

# Here's What's Happening

Kendrick-Juliaetta and 7 Ridges Community News

September 2008

## WHAT KEEPS THE FOOD BANK OPEN?

Have you noticed an increase in your monthly grocery bill lately? I'm sure you answered with a resounding yes. At the food bank we have not only seen an increase in the cost of food but also an increase in the number of clients we are serving. Since the first of the year we are adding 1-3 families to our client list monthly. Over the past weeks our shelves holding our reserves have quickly emptied. Three weeks before the picture on the cover was taken our shelves were packed full. We are going through our stock faster than ever before.

For years the food bank was able to get by on what was donated through the various food drives during the year but a couple years ago we started to realize this would not be enough to meet the many needs in our area. We now seek to find funds from outside sources. One of those is through FEMA. For the last 3 years we have qualified for funds of approximately \$1200 each year. That has been a big help but still was not sufficient. Last year we applied for the Latah County Community Foundation Grant, AND the Idaho Community Grant. We received funds from each totaling about \$2700 dollars. Also the food bank received a \$1000 dollar donation from TDS. With the grants, donations, and food drives we were able to keep up with the demand for 2007.

Do these grants and donations mean we no longer need the food drives we have depended upon in the past? 2008 has brought us new challenges. There has been the increase in cost of food and we did not get the Latah County Community Foundation Grant this Spring. We now find ourselves needing to buy more food than ever with less funds than we had last year. We continue to count on all those who have had food drives in the past to do so once again this year. If your organization or group plan to have a food drive please contact Pastor Larry Haylett at 276-4510 to schedule a time for the drive. We do not want to overburden our communities by having food drives that overlap or are held at the same time. The people of the area have always responded well to the drives and it would be best for them if the drives are spaced out over time.

So what keeps the food bank doors open? It is all of you that put on the food drives, that give to the food drives and the volunteers who work at the food bank and serve on the food bank board seeking further resources for buying food. It is a community of people working together to meet the needs of people in their communities.

The Food Bank Board would like to thank each organization that has sponsored a food drive in the past and for all the people that have supported the food drives with their generous giving so that we can continue to meet the food needs of those in our communities.

## What is “What’s Happening”?

“What’s Happening” is your community newsletter, created by a team of committed local citizens in response to a call for greater communication within the community of Kendrick-Juliaetta and the 7 Ridges. This pressing need was identified at the hugely successful “Community Visioning Rally,” which was sponsored by the Horizons Program in October of 2007. “What’s Happening” is published quarterly, and is mailed to 1,100 households free of charge. The newsletter’s content is designed to provide information about upcoming community events, and to highlight one social service effort and one community organization in each issue.

Recently the publishing team invited officials serving on local elected boards and commissions to use the newsletter as a medium for communicating with their constituents. Organizations contacted included the City Councils of Kendrick and Juliaetta, the Juliaetta-Kendrick Recreation District, the South Latah Highway District, the Neztah Cemetery Maintenance Board, and the District #283 School Board. We are hoping that the elementary, junior high and high schools will also use this publication to inform the community of important news and events.

“What’s Happening” is produced solely through volunteer efforts, and funding for the project was initially provided by the Horizons Program. However, as the original grant expired on June 30<sup>th</sup>, the newsletter must henceforth rely on community funding to ensure its ongoing publication. Production costs for each issue are in excess of \$500, and while we have funds to cover the cost of paper and printing, we are now actively seeking donations to cover the cost of mailing. We encourage community businesses and individuals to consider supporting this important effort with their donations. Donors names will be listed in the newsletter, and the amounts of individual gifts will not be published.

The community members who produce the newsletter are listed below. Please feel free to contact any member of the team with questions or comments, or if you are interested in volunteering your help or support.

## OUR SCHOOLS

New Superintendent Calvin Spangler is excited to be part of this school community. He is available to visit any clubs or groups; just call to make arrangements. The goal for the school year is to provide quality education and maintain our building and facilities to a standard to make our community proud. Please visit the web site for additional information at [www.kendrick-juliaettasd.org](http://www.kendrick-juliaettasd.org), or call the District Office at (208) 289-4211. Staff will be happy to answer any questions or concerns that you may have about both our schools.

