha and Viah were school teachers in many of the local rural schools. Laura Stage Adamson, Daisy's daughter, was also a longtime school teacher first in this region and later in the Kooskia schools. All three are listed in the book *School Bells and Ink Wells*. Following in their footsteps, I also have a B. S. in Elementary Education from LCSC.

My father, Charles R. (Bud) Adamson operated the ranch from the late 1950's until his death. Tom and I assisted with the livestock including raising horses, cattle, and mules from 1972-2014. The ranch is now leased to Dale Wolff for pasture ground and Ben Hasenhoerl for the farm ground. Teakean Butte is the main site of many repeater stations for cell phones, and internet as is Bonneville Power, etc. What started out as a "rock pile that wouldn't support a goat" is now considered a national security site.

Daisy Stage purchased land that joined the original homestead. Bud and Laura Adamson also purchased additional acreage. Laura inherited property from her mother Daisy and her Aunt Viah. Gayle inherited Altha Rathbone's share of the homestead. After Bud and Laura passed away, the Marek's inherited all of the properties.

Some people have asked why not sons in this mix? Altha and Charley Rathbone had a son Early but he made railroad his career, and he and his family did not reside at the ranch. Viah Dancy Dodge had a son Lloyd Dancy, but Air Force was his career, and he and his family did not live at the ranch either. Laura had a brother Ralph Stage, but he was killed in a logging accident at age 29. He and Torah had a son Frank, but he had no children and is deceased. There are no family members named Stage in this area to carry on that part of the family name. Laura had two daughters, Sandi and myself but Sandi did not stay in this area, except hit and miss for most of her life, and now lives in Montana. Tom and I have two sons, Jake and Benn and their families. Both live in the Southwick area. We have five biological grandchildren and three step-grandchildren.

KJ Distinguished Young Women

On October 20th from 9-2 at the Kendrick High School the KJ DYW will be holding their third annual Fall Craft Mall Vendor event. We will be serving lunch from 11-2. There will also be pie available for purchase! We are expecting a wide array of vendors to fill all of your holiday shopping needs. All the proceeds will go to help out the KJ DYW with scholarships and putting on the program. We hope to see you all there!

Taylor Dennler Gardens Annual Pumpkin Squash and Gourd Sale (PSG Sale)

Juliaetta, ID – The public is invited to attend the Annual Pumpkin Squash and Gourd Sale to be held on Saturday, September 29th at 9am-5pm and Sunday, September 30th at 9am-4pm, at Taylor Dennler Gardens, 1041 Dennler Loop, Juliaetta, ID.

It is possible that a third sale day will be held on Saturday, October 6th if inventory warrants it. Please check our Facebook page for updates!

For further information about the PSG Sale, please contact Polly Taylor Dennler at taylor-dennler@tds.net or 208-790-4583.

Special Features:

- Unique, creative displays including many varieties of pumpkins, squash, gourds and flowers
- Display garden with gourd tunnel, pathway through broom corn, and seasonal artistic creations
- Wreaths for sale made of wheat and other natural materials

Over 100 varieties of pumpkins, squash and gourds for sale!

Of special interest to:

- Photographers, artists and crafters
- Gardeners and decorators
- Cooks in search of unusual pumpkin and squash varieties
- Kids who love pumpkins
- Elders who crave healthy squash!

Please bring boxes, bags, baskets, or packing containers of any kind to carry your produce home – we often run out of receptacles!

North Idaho Custom Creations Est. Dec 2017

North Idaho Custom Creations is owned and created by Lane Burnette residing in Juliaetta, Idaho. Every piece is handcrafted, and designed by Lane, most popular items are vinyl apparel like sweat-shirts and t-shirts, custom stainless-steel cups, large painted signs indoor and outdoor. I have personalized memorial lanterns, wood signs, vehicles, baby blankets, and personal gifts galore. Discovering inspiration and being intrigued to start a network of my passions and hobbies, I finally began my official business 4 years ago. **North Idaho Custom Creations** is categorized as craft to many, but it's so much more. I love being able to construct and design ideas from myself and others that they love to use as decor to hang or sip, or create a memory. I am happy to recreate complete or new creations. You can see many of my finished works on Facebook. Check out this website: <https://www.facebook.com/NorthIdahoCustomCreations/> to see my business card, and a few photos of what I have done. I always have something in inventory, and also keep a small shop within Razors Edge in Troy, Idaho. I attend vendor events like the Winey Wednesdays in Troy, and the Saturday's Day Out in the Kendrick Grange Hall, that are about every 3-4 months. I also own "Take a Trip2Day", that accommodate clients in near or far travel needs, and "Lane's Healthy Essentials", that focuses on some of the worlds new advancements in health and beauty.

