

## Pastor Larry and Randy Haylett Grand Marshals from Juliaetta

What started out as a marriage between a paint contractor and a piano player in Pennsylvania, is now a local couple dedicated to serving our community. They are Pastor Larry and wife Randy Haylett came to Juliaetta as pastor of the Juliaetta Community Church 14 years ago.

Pastor Larry is the dedicated volunteer leader of the J-K Food Bank. Larry became president of the Food Bank board of directors in 2003. Since then the need for the Food Bank has increased from 8-10 to 25-35 families each week. Larry expresses great pleasure and gratitude for the support the Food Bank receives from the community and the volunteers who help make it possible.

Randy is a dedicated piano player. She recalls that because of her love of playing the piano and playing church hymns, a friend told her that she would make an excellent preacher's wife. She dismissed the idea completely and married a painting contractor. However, a couple years later, they went to a Bible College in Georgia.

The couple have been married 45 years and have four children and 14 grand kids. The three daughters live in Spokane and are looking forward to being with Mom and Dad during the Locust Blossom Festival. Their son recently retired after serving 23 years in the Air Force and is starting a missionary assignment in Columbia, South America. Larry and Randy have served on several community groups such as K-J Community Development Assn, Friends of the Library, Clearwater Evangelical Ministerial Assn., and printing the community newsletter committee. Randy says she has slowed down a bit over the past couple of years because of several surgical procedures, but will still play the piano for anyone who asks.

Randy's favorite flower is the rose which Larry provides by raising roses. He has 25 rose plants in their yard. Larry's other hobbies are woodworking (he made most of the wood furniture in their home), fixing computers and helping friends paint their houses.

Pastor Larry and Randy really enjoy being part of our community, preaching the gospel in the church, and loving the people.  
- Don and Lawana Ingle

## Margie Silflow to be Honored As Grand Marshal

Margie Silflow has been a hard worker all of her life. She is the eldest daughter of Herman and Thelma Meyer, local pioneers. Margie attended school at Leland and graduated from Southwick High School. After graduation, she enrolled in a three year nursing program at Deaconess Hospital at Spokane. Three days after her graduation, she married her fiancé, Marvin Silflow. They raised four children together on the farm where they have resided near Cameron.

Gardening is Margie's middle name and she seldom has a crop failure. In addition she has tended chickens, milked cows, cooked for the family and crews, canned and preserved food, not to mention all of the responsibilities of maintaining a home.

I remember being at their farm one spring when I saw her knock on the chicken house door. I asked her sister, Loeda, what she was doing. She said, "She always lets the chickens know when she is coming in to gather eggs, so they will not get upset." It is only natural that anyone who cares that much about chickens should find time to care about her church and local 4-H Club. She has been a Sunday School teacher, sang in the choir, worked diligently in the women's quilting group, and was a 4-H leader for many years. She has taken an active part in every Cameron Bazaar since being a young girl.

Steadfast is a word that describes Margie. She has been steadfast in her faith and the outreach of that faith. She assisted Dr. Christensen in delivering many babies in this area. She has tended many a sick or dying person with her nursing skills. She took care of her mother-in-law, Iona Silflow, before her passing. St. Joseph's Hospital was offering a ten week refresher course in nursing, so Margie enrolled. She worked part time at the hospital for the next ten years. Her tender care has made her an excellent Hospice volunteer for many years.

The Lion's Club is proud to honor Margie for her community service.

-Sharon Harris

## Lion's Club Gears up for

### A Locust Blossom Luau

The club has started working on Locust Blossom Festival under the direction of Dave Klatt and Jim Brocke, co chairmen for the May 31st event. A major change this year will be a change of venue for the hosting of the open house for the Grand Marshals. TDS was unable to host this event this year and Brocke's Heritage Soups has come to the rescue. The event will be held at their Main Street Business location.