Elementary School Principal Kren has received notice that a \$10,000 grant for technology in the classroom has been approved by the Nez Perce Tribe. Part of this will be used for projectors that will connect teachers' computers to white boards. The award was presented to Principal Kren by the Tribe on August 21<sup>st</sup>. Congratulations to Principal Kren and the Elementary School.

In the High School, the construction is on schedule and the building will be ready for school to start on August 27<sup>th</sup>. The full staff has been hired, and we are ready to begin the school year. Teachers begin work on Monday the 25<sup>th</sup> with meetings and prep work. Everyone is looking for an outstanding school year. Construction will continue until November 26<sup>th</sup> when the gym will be handed over to the District. JES gym will be used for the volleyball season, and all games will be played there. This will keep the Elementary School busier than normal, but it is just for one year.

Several new faces will be teaching and working at KHS this upcoming school year. Principal Jeff Circa welcomes them and is proud that they are part of our school and community. They are:

**Veronica Souders:** Office Secretary/Special Education Aide

**Marcie Haines:** IDLA Coordinator/  
H.S. Math Teacher

**Sarah Kane:** Voc. Agriculture Teacher

**Chris Baldus:** Math Teacher

**John Gehring:** Social Studies Teacher

In September, the trustees will be making a resolution to keep the building maintenance fund, calling for an election in October. This will be the continuation of the fund and not a new tax. The levy rate will remain the same and is used to repair and update our building/facilities as needed. This levy is very important to our schools and must pass by a 60% majority vote. More information concerning this levy will be available in late September.

### ***INTERN TEACHER from KOREA At Juliaetta Elementary School***

The students and staff of Juliaetta Elementary School are having a new experience this school year. We are hosting a Korean Teacher intern. Her name is Ms. Ji- Hyun Bae. She is presently teaching Middle school students in Korea. She says in her resume that she thought this was the program "just for her". She is interested in cultural exchange in a variety of educational methods.

She states that she can play the piano and is very interested in music. She also likes to use the computer, likes to dance, watch movies, cook and likes photography.

She will be arriving the middle of September and is staying until the end of the school year. She will be living with Richard and Vickie Witt in Juliaetta .

## Never Too Late to Join Pug Marks CSI WE HAVE FUN!

Pug Marks CSI, a community service group for youth, families, and adults, has been involved in three major projects the last three months.

Pug Marks CSI has adopted the road between Juliaetta and Kendrick for two years. Have you noticed the signs? We have a commitment to clean the roadside at least twice a year. At the end of May we had our first road clean-up, completing one mile of the nearly three miles we have adopted with just three volunteers and a volunteer driver, joined later by two additional volunteers. We will be scheduling another road pick-up in early - mid October. We would welcome any help. If you are unable to do the actual labor, maybe you, too, could be a volunteer driver who could pick up and move the "road crew" (or run them to the nearest bathroom when necessary). Pug Marks CSI provides drinks and snacks; the highway department provides signs, vests, and garbage sacks. We do suggest that all volunteer road crew members wear gloves and dress appropriately for the weather, and with good footwear.

Theresa and Andy Holmes, mother and son, have been the project leaders of our community garden next to Juliaetta Zion Church. It is appreciated that Bruce Sherman donated the space, while the City of Juliaetta has donated the water. For a first attempt, and with a small crew of volunteers, we are all very proud of what we have accomplished. The produce being grown is used for Random Acts of Kindness (RAK's) and to sell at the local Farmers' Market, from 8am until we sell out, each Saturday. The funds raised at the Farmers' Market will be used to plant a garden again next year and any additional money will be used to do other service projects and more RAK's. Our produce this year consists mostly of corn, cucumbers, zucchini, and yellow crookneck squash.

The newest service project is one started and being led by Holden Nelson and Taylor Walton. They are leading a recycling project.