Scheduled Events:

BlackBerry Festival: Sept. 8, 2018 (Centennial Park, Juliaetta ID)

Winey Wednesday: Sept 12, 2018, 5pm-8pm (Umpqua Bank, Troy, ID)

Troy Craft Fair: Oct. 13, 2018, (Troy Elementary School, Troy, ID)

KJ DYW Craft Mall: Oct. 20, 2018 (Kendrick High School Gym)

My holiday vendor events TBA (go on my Facebook page to check events) ***Winter wonderland, Ms. Clause Bazaar, Christmas Extravaganza, Holiday Bazaar, and the Winter Bazaar, Pride of Clarkston annual craft fair****

New Faces At Our Schools

By Kennadie Shaber

Kendrick Jr./Sr. High School would like to welcome Drew Eggers as the new school counselor and Jeremy Cerovski as the new junior high Language Arts teacher and IDLA coordinator.

Mr. Eggers comes to us from a position at the independent living retirement home Garden Plaza in Post Falls, ID, where he worked for five years. During this time, he also attended North Idaho College and The University of Idaho, where he earned a bachelors degree in English. Working at the independent living community renewed a passion for counseling Mr. Eggers had when he was in high school, so when he heard about the school counseling position opening here in Kendrick, he decided to pursue his passion. While here in Kendrick, Mr. Eggers is also working on a Masters of School Counseling through Adams State University in Colorado. When Mr. Eggers is not working or studying, he loves to spend time outdoors, play the guitar, listen to music, and travel. Mr. Eggers just returned from a trip to Europe with his fiancé, where he visited seven countries, including France and Germany.

Mr. Cerovski comes to us with bachelors degrees in German, English, Education, and Business Management from Montana State University. He also has a masters degree in Curriculum and Instruction and a PhD in Leadership from Capella University. When Mr. Cerovski is not in school, he also works as a carpenter and a photographer. If he isn't already busy enough, he runs a small saw mill on the side. In his life, Mr. Cerovski has lived in many places around the world, but his favorite places were Montana and Slovenia. When Mr. Cerovski lived in Michigan, he played hockey for a number of years.

Kendrick Jr./Sr. High School would also like to welcome Kennadie Shaber as a student teaching intern. Kennadie is a senior at the University of Idaho, where she is finishing up a degree in Secondary Education with an emphasis in English. She will be teaching alongside Mrs. Ingalls through December, at which time, she will graduate with her bachelors. After graduation, she hopes to continue her education and earn a Masters of Educational Leadership, so she may one day work as an administrator. In her spare time, Kennadie enjoys backpacking, fishing, and camping, and true to her nerdy nature, she takes any opportunity to sit down and read.

New Email Announcement

The Newsletter Publishing Team

has a new address for submissions and communications, effective immediately! Please add it to your address books, and send all future correspondence to this address:

kj7newsletter3@gmail.com

We value our connection with our writers and readers very highly and want to be sure that the lines of communication are always open. Thank you very much for your cooperation, and we apologize for any inconvenience.

KJ7 Education Foundation Community Building Day

5th Annual Community Building Day!

We can hardly believe it has been 5 years since the KJ7 Education Foundation first partnered with Kendrick High School for our annual Community Building Day, which will be held this year on Friday, October 5th. We are very pleased that this has become such a popular event among community members young and old, and we are looking forward to a big turnout again this year!

The half day event offers a chance for high school students to join in supporting the community by helping out with painting, gardening, moving and cleaning tasks—wherever their assistance is needed. Local organizations propose projects for students to work on, and community members get involved by volunteering as facilitators, or providing refreshments. You too can be a part of the action... If your organization has a project to propose, or if you would like to offer guidance and supervision or treats for the volunteers, please contact KJ7 Education Foundation Board Member, Amber Witt at 208-790-8938 or anwitt04@gmail.com

Discovery Grant Applications Deadline Approaching!

The KJ7 Education Foundation offers grants to fund projects that students design themselves to explore an area of their special interest. A number of grants were awarded last semester, on a wide range of fascinating topics.

Application Deadline for Fall Semester: October 15th

Please encourage students K-12 to apply! The application process is simple, and a teacher/advisor is chosen by the student to oversee project design and completion. Forms may be downloaded from our website at kj7educationfoundation.org, or requested from a teacher at JES or KHS.

The Foundation Board is looking forward to reviewing another exciting batch of applications this semester, and funding many grants for students' independent study.