Kendrick Lions voted to support the KHS delegates to National Business Professionals of America competition to be held in Indianapolis. During the past two months they have financially supported the Latah County Youth Advocacy Council, Kendrick's Outstanding Young Woman's Scholarship, and the annual Lion's Club scholarships for two graduating seniors.

Classes for the Community Emergency Response Team are still in the planning stages reported Chairman Wayne Heath. -Sharon Harris

## **The New Floor Shines**

The first group to enjoy the new floor was Hill and Valley Garden Club hosting their District Meeting. This was appropriate since the ladies of the club have supported the renovation very faithfully. It is good to see community activity in the building once again after being "closed for construction" for a couple of months.

Members are planning for the annual pie booth at Locust Blossom Festival.

The group will hold a fund raising yard sale at the hall on the Community Yard Sale date. Any donations are welcome.

-Sharon Harris

## **Kups Koffee House**

Matt and Lisa Kathanimané are self-proclaimed dreamers. That "dreaming" has led them to remodel, repurpose and reclaim an older building at 704 E. Main, Kendrick, ID. This newly refurbished building now houses The Locust Blossom Inn, and the newest addition, Kups Koffee House.

Matt and Lisa attended Locust Blossom Days several years ago, and from that moment on, they were struck with the charm and warm social atmosphere of Kendrick. Eight plus years later, they have opened a bed and breakfast and Kups Koffee House where, as their sign reads "Interesting people gather."

So far, Kups Koffee House has surpassed the Kathanimané's hope for success. Every Monday, the same group of women meet to share coffee and conversation in the sophisticated coffee themed sitting area. A group of young ladies, aka the Ya Ya Sisters, meet on Wednesday mornings drinking from oversized decorated tea cups. The informal invitation to the sitting area is evident by the pleasant coffee smells, relaxed music and comfortable table sets, and accent chairs. Wireless technology is available and when the weather becomes warmer, outside seating will be offered.

When asked about their tag line, *Where interesting people gather*, Matt replied, "It's just something we came up with, and now we hear our customers using that phrase when they visit." Matt says when their coffee area is full of people, interesting conversation is shared. "We have farmers, loggers, passers by, high school and elementary kids, business people, retired persons, travelers, and many others that come in. We want people to feel like they belong here." Lisa wants to get a guest book for her patrons so they can keep a journal of customers.

Matt and Lisa believe in buying everything local for personal and business use. Their coffee beans are roasted in Troy, Chai tea is made in Moscow, and their pastries are made by local bakers.

Kups Koffee House offers hot and cold lattes, steamers, brew coffee, Italian sodas, fresh fruit smoothies and pastries. Kups Koffee House is open from 6AM – 4PM, Monday through Friday and 8AM – Noon on Saturdays. If a family or unique event comes up, Matt and Lisa say to contact them at 289-2576 for special hours and gatherings.

-Kathy Jones

## Community Yard Sale Saturday, June 7th

KJ Arts Committee will again sponsor this event.

If you would like your site to be included on the map contact Norma Abrams by May 24th (289-3151).

There is an \$8 fee to cover the cost of printing and advertising.

## KJ Arts Committee Has Good News

Watch for local wildlife to be coming to life on the wall behind our pool! Kendrick City Council approved the Committee's selection of artist and design for the mural at the Kendrick War Memorial swimming pool. Rolf Goetzinger, a nationally-known muralist from Spokane, was selected. Mr. Goetzinger and his brother Peter are known locally as recent creators of two large murals in Lewiston. They have a considerable portfolio of installations in the continental United States. They are family friends and frequent childhood visitors to the Kendrick/Leland/Cameron area. They are graduates of Lewiston High School. Work on the mural will begin as the weather and Mr. Goetzinger's schedule permit. The Arts Committee is very pleased and grateful to be able to work with an artist of Mr. Goetzinger's skill, stature, experience and generosity. An artist's rendering of the mural is on display at Magnuson Gallery on Sixth Street.