Because this project is so new, please watch for updates on how we are implementing the project. As of now, recyclables can be left at Holden's house between the hours of 9am and 6pm daily. For more information, please see the flyers at the community bulletin boards at the Juliaetta Library, on the Kendrick Grange, at Phil's Family Foods, or at the Juliaetta Market. We should also have updated information on our website soon. This is a service project to help those who would like to recycle but are unable to get their recyclables to Lewiston or Moscow to the recycling centers. There is potential for receiving payment for some articles, such as aluminum cans, and any funds acquired this way will be put to good use in providing funds to better implement this project, for other projects and RAK. You will notice on the flyer that Holden and Taylor are also accepting bicycles. They hope to turn those into another service project/RAK by working on the bikes and making them available to youth who could use one.

The young people in our community are AWESOME! When you see them doing good things, whether with Pug Marks CSI, or on their own, please tell them that it makes a difference and that you appreciate them.

For your input and information our email address is [pugmarkscsi@gmail.com](mailto:pugmarkscsi@gmail.com) and our website is [www.freewebs.com/pugmarkscsi](http://www.freewebs.com/pugmarkscsi)

### SECOND HARVEST

Latah County Chapter of Thrivent Financial for Lutherans is sponsoring a special opportunity for county residents to access the Second Harvest Mobile Unit. The unit will be located in Deary, Idaho at the Deary Community Center parking lot on Thursday, October 23<sup>rd</sup> from 11:00 a.m. to 1:00 p.m.

Further information regarding this event will be published in the Latah Eagle and posted at local post offices, as well as at the Good Samaritan Food Bank in Kendrick.

If you are interested in volunteering to support this project, or if you have any questions about the event, please contact Lori Brocke at 289-5092.

## KENDRICK POOL UPDATE

ing season is the  
olved in the opening  
rick War Memorial  
er. The pool was  
g over \$120,000 for  
enormous amount  
inesses. The project,  
which is still continuing this fall and next spring,  
was financed by over \$105,000 of donations from  
over 210 individuals, businesses, organizations and  
grants in a fund raising campaign sponsored by the  
Save Our Community Pool Committee and funds  
from the J-K Recreation District.

Renovations completed to open the pool this summer included a new water filtration system, chlorination system, water circulation pumping system, pool drainage piping, lifeguard chairs, easy access steps, removing the old paint, pool floor repair and painting with a long-lasting epoxy-based paint, fence repair, pool covers, a slide, a vacuum cleaning system, new entry handrails and kiddie pool toy.

*“A Big Thank You to everyone in the Community that contributed to the fund raising campaign and supported the pool project,” this is a statement from the Save Our Pool Committee. The Committee also recognizes support from two grants, Thrivent Financial for Lutherans and the Idaho Community Foundation.*

The Pool closed for the season Saturday, August 16. During the first six week of the pool’s operation 2719 people used the pool. There was the expected heavy use during the day time swimming, also a very dedicated group of about 15 adults enjoyed the 5:15-6:45 p.m. lap swimming. There were also good crowds at the evening open swimming. Swimming lessons were given to 62 individuals in three different teaching sessions.

The pool is closing because the pool manager and lifeguards are leaving for college and attending local school programs, and it is the typical time to close pools with summer programs. “We want to thank our pool manager, Joanna Brammer, and the lifeguards, Brittani Nagle, Shandi Reid, John Liedkie and Lisa Utke and cashier Dakota White for doing an outstanding job this year,” Lisher said. “Also thanks to the swimmers, their parents and

friends, the local businesses and people in the community for supporting the pool staff.”

“We are exploring ways to operate the pool into September next year,” Lisher said. “I have heard from a number of Mothers, who were former lifeguards and are interested in renewing their certification. This would make it possible for the pool to be operated longer. I want to encourage anyone interested in becoming part of this program to contact me.”

“We are going into a busy and exciting fall and spring season for the pool,” report Lisher and Don Ingle, treasurer of the Save Our Community Pool Committee. “We need to replace part of the decking around the pool, install a solar water heating system for early season swimming, and upgrading the bath house to make it handicap accessible (ADA). For ADA accessibility we will need pool entry lift equipment.”

Ingle said the Save Our Community Pool committee still needs donations to finish the fall and spring projects. Donation can be send to the Save Our Community Pool, P.O. Box 242, Kendrick, Idaho, 83537.