2018 KJ7 Summer Picture Contest

With Summer 2018 coming to a close, the Kendrick Juliaetta and the 7 Ridges Community Development Association is pleased to announce our 2018 Summer Picture Contest! We are asking community members to enter in one of their best pictures from the summer to be considered for the grand prize! Submissions will be featured and archived on the website so that our community's view of this summer can be remembered forever! Furthermore, the photographer of the picture that best captures this summer in their picture will be awarded with a \$25 voucher redeemable at local businesses. We invite you to submit one picture per person on the KJ7CDA Website with the "Submissions" link at the bottom of the page. Your picture must be submitted by Saturday September 22 to be considered for the \$25 prize. Other people can be in the picture with consent, but the picture must be taken in a recognizable part of the surrounding area with context; e.g. a picture of your cat in your home should not be submitted, but a picture of your cat cooling off in the park is acceptable! The contest will be judged by members of the KJ7CDA. We look forward to seeing all of your pictures! Good luck!

-KJ7 Community Development Association
-Layne Harris

Let's Light the Park!

The holiday season is quickly approaching and we're already thinking about the lights at Juliaetta Centennial Park. We're going to get a head start on decorating this year; the first decorating day will be Saturday, October 20, with an organizational meeting at 9:00 am in the pavilion. A second work day is planned for October 27, and the man lift will be in the park November 3-4 when we'll raise the lights to the tops of the trees. We're always looking for donations and volunteers! If you'd like to help out, contact Nick Anderson at 276-4126.

Local VFW meets on the 2nd Thursday of each month at the VFW Hall at 7:00.

Meetings are scheduled for September 13th and October 11th

Pastor's Corner

Cameron Lutheran Church News

In the book of Mark, Chapter 9, we read about a man who brings his son to Jesus for healing. He had initially taken him to the Disciples for healing but they couldn't heal the son. So now he stands before Jesus with his son seeking healing in order to make the son whole again.

The first thing that occurs is for Jesus to lament to them, "O Faithless generation, how long shall I be with you?"(v19) This could easily apply to our current generation, "O faithless generation". It doesn't take much looking around to see how lost this generation is from God.

But, then Jesus has compassion for the father and the son, "Bring him to me."(v.19) Jesus sees the pain the son is in as well as the pain it is causing the father. Jesus then asks questions of the father concerning the condition and length of illness the boy has suffered.

Then Jesus speaks the key words in the whole story, "If you can believe, all things are possible to him who believes." (V23) Jesus can and will work miracles for anyone who chooses to believe in Him and will come to him with their broken pieces. It's like putting together a puzzle. I have a daughter who, when she was younger, loved to put puzzles together. As it became too complicated she would break or cut off the little nubs to make the piece fit. The problem with that was although the piece would then fit, the puzzle didn't look like it was intended to look. We tend to cut off pieces and make notches in our lives in an effort to make the pieces go together. The pieces may fit at the time but the ending result is far from what God intended for our lives. In this story the father cries out to Jesus, "Lord, I believe; help my unbelief." (V24) He knows Who can put his son back together and make his life whole again. This also would bring wholeness to the entire family as broken lives effect our loved ones, friends and family.

Ultimately Jesus heals the son and he is made whole again. The Disciples didn't lack the power to heal the son, the father lacked faith in Jesus. That's where many of us fall short. Jesus can put any person's life back together. There's nothing he can't forgive and no one so broken they can't be healed. Jesus can take all our broken pieces and make something beautiful out of our lives. He knows how the puzzle pieces go together. He doesn't cut corners. He can make us whole again. We just need to have faith and ask. Jesus wants only the very best for us and for us to refuse that best we are only hurting ourselves and those who love us. It only takes a prayer, "Lord, I believe; help my unbelief."

Pastor Carolyn Savell

The summer has flown by with all its hot, smoky days, and it's time to begin thinking about fall activities. At Cameron Lutheran, our fall worship schedule will begin on Sunday, September 2, with services moving to 10:00 a.m. Since that's a holiday weekend, Sunday school classes will begin the following week, Sept. 9, at 9:00 a.m. with worship to follow at 10:00. Adult Sunday school will begin Sept. 16 at 9:00 a.m. All children and adults are invited to participate in these classes!

The annual Cameron turkey dinner and bazaar will be held Saturday, October 27 at the church. Dinner will be served from 5-7:00 p.m., with the auction to follow. Dinner is, as usual, turkey carved right there in our kitchen, plus all the trimmings, including dressing-from-scratch, mashed potatoes and gravy, squash, home-made cranberry relish, pie.....are you hungry yet?!? Part of the fun is seeing people who come from all over the area, getting a chance to visit with them and with old friends. The auction will include hand-stitched quilts and many other craft items. Add this date to your calendar!

Rehearsals for the Christmas cantata will begin in October – stay tuned for dates. Anyone who likes to sing is MOST welcome.