Thanks to a grant from the Latah County Arts and Culture Committee we were able to provide the Art4Kids Program at Juliaetta Elementary School again this year. Classes were held during one week in February, March and April and were taught by Debra Miles with the assistance of Elizabeth Davis from Deary. All art work will be on display during JES Academic Fair on May 6th and some will be chosen to be shown during Locust Blossom in the parade and tent.

KJ Arts Committee will sponsor an ART SHOW AND SALE in the park during the Locust Blossom Festival. Local artists are invited and encouraged to show their work in our tent. Contact Teri Hornberger at [jimandtehorn@gmail.com](mailto:jimandtehorn@gmail.com) or 289-3434 to make arrangements. Watch for our float in the parade.

## JK Senior Meals

JK Senior Meals signed a new 4-year contract with the Area on Aging Agency. There have been many new changes in policies, reports to the Area on Aging, Wa/ld Volunteer Center, the way we order from the Idaho Food Bank and the sign-up congregate sheets.

Our Head Cook Abby Forsman rejoined the Meal Site in January, with Kelly Wilson as the prep-cook. Abby arrives as early as 6am and Kelly at 9am every meal day. Their days are completed by 2-2:30pm. Soup is ready at 11am and the main meal is served at noon. Everyone is welcome to join in and listen to the entertainment or just visit with friends and meet new neighbors.

The Meal Site could use more volunteers. There are always things to be done: wrap flatware in napkins, put glasses on the tables, prepare pitchers of ice and water for each table; dishes and laundry after each meal day; pick up trays; deliver Meals on Wheels; pick up from the Food Bank, etc. For each 4 hours of volunteer work you receive a free meal. Last month we had 135 hours and 619 miles donated by volunteers.

To our delight, the number of congregates has been increasing each month. We served 242 meals to seniors and 78 meals to the under 60's and guests. Meals on Wheels delivered 50 meals and Medicaid recipients received 25 meals. If you need to have meals delivered to your home please call the Area on Aging Agency at 208-798-4200. They will assess your situation and call us to begin delivering to you.

It came to our attention some time ago that there is some confusion on who the Golden Sunset Senior Citizens, Inc. are, what they do and the connection to the JK Senior Meal Center. Golden Sunset Senior Citizens, Inc. are the owners of the building. They pay for electricity, water, garbage, phone, repairs to the building and they own the equipment that the Meal Site and renters use. JK Senior Meals rents the building and pays for the computer service.

When a donation is made to the JK Senior Meals be sure to specify *"to the JK Senior Meal Site, P.O. Box 38, Kendrick, ID, 83537.* If you wish to donate to the Golden Sunset Senior Citizens Inc. please specify and send to *P.O. Box 202, Kendrick, ID, 83537.*

To rent the building for a birthday, anniversary, baby shower or any other event please call Barbara Murphey at 289-8318. She is the rental coordinator for the Golden Sunset building. *-Fran Lisher*

## Kendrick and Juliaetta Fire Departments

Open burning without a permit ends on May 15<sup>th</sup>

### Upcoming Events: Mother's Day Car Wash Saturday May 10<sup>th</sup> at the Kendrick Fire Hall.

Proceeds go towards the Juliaetta-Kendrick Volunteer Firefighter Scholarship presented to a graduating senior from Kendrick High School.

On April 25<sup>th</sup> 26<sup>th</sup> & 27<sup>th</sup> Firefighters and several Ambulance members completed a twenty hour State Certified Ex-trication Operations class held in Kendrick.