The Save Our Community Pool Committee, operating under the J-K Recreation District, conducted the campaign to raise the money, plan the renovations and negotiated the agreement with the City of Kendrick, City of Juliaetta and the J-K Recreation District that will financially support the long term operation of the pool. They also set up the Pool Advisory committee to have community involvement in management of the pool. Committee members were George Brocke, chairman, Patti Silflow vice-chairman, Polly Taylor-Dennler secretary, Don Ingle Treasurer, Greg Mann and Lee Heath.

Representatives on the Advisory Committee are Dale Lisher, Kendrick and Chairman; Jeff Lohman (alternate Ed Pea), Juliaetta; and Chad Henson, Recreation District Board, and community representatives replacing Patti Silflow (alternate Julie Heimgartner) and Mellissa Eichner.

*Don Ingle*

## GARDEN CLUB

The Hill and Valley Garden Club announces its program for the coming year, and a change in day of the week on which its monthly meetings will be held. The club membership has voted to hold meetings on the 4<sup>th</sup> Tuesday of each month, September through May. (Meetings were previously held on the 4<sup>th</sup> Wednesday of the month.)

The schedule of meetings and program topics for the coming year is as follows:

September 23: Fall Bouquets and Arrangements  
October 28: Gourd Art  
November 18: Wreath and Bow Making  
December - No Meeting  
January 27: Pressed Flower Greeting Cards  
February 24: Potluck Dinner and Gift Exchange  
March 24: Hummingbirds  
April 28: Creating Flower Planters  
May 26: Flower Show Display and Design Tips

Additional club activities for the coming year include:

December: Annual Wreath and Evergreen Sale  
March: Annual Spaghetti Feed/Seed Swap  
April: Arbor Day Celebration Event  
May: Flower Show at Locust Blossom Festival  
June: Annual Garden Tour  
June-August: Summer Floral Bouquet and Arrangement Events

For more information, please contact Carolyn Bartlett, Club President, at 289-5169.

The club always welcomes new members, and

## BIBLE STUDIES

Juliaetta Community Church Bible Studies begin the third week of September. There will be two Women's Studies – Wednesday 6PM and Thursday 1pm. There will be a Wednesday 6:30PM Men's Study. The Women will be Beth Moore's DVD study *Jesus The One and Only*. The

will be studying *Disciplines of a Godly Man*. For more information call 276-4510.

## JULIAETTA FLOWER BOXES

Grateful thanks go out to the following local community members who have volunteered to water the Juliaetta City planter boxes over the past several months: Julie Taft, Nannette DeWaters, Dorothy Taylor, Anna Bruce, Larry Haylett, Elaine Raebel, Connie Hedler, and Tammy Hasenoehrl. Their help in supporting the beautification project has been greatly

## FLOWER ARRANGING in the PARK Back by Popular Demand!

The great success of the flower arranging events co-sponsored throughout the summer by the Hill and Valley Garden Club and the KJ Arts Commission has prompted the organizers to plan a 4<sup>th</sup> event for September. Please come and join us on Saturday, September 20<sup>th</sup> at 9:00 a.m. in the Kendrick City Park. There will be no charge for participation, and fresh flowers and containers will be supplied, though we also encourage participants to bring flowers to share and containers for their own floral creations.

Many community members have donated flower vases for these events over the past few months, and the organizers would like to thank them for their contributions. If others would like to donate vases for future events, please contact Barbara Murphey at #289-8318.

## PIE IN THE PARK

In support of the Come 4 Fun After School Program, Zion Lutheran Church is organizing a fundraising event to be held at Juliaetta's 7<sup>th</sup> Annual Car Show and Blackberry Festival on Saturday, September 13<sup>th</sup>. Church members plan to sell homemade pies for \$1.75 a slice, or \$10.00 for a whole pie. The funds raised during this event will be matched by the Latah County Chapter of Thrivent Financial Services for Lutherans, and will be used to support the Come 4 Fun Program's operation during the coming year.