Over the course of the summer the church has been collecting school supplies that will be placed into school bags for children in need everywhere. It's called Project Hope, and all bags will be distributed by Lutheran World Relief. It seems almost unbelievable to us, but families in many areas of the world have to choose between eating or sending their kids to school. These bags contain pens, pencils, erasers, rulers, notebooks, crayons, rulers, and pencil sharpeners, and the bag contains enough supplies for a child for the school year – in a sense, it's sort of a scholarship. People have been very generous, and we hope to send 65-70 kits. The fabric bags are made by the church members, and some of them are quite colorful. It's an annual summer project which is so satisfying when LWR sends out pictures of those kids with their huge smiles holding up their wild bags! Any supplies left after the kits are assembled will be donated to Juliaetta Elementary.

For any questions about events at Cameron, call the church at 208-289-3471, or Pastor Craig Groseclose at 208-289-3472

Juliaetta Community Church Fall Line Up

Our fall Bible study will begin September 12, 5:00 PM at the parsonage on McGary Grade. We'll continue looking at the Minor Prophets.

Sunday School will continue at the usual time of 8:30 to 9:00 every Sunday morning, followed by our 9:00AM Worship Service. The first Sunday of the month we celebrate Communion and the third Sunday of the month is our regular potluck fellowship following the morning worship service.

Check out our Facebook Page, we'd love to have you "Like" us. We try to post any changes in schedule or updates on a weekly basis.

Sunday, September 9, at 2:30 PM

Aunie Ouderkerken will be teaching us to create Glass Garden Sculptures. You'll need dishes, cups, teapots, glass vases, etc. any glass you really like, but no longer use, a tube of E6000 glue in clear. If you use a Michaels or JoAnne's coupon you can get the glue for around \$2.50. Aunie will have additional glass pieces that can be used to help with your sculpture. The sculptures will have to be left at the church overnight to dry. Any questions please call Aunie at 208-791-4710 or Randy at 208-276-4510 or 208-310-5153.

THE GOLD HILL COMMUNITY CHURCH NEWS

Kathy Cassin

On Sunday, September 9th, the *Cowboy Balladeers* from Lewiston will present musical selections for the community at the Gold Hill Community Church up on Cedar Ridge at 10:00 AM. All are invited to between an hour and an hour and a half religious musical program followed by a potluck brunch. The Church is located on the right, at the end of the paved portion of Cedar Ridge which becomes Linden Road. It is the white church with the red roof that you can see from the road.

Currently the Bible study is held at 6:00 in the evening except for the evening of the concert. Beginning October 14th the Sunday Bible study will move to mornings at 10:00 am through the winter months. A potluck is generally held the first Sunday of every month.

The members of the church are currently putting together a Bible quilt (approximately 90 inches by 108 inches) that will be raffled off sometime next year, probably at the fall Friendly Neighbor Dinner. The squares are each symbolic of 96 individual Bible passages and are English pieced squares. The winner will also receive a copy of the book which explains each of the symbols and identifies the relevant Bible passage. There will also be a key to the quilt design. The chances are 1 for \$1.00 or 6 for \$5.00. Once it is completed, the members will begin selling the chances. A picture will be posted to the church's Facebook page. Contact Jeanette Cuddy (208-289-4640) or Kathy Cassin (208-289-4640) for more information.

Fit and Fall Proof TM Exercise Class

Would you like to improve your strength, balance and general mobility? This program is designed for seniors. Come join us at the Kendrick United Methodist Church basement on Monday and Wednesday mornings from 10:00-11:00am. Both men and women are challenging themselves. During the initial 10 week period, every single individual showed improvement in their mobility! When asked, this is how they describe their time together - Invigorating! Fun! Satisfying! Concentration! Inspiring! Fellowship! Healthful! Stimulating! Sweating! You are welcome to join us! Classes are free. You may contact Becky Witt at 208-289-3045 for any questions.

Kendrick Methodist Church Annual Harvest Festival

You are invited to the annual Harvest Festival. This year's festival will be held on Saturday, November 3 at the Kendrick Methodist Church. A ham dinner, with all the trimmings, will be served beginning at 5:00 pm with the charge of \$10.00 for adults. Come and share a delicious meal, wonderful fellowship and fun with people from the Kendrick area.

The Piecemakers Too Quilt Group of Kendrick

Kathy Cassin

The quilt group is gearing up for the fall through spring quilting season in which they gather together to share techniques, ideas, and help on big projects. Machines are getting their annual cleaning, fabrics being sorted, and quilting rooms at home getting organized. Not that individuals really quit for the summer, because nothing could be further from the truth. But the excitement is building for yet another year of coming together, the modern version of a quilting bee.

The group meets on both the 2nd and the 4th Thursdays of the month between 10:30am and 2:00 pm at the Kendrick Methodist Church on Main Street. You can come and stay as long as you want between those times. Parking is across the street. Members bring projects to work on, sewing machines, and gear. It is not unusual to see them making several trips across main street until they settle in. Traffic is usually most accommodating. They also bring their lunch to eat around noon.