### 9-volt Battery Safety FYI

9-volt batteries power our smoke alarms, household items and toys. But these batteries can be a fire hazard if not stored safely or disposed of with care. **The problem** with the 9 volt battery is they can be dangerous. The positive and negative posts are close together and if a metal object touches the two posts of a 9-volt battery, it can cause a short circuit. This can make enough heat to start a fire. It is unsafe to store

9-volt batteries in a drawer near paper clips, coins, pens, or other batteries. Do not store the battery with common household items such as steel wool, aluminum foil, and keys near 9-volt batteries. If these items touch the two posts, there is a greater risk of a fire starting. Weak batteries may have enough charge to cause a fire. Some fires have started in trash cans when 9-volt batteries were thrown away with other metal items. Keep batteries in original packaging until you are ready to use them. **If loose, keep the posts covered with masking, duct, or electrical tape. Prevent the posts from coming in contact with metal objects.**

-Rose Norris

### LOST

Black camera bag, corner of Main & First Streets. Bag only contains a spare battery and an external flash kit.

Lost on morning of April 8th.

Call 208-790-3069

Thank you!

Jeff Marshall

Communications Specialist, Clearwater Power Co.

### Who is our Food Bank?

Around 1993, some members of Kendrick Methodist Church began saving clothes and giving out Holiday Baskets with gifts to those in our community who might find themselves struggling. It soon became apparent that food was the most obvious need. Because the membership of the church was small, the local Junior Miss program volunteered to advertise and accept donations of gifts for the Holiday Baskets, and the clothing component was discontinued. It was around this time the food bank was given a formal name - JK Good Samaritan Food Bank. (Most people refer to this agency simply as the Food Bank.)

Gathering food items was well supported, but storage was another matter. The location changed several times. During this time, there were many volunteers, but it was Pat Holt who began the data and registration component of distributing food. Government Commodities were offered for those who qualified, but for several years, the commodities were dispersed from a home in Juliaetta because of the paperwork and regulations.

When the Juliaetta Community Center organized and purchased a building in Juliaetta, they offered to house the food bank in part of its kitchen. Building a room in the left hand portion of the kitchen, the food bank is currently in its permanent location.

Larry Haylett, who is on the board of directors, said there is a steady increase of need in our communities. Approximately 10 families were accessing the food bank on a monthly basis in 2004 and in 2013 there were between 25-35 families per month and in 2014 there has been an average addition of three families per month. "Our communities have really supported the food bank with their food drives, and donations. People have been very faithful in their giving," commented Mr. Haylett. "It seems when we are low on supplies, our community giving picks up as well. We are very appreciative." The Food Bank also receives commodities from Community Action Agency in Lewiston, and food items from the Idaho Food Bank. Seasonal food items from gardens and fruit orchards are always welcome. Financial donations are gratefully accepted, and drop off points for food can be found in Phil's Food City and the Kendrick Post Office.

The Food Bank serves the communities of Juliaetta, Kendrick and Lenore. Families who participate in the Food Bank are on a good faith basis because no personal paperwork is allowed due to the Family Privacy Act. No one is turned away. The food bank is open every Friday from 1:00 – 3:00 PM at 214 State Street in Juliaetta. Each participant fills out a sheet of food items wanted from a list of food available. A milk card is given out once a month for milk from Phil's Food City.

The Food Bank continues to supply Holiday Food Baskets during Thanksgiving and Christmas season. A complete holiday meal is provided based on the number of people in the family.

The Food Bank is under the leadership of board members, Larry Haylett, Wilma and Gail Larsen, and Loeda Reil and Bud Holt and is staffed by volunteers. Additional help is always appreciated. Donations can be taken to Latah Credit Union or mailed to PO Box 61, Kendrick, ID 83537. Please contact any of the board members if you would like to sponsor a food drive, make a donation, or volunteer. -Kathy Jones

## **Summer Reading Program 2014** **NEW – “Easy to participate” program!**

This information contains changes in the way the Latah County Libraries, which includes the Juliaetta Community Library, will conduct their Summer Reading Programs. **PLEASE read carefully.**

Beginning summer 2014, the LCLD libraries will be adopting a new summer reading program. No more having to keep track of times or titles - **just READ!** Read ANY day and/or EVERY day ~ that's all you need to do to participate in this year's Summer Reading Program! Read for a total of 45 days throughout the summer and earn a grand prize. In addition to the prize, The Friends of the Juliaetta Library will host a **Bingo Family Fun Night** – including prizes - to celebrate our new Reading Program.