## All of Us Need More Friends

I was searching for the definition of a "friend" on the internet and these are the definitions I came up with: a person you know well and regard with affection and trust; ally: an associate who provides cooperation or assistance; acquaintance: a person with whom you are acquainted; supporter: a person who backs a politician or a team etc.. These are all characteristics of someone you would really like to have for a friend. These are the same characteristics you find in those who have chosen to become **"FRIENDS OF THE LIBRARY"**.

When I first heard about "The Friends", I wondered what in the world a "friend" of the library would entail. It really didn't sound that exciting, but I thought I'd give it a go. Just as we need "allies and associates who provide cooperation or assistance in our lives", so does the library. Do you realize without the cooperation and assistance of the "Friends" we probably would not be able to have a library in our community?

The "Friends" meet once a month to consider needs that have come up for our local library. We discuss ways to resolve these needs in the most efficient, economical manner. We have fund raisers to enable us to contribute financially to our library's ongoing expenses. We provide opportunities for people to get together and work on projects, contribute to our kids "Summer Reading Program, and help provide funds so that you can enjoy a clean restroom when you come to the library.

We often take our friends for granted and I must admit that before I became a "Friend of the Library" I took for granted that many of the services that are offered just happened. They don't. It takes people who are willing to contribute a little time to meet once a month and support the library with their talents, whether it's baking cookies for a meeting being held there, putting up

making scrapbooks to sell at Locust Blossom and the Blackberry festival, selling items at the annual rummage sale, or whatever opportunity may arise to be a real supporter of not only our library, but our future.

If you would be interested in attending a "Friends of the Library" meeting please contact Jan Welles, our librarian, or me, Randy Haylett, 276-4510, "Friends" president. All of us could use more "Friends".

## LIGHT RECYCLE PROGRAM

The Kendrick and Juliaetta Firefighters in cooperation with the KJ Community Development Association will be collecting non working household lights for the months of September, October, November and December. We will recycle lights and the money collected will be used to purchase lights for the "Light the Park Event" held on November 22<sup>nd</sup> and for the support of the local fire departments. Local drop off sites will be advertised in the Latah Eagle in September and lights can be dropped off at the Blackberry Festival on September 13<sup>th</sup> at the Firefighter concession stand on that day from 6:00 a.m till 3:00 p.m. Contact persons are Rose Norris 289-3066 or Anna Bruce at 289-4473. Gather your lights that don't work and help illuminate the Holiday Season.

## KJCDA NEWS

The Kendrick Juliaetta Community Development Association will be hosting another "Family Evening in the Park", look for upcoming news and flyers on our *Harvest Community Festival* to be held on Saturday October 4<sup>th</sup>. Mark the date for an evening of fun in the park beginning at 4:00 p.m. There will be music, pumpkins, games and lots of fun to be had by all age groups. If you would like to be a part of it or have any ideas please contact any one of the following persons, Bob Ouderkerken, Rose Norris or Anna Bruce. The last event in the park was a great success and lots of fun. A big Thank You to all of those who helped to make it a big success.

## COME 4 FUN

The Come 4 Fun After School Program is an interdenominational collaboration of several churches in the Kendrick and Juliaetta valley and the surrounding area to support at-risk students (1-6) enrolled at Juliaetta Elementary. The program has operated in the community for the past 6 years, and is currently overseen by board members Lauralee Kunder, Hermina Meyers, Jean Clemenhagen, and Polly Taylor Dennler.

Students are referred to the program by elementary school staff, and attendance averages around 12 children per session. The group meets every Thursday from 3:00 p.m. till 5:00 p.m., starting in the last week of September, and continuing through the second week of May. The sessions are held in the basement of Zion Lutheran Church, which is located just a few blocks from the school, and students are escorted from the school to the church by a volunteer.

Upon arrival, students are given a snack (donated by members of the partner churches), and then they are asked to complete their school homework assignments. Adult and high school volunteers are available to serve as mentors, providing support for the children as they work. When they have finished their homework, students may engage in their choice of free activities such as board games, puzzles, reading and drawing, or take part in structured cooking, gardening, music and art projects until the end of the session. Parents are responsible for their children's transportation home from the church.