This group is such a great source of help to someone learning to do some aspect of quilting for the first time. Every meeting is a "show and tell" as well as taking turns presenting a new technique, sharing project ideas, and working on those projects as a group, as well as assisting one another with deadlines that need to be met. Some of the projects have included wheelchair and walker bags for the VA Home, baby quilts for the Life Choices Clinic in Lewiston so that every new mom has a quilt for their new baby, Quilts of Valor, and various other projects for the community as well as donations for the area church auctions.

Anyone interested in joining the group, feel free to stop in. The group is also host to the Quilt Show during the Locust Blossom Festival in May. Annual dues are \$12.00 for the year. The members are from the Kendrick-Juliaetta and 7 Ridges area. Feel free to contact Kathy Cassin for more information (208-289-4640).

JK Senior Meals

Attention Seniors! Join us Wednesdays and Fridays from 11am-1pm for a great tasting meal, good company and occasional live music.

Monthly menus are posted in some of our local businesses. Donations accepted.

Thank you!

Lisa Kaschmitter

News from the City of Juliaetta

Rural Recycling Program Changes

The City of Juliaetta has recently received this notice from Latah Sanitation. They have not provided a definite date when these changes will be implemented.

The Chinese Government imposed new regulations and is no longer accepting co-mingled recyclables. This has made an enormous impact on the cost to process these recyclables. Therefore changes need to be made to the rural recycling boxes for efficiencies and to avoid the increased fees.

Plastics and glass will no longer be accepted in the boxes. You are encouraged to recycle these items at Moscow Recycling Center.

There will be a box that accepts aluminum and tin cans, mixed in one compartment. The other compartment will only accept mixed waste paper and no cardboard. All cardboard is to be recycled in its own box, clearly marked and not in the mixed paper slot. All material to be recycled must be removed from plastic bags and not tied together. For your information, new signs will be placed on the boxes to reflect the changes. Instructions must be followed to avoid the recycling material being landfilled because of contamination, which will increase cost.

Recently the recycling boxes have been contaminated with unacceptable items. If this continues the boxes may be locked up inside the bulky waste site and only available on the scheduled Saturdays in our community.

Fall Clean-Up

October is clean-up month at the bulky waste site. On October 6 & 20 the site will also accept household trash and plastic items. Please remember electronic and hazardous waste is never accepted at the bulky waste site.

Upcoming Office Closures

City Hall will be closed Monday, September 3, for Labor Day and Monday, October 8, to observe Columbus Day. We will also close Wednesday, September 12, while we attend a conference.

City Council Meetings

Upcoming City Council meetings will be held on Tuesday, September 11 and Tuesday, October 9. Agendas are posted in the window at City Hall one week before each meeting, as well as at cityofjuliaetta.com. The public is always welcome to attend these monthly meetings. Remember, if you have an issue you would like to have added to the agenda, you must contact City Hall at least 48 hours in advance.

Life Skills Classes

These are classes that will be offered at the Church of the Nazarene in Juliaetta. Anyone is welcome to attend the classes that will take place on one Wednesday night of each month. These are set to be two hour classes 6-8 pm. There are no charges for the classes.

September 19> Basic Auto Maintenance. In this class you will learn to check your oil and transmission fluid, check tire pressure and tread depth, change a wiper blade, check your air filter as your vehicle needs to breathe.

October 17th> CPR and First Aid Perry Shove will come teach us basic first aid and CPR

November 14th> Cooking. Learning to measure for recipes. We'll be measuring contents into quart jars to make home made soup. You will go home with a jar of soup mix. We'll discuss meal planning, answer questions about making substitutions in recipes.

December 19> Basic Sewing> In this class you'll learn to sew on a button, put a hem in pants or skirts, mend a seem that has come loose. We'll answer your sewing questions so please bring questions.

January 16th> Cooking 2. We'll continue from the first class and revisit some of what we learned in the first class in case you didn't attend that class. In this class we'll be actually cooking. We'll answer questions about baking.

February 20> Household Budgeting. Making a budget that's within your means. Determining wants from needs. Check writing and keeping a check book.

March 20th> Budgeting 2. Counting change, job seeking, either for a new job or stepping up from an old one. How to interview, questions to ask. How to present yourself for an interview.

April 17th> Sewing 2. Following easy instructions. Perhaps making a quilt block, following a pattern, Taking in a garment or shortening a skirt. Jazzing up a sweatshirt for your kids.

We hope you will come learn with us, ask questions and learn something new. These are times for the whole family to come, so feel free to bring your kids or teens as there is something for everyone. Snack will be available. If you have questions please call 208-276-3640. Messages are responded to as soon as possible. Or email pastor-mom4@yahoo.com

Annual Roast Beef Dinner

"Where are you going?"

"We're headed up Cedar Ridge.