Registration at the Juliaetta Community Library will begin the first week in June – though joining the program can be done at any time during the months of June or July. All participants receive a **free book bag** when registering. After signing up, all you need to do to participate and earn a grand prize is read; E-books, magazines, newspapers, books – just have fun and read! *Anyone infant through high school age may join the fun! Read or be read to – it all counts!*

The library will continue to have the weekly summer reading programs, held in the library.

### **This year's Special Events and Programs include:**

June 19th – Make Some Noise! - Music and Fun with Miss Elaine– 10:30 a.m.

June 26h - Spaulding Center Museum – 10:30 a.m.

July 10th– Hill & Valley Garden Club Crafts & Fun- 10:30 a.m.

July 17th– Fun with “Batsy Besty” - from Moscow Library 10:30 a.m.

July 24th - Experiments & Fun with Moscow Recycling Center - 10:30 a.m.

Late August - Bingo Family Fun Night – date and time to be announced.

***You do not need to attend the programs to participate in the Summer Reading Program. Come visit the Juliaetta Community Library and have some summer fun!***

### **KHS Boy's Basketball Takes 3<sup>rd</sup> in State Tournament**

The KHS Boys Varsity Basketball Team lived the “Cinderella” story this year. With a record of 5 wins and 15 losses for the regular season, the boys won the play-in game against Logos High School for the opportunity to play in the Whitepine District Tournament held at the Lewis-Clark State College gymnasium. In the district tournament the boys played the #1 league team, Deary High School and won again. This put them in the championship game against Summit Academy and the Tigers won again. Kendrick played with determination and team unity. This placed KHS as the #1 seed into the Idaho State Tournament for their division.

With parents and fans getting over their initial astonishment, there were hotels to reserve, arrangements to take time off work, travel plans to organize and last but not least, make room in the trophy case for Kendrick High School's newest basketball trophy.

Families, students, and friends gathered in the Caldwell High School gymnasium on Thursday, March 6th, to cheer on the Kendrick Tigers who won their first game against Cascade High School. This placed them in the winner's bracket and positioned them to play the #1 team in the state, Salmon River on Friday. While this game ended in a loss for the Tigers, their resolve to play the best game they could never wavered. Playing the final game on Saturday, Kendrick was pitted against Summit Academy, a Whitepine League rival. It was a tense game, but the Tigers pulled away in the fourth quarter to claim the title of 3<sup>rd</sup> place in State Basketball for 1A Division 2. For a team described as a “rebuilding year” and getting off to a rough start, the Kendrick Tigers wore the glass slipper all the way to the state tournament!

### **CONGRATULATIONS**

2013-2014 KHS Basketball Awards were announced. Girls Varsity Basketball: MVP, Abby Smith; Most Inspirational, Carli Taylor; Most Improved, Holli Heinen. Boys Varsity Basketball: MVP, Braden Smith; Most Inspirational, DJ White; Most Improved, Wyatt Hardin.

KHS has three students who qualified for the BPA National Conference in Indianapolis, Indiana in April: Alec Henson, Kadence Lanier and Layne Harris.

## Superintendent's Report

The Common Core State Standards are a new approach to learning and teaching. Developed by education experts from 45 states, these K-12 learning standards go deeper into key concepts in math and English language arts. The standards require a practical, real-life application of knowledge that prepares Kendrick Jt. School District students for success in college, work and life.

### Common Core provides:

- Consistent learning expectations for all students.
- Clear standards that focus on understanding over memorization.
- Emphasis on the critical topics students need to succeed after high school.

Our 3<sup>rd</sup> grade through 12<sup>th</sup> grade students have begun taking the SBAC field tests. These tests have been developed by the [Smarter Balanced Assessment Consortium](#), a bipartisan, state-led group developing assessments aligned to the Common Core State Standards in English language arts and math.