This valuable service is provided to participants free of charge, so the program relies entirely on the generous support of community volunteers and donors. As the new school year approaches, the C4F Board is seeking volunteers to mentor the children's work and/or lead group activities, as well as financial contributions to defray the costs of operation. We also welcome donations of books, games, puzzles, and snacks for the children.

Financial contributions may be sent to:

Come 4 Fun After School Program  
c/o Zion Lutheran Church  
Juliaetta, ID 83535

For further information about the program and its current needs, please contact Polly Taylor Dennler at [taylordennler@tds.net](mailto:taylordennler@tds.net) or 276-4302. Thank you for considering our request for your support of this valuable collaborative community effort.

## CAMERON LUTHERAN CHURCH

Sunday School at the Cameral Church begins September 7th at 9:45am. Anna Bruce will be the Sunday School teacher with Lauralee Kinder and Earl Lawrence acting as substitutes. Anna plans to have Ryan Lawrence and Isabell Bruce act as helpers to the new preschool class. Preschool parents will alternately help Anna with the children. Anna plans to teach from the children's Bible and Lauralee will lead some of the songs and music. Please contact Sandy Lawrence at 289-3797 or Kunders at 289-33472 for more information.

## ARTS COMMISSION NEWS

KJ Arts Commission is completing an interesting project year including a very well received "Artist In Residence" program at the Juliaetta Elementary School and a happy collaboration with the Hill and Valley Garden Club to sponsor free flower arranging workshops in the Kendrick Park. We plan to have an Art Show and Sale at the Juliaetta Blackberry Festival on September 11th.

New activities for the coming project year will include fund raisers to provide a scholarship in the arts to a KHS senior and collaboration with the Pool Committee to design and create a new mural for the Kendrick Memorial Pool. **COMMUNITY INPUT ABOUT DESIGN OF THE MURAL IS NEEDED!**

The Commission is also seeking new members, especially people interested in performing arts and other crafts. For information call Carol Smith at 276-7049 or see [www.kjarts.info](http://www.kjarts.info).

## NEZ-TAH CEMETERY MAINTENANCE DISTRICT

The District was formed in 1954 and contained property in Nez Perce and Latah counties, which gave it the name Nez-Tah. It covers 5 cemeteries: Kendrick (3.2 acres), Juliaetta (2.5 acres), American Ridge (1.7 acres), Fix Ridge (2.1 acres) and Bethany (0.7 acres).

Board members are Frank Groseclose for Juliaetta area, member since 1990; Dareld Hazeltine for Big Bear Ridge, member since 1982; and Darrel Brocke for Kendrick, member since 1984. Members' terms are 4 years. They oversee budgeting, hiring and paying expenses to keep the District in good shape. Board members hire one employee to maintain the cemeteries. Mike and Becky Tefft and family have

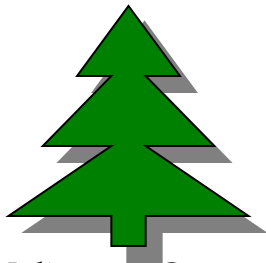

## **CITY VACANCY**

The City of Kendrick has a vacancy in the City Council and is looking for interested parties to fill this vacancy. Please contact the Kendrick City Hall during regular business hours, 9:00am to 3:00pm Monday through Friday. Phone 289-5157.

## **CHILI FEED – CAROL SING**

To start the Christmas Season the Juliaetta Community Church will be having its Annual Chili Feed and Christmas Carol Sing November 30th at 5PM. All churches in the area are invited. Questions call 276-4510

## **LIGHT THE PARK**

The Kendrick-Juliaetta Community Development Association will be hosting its annual Light the Park Celebration on Saturday, November 22nd. The event will begin at 5:00pm in the Kendrick City Park with the annual Chili Feed following.

The community Decoration Day will be held Saturday, November 8th beginning at 8:00am. This is a great day to come out and get your tree lights up. There will be lots of extra ladders and hands.

If anyone is interested in decorating a tree, offering a monetary sponsorship towards the decoration of a tree or helping with this project please contact Anna Bruce at 289-4473 or