The ridge is absolutely beautiful in the fall of the year. And the food is just amazing! Never had more tender roast beef. And it's all

homemade from scratch. The desserts are scrumptious!! And best of all, you get to visit with family and friends!" "We're in!"

"BE SURE TO SAVE THE DATE."

EVERYONE is invited to the Annual Roast Beef Dinner on **Saturday, October 2nd, between 5:00 – 7:00 pm**, sponsored by the Cedar Ridge Friendly Neighbor Club. Come sit and chat a spell with old friends, relatives, and/or make lots of new friends. And while you are chatting and sitting a spell, you can enjoy tossed salad with a choice of dressings, roast beef, mashed potatoes with gravy, green beans, and plenty of homemade desserts and beverages. The cost is still only \$10.00 /person, \$25.00 per family of four, \$5.00 per each additional child ages 4-16 and those under 3 eat free. We will have on display our annual quilt to raffle and several other handmade items. Chances are \$1.00 / ticket and 6 for \$5.00. We'll also have a sale table for early shopping for holiday gifts or hostess gifts to keep on hand. The Club is located 11 miles up Cedar Ridge. Make sure to make that hard right after the nine mile post, turning onto the gravel road. We are at the top of the hill on the curve. Looking forward to seeing you.

For dinner tickets, raffle tickets, or more information contact Jeanette Cuddy, 208-289-3200, Kathy Cassin, 208-289-4640, or Stephanie Rose, 530-598-6714. Also watch for classes at the Clubhouse on the KJ7's Calendar of Events. – *Kathy Cassin*

City of Kendrick News

Latah County Solid Waste will not be accepting glass or plastic at the recycling bins in town. This is because it now costs more to recycle these items than to haul them to the landfill. You may take these items to the Moscow Recycling Center if you wish. Cardboard, aluminum, tin, and mixed paper are still accepted for recycling here in Kendrick. Please be careful and only recycle the items listed on the containers. No plastic bags are accepted. Thank you

City Clerk/Treasurer
City of Kendrick
(208) 289-5157

National Garden Club Poetry Contest

The Hill and Valley Garden Club would like to encourage local youth to consider entering the National Garden Club's 2018-19 Poetry Contest, with the theme of "Pop Goes the Seed." The goal of the contest is described as follows:

"NGC's Poetry Contest enables our Youth to embrace their creativity through the art of writing. Be imaginative and join the winners to see your poetry in a printed booklet!"

Students in Kindergarten through 9th grade are eligible to enter, and entries must be submitted no later than November 15th to HVGCC, c/o Polly Taylor Dennler, PO Box 289, Juliaetta ID 83535. For additional information contact Polly at taylordennler@tds.net or 208-790-4583. Top 5 local submissions will each be awarded prizes of \$10.00!

Rules:

- All entries must be typed and titled.
- Include name, address, age, grade, and school of participant on the back of entry.
- Poems do not have to rhyme.
- Poems may be traditional verse, acrostics, blank verse, cinquains, diamond poems, limerick, or Haiku.
- Winning entries will be entered in the state-level competition.
- State-winning entries submitted to the national competition will become property of National Garden Clubs, Inc.

Further information about the contest can be found at: <http://www.gardenclub.org/youth/poetry-contest.aspx>
Good luck, and happy writing!

Community Library Project News

The CLP is excited to announce its next fundraiser... a silent auction at this year's Blackberry Festival! We'll be taking bids from 8:00 am to 2:00 pm on Saturday, September 8, on a wide variety of items. All proceeds will fund your new community library. If you'd like to donate something to the auction, please contact Amelia Ware at 289-4361 or Miranda Anderson at 276-4126. Donations will be accepted through September 5. Thank you, and we hope to see you all at the Blackberry Festival!

“Volunteers... Stars of Our Community” Award Nominees

Nominations are coming in for the KJ7 Community Development Association’s special awards honoring volunteers who give generously of their time and energy to help keep our community strong. We are now accepting nominations throughout the year, so please, keep them coming! Every nominee will receive an award, to be presented at a special ceremony in January 2019.

Nominations may be made online at the kendrick-juliaetta.com website, or sent by email to info@kendrick-juliaetta.com A printed version of the nomination form is also available for pick up on the shelving in the foyer at the entrance of Archie’s Restaurant. This form can be sent to us via postal mail to the address indicated.

Congratulations to those nominated in July and August 2018!

HILL AND VALLEY GARDEN CLUB

The club members have started to look to harvest and fall planning. Gardens have been bountiful this season and many are sharing with friends, neighbors and food banks. Thanks to all who have shared their blessings. Although it has been a bountiful season, keeping the community gardens has been a challenge. A huge special thanks to Polly Taylor-Dennler and Dorothy Taylor who have kept the Juliaetta planters and Pink Garden growing and beautiful. We will be cleaning the Kendrick gardens and looking for suggestions on where to plant and types of shrubs to add.