The consortium's executive director, Joe Wilhoft, wrote an article for the Thomas B. Fordham Institute in February 2014 entitled, "[Smarter Balanced assessments: A big moment for our schools.](#)" In the article, he summarizes the history of, and transition to, these new tests.

- The SBAC is more than just a once-a-year test, Smarter Balanced is a system.
- There are three components in the Smarter Balanced system: Digital Library, Interim Assessments and Summative Assessments.
- The Idaho State Legislature has provided funds to pay for all schools to have access to all three components.
- The Digital Library will consist of professional development materials to improve the quality of information collected through daily classroom activities.
- These on-demand materials will be aligned to the Common Core standards and Smarter Balanced claims and assessment targets.
- When complete in mid-2014, the Smarter Balanced Digital Library will provide educators with professional development materials and instructional resources aligned to the Common Core State Standards and the Smarter Balanced assessment system.
- These computer-based tests will help Juliaetta Elementary and Kendrick Junior/Senior High School evaluate how well our students performed by comparing them with students from other schools across the nation.
- The SBAC will empower families by providing them with a clear indication of how well their children are progressing toward mastering the academic knowledge and skills necessary for college and career readiness.

-Dr. Lindsay Park

## Elementary School Principal's Report

### Thank You...

- For partnering with us to make our school system one of the very best in the State of Idaho.
- For passing the March 11, 2014 Supplemental Levy providing one third of our total funding.
- For supporting our students by attending their performances: Plays, Concerts, Spelling Bees.
- For volunteering in our schools: Providing Presentations, Supervising Field Trips, Supporting Our Teachers in the Classroom – Just recently, Matt Anderson, one of our parents who works for Avista Power Company as a lineman, taught our students safety lessons on the dangers of downed power lines.
- Our parents and community members consistently step-up whenever we need you. Thanks.

We truly love the communities we serve, and feel so honored to have the trust you place in us to teach your children.

### Third Grade

Why are the mirrors and windows steamed up after a shower? Why is there water beaded up on the outside surface of a glass of icy cold water? These are a couple of the many questions Mrs. Cannon's third grade students are finding the answers to by conducting science investigations. They have been learning about water's three natural states: liquid, solid, gas for the past several weeks. Mrs. Cannon and her students will soon move on to learning about animal and plant life cycles. Each day they will have plants and live crayfish to care for as they learn how each grows and develops and what each needs to survive. At the end of the school year each third grade student will be taking home his or her own container vegetable garden to enjoy.

Mrs. Cannon's class, along with the fourth, fifth, and sixth grade students at JES, are now taking the SBAC field test in math and language arts by answering on line practice questions. The third graders are also writing and illustrating a very descriptive ABC jungle-animals picture book.

On Friday, April 18<sup>th</sup> Mrs. Cannon and her students toured Dworshak Dam and Dworshak National Fish Hatchery in Orofino where they participated in an open house event. This included some hands on experience for the students spawning steelhead or salmon and observing how the hatchery works to increase the number of fish returning to our local rivers and streams.

*Dr. Lindsay Park & Mrs. Angie Cannon*

**Abby Smith** plans to attend Northwest Nazarene University on a basketball scholarship, and intends to major in Pre-Medicine or Psychology.

**Josilin Peters** plans to attend the University of Idaho, with an intended double major of Business and Marketing.

**Alexie Coleman** plans to attend the University of Idaho, with an intended major of Psychology.

**Justin Kerley** plans to further his military career.

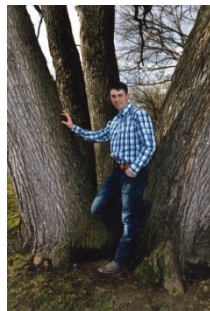

**Kelzey Gallagher** plans to further his military career.

**Carli Taylor** plans to attend Walla Walla Community College on a softball scholarship, with an intended major in Sports Medicine.

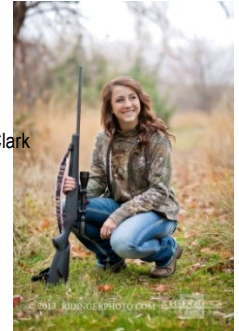

**Deyona Wilson** plans to attend University of Idaho, major undecided.

**Klayton Riggers** plans to go into basic training for the military and later to attend college at Lewis Clark State College.

**Alec Henson** plans to attend New York University on a full ride academic scholarship with an intended major in Global Public Health.

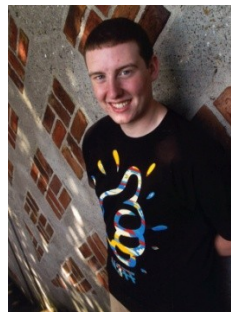

**Julia Gorbett** plans to attend Lewis Clark State College to attain her associate degree in Bookkeeping/Accounting.

**Misty Lewis** plans to attend the University of Idaho with an intended major of Engineering.

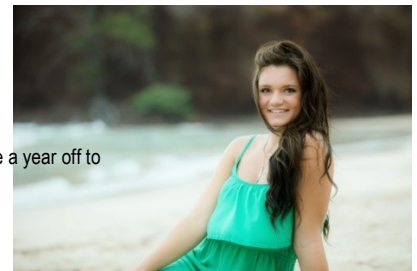

**Dillon Blair** plans to attend the University of Idaho with an intended major of Agricultural Mechanics.

**Cal Heinen** plans to attend the University of Idaho to major in Broadcasting and Digital Media.

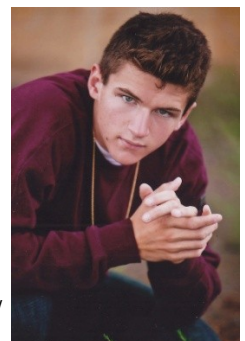

**Calista Zumhofs** intends to take a year off to work and decide future plans.

**Kristian Nash** plans to attend Montana Western University with a double major of Business and Natural Horsemanship.

**Lane Hewett** plans to attend the University of Idaho with a major of Digital Media.

Dylan Walton plans to move to Nebraska to work and live with his best friend.

Dylan White plans to attend the University of Idaho with an intended major of Marketing.

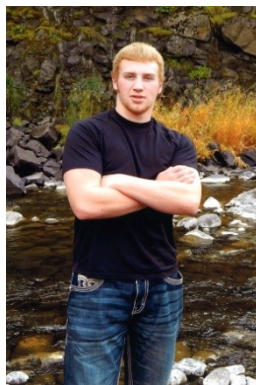

Morgan Hovey plans to work after graduation; at this point she does not plan to attend college.

Tierney Heath plans to attend the University of Idaho with an intended major of Psychology and Child Development.

Garrett Perry plans to attend Lewis Clark State College to play football and to study Diesel Mechanics.

The Kendrick High School class of 2014 would like to thank all of the faculty and staff at Kendrick High School for all of their support, assistance, and great teaching over the last four years, we would also like to thank our community for all of their support and contributions; we could not have done it without you. The senior commencement will be held on June 1st at 4 PM in the Kendrick High School gymnasium.

-Abby Smith & Carli Taylor

Walker Iyambo says he plans to pursue a career as a waste management operator.

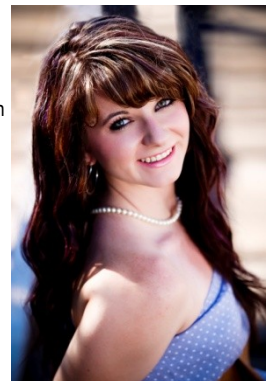

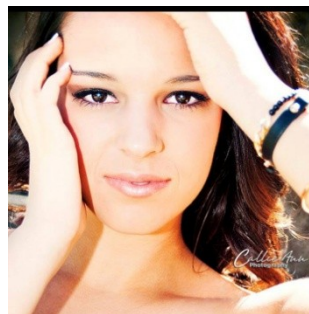

Morgan Kerby plans to attend college but is currently undecided about where to go.