The members will meet Sept 25th at 1PM. Polly Taylor Dennler and Dorothy Taylor will be hosting the meeting at Taylor Dennler Garden’s at 1041 Dennler Loop, Juliaetta, ID. Driving directions from Juliaetta: On Highway 3 or Main street turn on to 4th Street/Juliaetta Genesee Road follow for 4.1 miles, turn left onto Dennler Loop (this is the second sign reading Dennler Loop, ignore the first sign located at 2.6 miles). Proceed on Dennler Loop for .7 miles turning right at 1041 Dennler Loop. All community members are invited. We will begin planning our fall activities to include community and school projects.

The JK 7 Ridges Community is a great place to live. Friends and neighbors come together to help each other. We care about our young and look for many opportunities to give back and help provide experiences that will shape our students and prepare them for the future. We will coordinate with the grade school and high school teachers to find agriculture/horticulture projects for the 2018-2019 school year. We encourage teachers and parents if you have ideas for these projects please contact us to discuss grant opportunities which we will support any way we can.

We have worked with the KJ7 Education Foundation for the last several years. We have sponsored high school students to support the community they live in by cleaning areas, weeding, painting or administrative activities. We look forward to working with the Foundation again this year!

We will be busy the next few months preparing for our annual Wreath sale in December. This event helps raise money that the club uses to provide grants and gifts to our grade and high school students. We also use the money to fund special community projects. Please come join us, meet new friends and help out our community.

The next Hill and Valley Garden Club meeting Sept 25, 2018 at 1PM in the Kendrick Grange Hall. All community members are invited. Please Contact Becky Loomis at 360-359-1628

Perry Shove

JK Ambulance team member Perry Shove has service in his blood. Both of his parents served on JK Ambulance in the 80's and 90's, and Perry has been serving our community since 2003 as a member of JK Ambulance. He is currently the President of the board. In 2003, Perry heard that the ambulance was low on members, and following in the footsteps of his parents, he volunteered to be a driver. But it didn't take long for the team to convince Perry that he could do more. He took a first responder class and became an EMT in 2010. He followed that with an advanced EMT and finally, in 2012, he became a paramedic. Becoming a paramedic was difficult, with required hours of patient contact, time in the ER, and more. He jokes that it took "\$10,000 and 2 years of my life" to become a paramedic. But that work has paid off. Along with volunteering for the KJ ambulance, Perry works for Moscow PACT (Palouse Area Care and Transport) EMS. His volunteer adventure as a driver 15 years ago has turned into a career. JK Ambulance members are all volunteers, but they take their work seriously. Perry says his favorite part of working on the ambulance crew is the camaraderie of the group. "You get to know people in stressful situations," Perry says. And that stress creates strong bonds among the ambulance crew. "We're tight," Perry says. "It's tough to do CPR on someone you know," and working on the ambulance in a small town means that you will probably be working on someone you know—maybe your neighbor, your friend, or even a relative. Sometimes the closeness of the group is intimidating for newcomers, but JK ambulance is always looking for volunteers to help serve our community. "Experience is the bond," Perry says, so getting new people out on calls helps to bring them into the fold. Perry encourages people to get involved. "Don't give up" he says, if you want to become a part of the team. Perry's wealth of experience means he has lots of interesting stories to tell, so the next time you see him around town, ask him about his life as a paramedic. It is clear that he loves being a part of the team that is so very important to the KJ community.

Billy Candler

Billy Candler may be the youngest member of the ambulance crew, but what he lacks in experience he more than makes up for in enthusiasm. His positive attitude and willingness to help others is inspiring. Billy started working on the ambulance in January of 2018, but worked for the fire department for two years before that. He enjoyed his work with the fire department, but he realized that he wanted to be more involved. As a driver, he was only able to complete minimal tasks at the scenes, so he decided to continue his training. He obtained his CPR, AED, and first aid certifications, and even went on for further training in ladders/ventilation, hazmat, and short-handed fire tactics. A 2017 graduate of Kendrick High School, Billy is quite busy when he isn't out on calls. He is a student at LCSC pursuing a business management degree with a marketing emphasis. He also works full time with his dad at AllWeather Wood selling lumber. He enjoys spending time with his family, and he plans to get a place of his own in the Kendrick/Juliaetta area so that he can continue to work on the ambulance crew and serve his community. In 2015, Billy's cousin and best friend, Marine CPL Joshua Barron, was killed in an osprey crash. Billy was humbled by the way citizens of Kendrick and Juliaetta rallied around his family, and he sees his service on the ambulance as a way to give back to the community. He says his favorite part of the job is seeing people "back home, healthy and happy." Billy loves being part of the ambulance team. The crew has made him feel comfortable from the moment he walked into his first meeting. He calls the crew his family, and he appreciates the way they work hard but also have fun. The training is hard work, he says, but he recommends that anyone interested in working on the ambulance crew come to a meeting because the "effort pays off in the end." Individuals must be 16 years old to sign up for the fire department and 18 to work on the ambulance.

Juliaetta Library News By Erin Davis

And just like that: summer is over! Now that school is back in session, we can reflect on all the fun that we had at the library over these last few months. Our Summer Reading Program was a huge success, with 218 kids and 83 adults coming to enjoy our seven weekly events! We had so much fun tie dying, painting rocks, planting plants, tying flies, making slime, learning about our local Fire and Rescue and we were amazed by a magician! We also had two Kindle Fire tablets to give away to our top readers, the winners were Gracie Cothren and Ruth Webb! Special thanks to the Idaho Community Foundation, K-J Recreation Dist., the Friends of the Juliaetta Library, Kendrick Volunteer Fire dept. J-K Ambulance Service, Latah County Sheriff's office, Dana Kelly, Polly Tayler-Dennler and the Hill and Valley Garden Club, Kevin Cleveland, and Cecil the Magician. If you missed out on this exciting program, don't worry, we are planning lots of stuff for all ages during our Autumn/Winter season.

The Friends of the Juliaetta Library would like you to know that their annual book sale will again be held during the Blackberry Festival on Sept. 8th, at the baseball fields in Juliaetta. They have tons of gently used books that will be available for a suggested donation of just \$1 a bag! Come update your home library with cheap reads and join the fun at the Blackberry Festival! The library will also be hosting a rock painting table for kids 12 and under. You don't want to miss out on this awesome community event!

CLIP & SAVE CALENDAR

September

- 3rd City of Juliaetta office closed.
- 8th Blackberry Festival
- 8th Library Silent Auction at Blackberry Festival
- 9th Make Glass Garden Sculptures at Juliaetta Community Church at 2:00 PM.
- 11th City of Juliaetta Council Meeting.
- 12th Juliaetta City Office Closed.
- 13th VFW Meeting at 7:00 PM
- 22nd Summer Picture Contest
- 25th Hill and Valley Garden Club meet 1PM at 1041 Dennler Loop.
- 29th Buck Off ALS
- 29th 30th, Taylor Dennler Gardens Annual Pumpkin Squash and Gourd Sale.

October

- 2nd Cedar Ridge Friendship Neighbor Club Roast Beef Dinner.
- 5th Community Building Day.
- 8th City of Juliaetta Office Closed.
- 9th City of Juliaetta Council Meeting.
- 11th VFW meeting 7:00 PM
- 15th Discovery Grant Application Deadline.
- 20th KJDYW Fall Craft Mall
- 20th Decorating Juliaetta Park Day.
- 27th Decorating Juliaetta Park Day.
- 27th Cameron Lutheran Turkey Dinner.

Belted Kingfishers

look as if they were constructed to match cartoons.

Their ragged crests, distinctive markings, out-of-proportion big heads and heavy bills are unlike any birds other than kingfishers. Both sexes have slate gray heads and backs, white collars and bellies and gray chest bands. The female has a chestnut band below the gray one. Adults are roughly robin-sized with a length of 11 to 13.8" and a wingspan of 18.9 to 22.8".

Kingfishers are found across our continent but are not evenly dispersed. There are fewer found in the central states, but during migration (from Alaska and across Canada to Central America), they may overfly any part of the country. In areas with year-around open water, kingfishers may not migrate at all. You may see a kingfisher in our area any month of the year.

They are extremely specific in territorial needs: clear water with nearby high perches and earth or sandy banks for nesting tunnels. A typical territory is just over half a mile of stream which is vigorously defended against other kingfishers.

The presence of nesting sites is critical to this habitat. Man's propensity for rearranging the landscape has allowed the kingfisher population to expand by providing gravel pits and road cuts suitable for tunnel digging. The nest is positioned from 1 to 8 feet from the entrance of an upward-sloping tunnel. A single clutch of eggs is produced each year.

Young kingfishers have unusually acidic stomachs. The dinners provided by the parents are completely digested, including fish scales, bones and arthropod shells. This chemistry changes by the time the young leave the nest. Adult birds regurgitate pellets of indigestible stomach contents. These accumulate under favorite perches and have been studied to determine diet. Food is primarily fish and other aquatic creatures, occasional quail chicks, and even berries. The fish are caught during dives launched from the aforementioned perches and brought back to be eaten.

The belted kingfisher's call is a loud, non-musical rattle given in flight. You may hear the bird before you see it. It is worth taking time to find the source of the racket for a little nature study, as this bird's appearance and behavior are as interesting as they are unique.