Nichole Johnson plans to get a job after graduation and is currently undecided about attending college.

Whitney Harris plans to attend Grand Canyon University to major in Digital Design with an emphasis on film and Biblical studies.

Jewelina Lott plans to take a year off to work and decide future plans.

Joshua Schroeder plans to work in the oil fields of North Dakota.

Dustin Brown jokes that he will attend Woods University for a degree in Huntology.

# Hill and Valley Garden Club

By Sharon Harris, President

Kendrick had many visitors from Northern Idaho when Hill and Valley hosted the District Meeting on March 20<sup>th</sup>. The theme "Aloha Spring" carried was a success with decorations by Norma and lunch and coffee hour prepared by Beth Cannon, Abbey Forsmann, Juanita Soyk, and Becky Patterson. Neil Sternerson entertained during lunch with his toe tapping music. An outstanding service award was awarded to long time member Ann Nilsson.

The club has begun planning for their annual **Flower Show at Locust Blossom Festival**, which will be themed "Aloha Spring." The flower show will be under the direction of Chairwomen Barbara Paulsen, Edith Cole, and Debra Miles. We welcome your horticultural and design exhibits. Exhibits can be entered on Friday from 1:00 to 4:00 pm; and must be picked up from 2:30 to 3:30 on Saturday.

To enter a **Horticultural** exhibit, cut a specimen. Leave the foliage attached (however no foliage should be underwater in the container. Categories are: Roses, Flowering Bulbs, Peonies, Pansies & Violas, or any other blooming perennial; Foliage including hostas, ornamental grasses, or other; Annuals, House Plants; Succulents and Cacti, Containers with outdoor plants, or Flowering shrubs and trees. It is easy and fun to participate. Exhibit in a clear bottle or jar. You must have grown your own exhibited specimen.

To exhibit in the **Artistic Design** category, you may use commercially grown plants and flowers. All material must be fresh. Exhibits cannot be over 20 inches tall or wide, and must not contain any artificially colored or dyed flowers. Categories: "Lei" depicting "Welcome" and "I Love You"; "Gentle Breezes"; "Blue Skies" using some shade or shades of blue; "Aged Beauty", using all dry plant material; "Tiny Bubbles", a small design not to exceed 8" in height.

Norma Abrams and Dana Kelly are planning a June tour of gardens.

Hill and Valley is happy to sponsor a native plant garden for Kendrick which will be located near the horse-shoe pits. This project is under the direction of Amber Brocke and will be a wonderful addition to East Kendrick.

Recently youth gardening grants were awarded to Kindergarten, 3<sup>rd</sup> Grade, JES After School Program, Juliaetta Planting Project, Fix Ridge 4-H Club.

Planting time is upon us and there are gardening women throughout the valley who are rejoicing. Our members work very hard to provide beauty for our valley. Remember, the best time to plant a tree is twenty years ago. The second best time is now.

\*\*\*\*\*  
\* **Fun with Flowers:** \*  
\* **Summer Floral Arranging Events** \*  
\* The Hill and Valley Garden Club will partner with the J-K \*  
\* Arts Committee to sponsor a 7<sup>th</sup> season of "Fun with \*  
\* Flowers." Please plan to join us on the morning of the \*  
\* 3<sup>rd</sup> Saturday of each summer month. Flowers and con- \*  
\* tainers for bouquets and arrangements will be provided \*  
\* at no cost to participants. The sole purpose is to share \*  
\* the wonderful experience of beautiful flowers. \*  
\* *Schedule: Saturday, June 21st* \*  
\* *Saturday, July 19th* \*  
\* *Saturday, August 16th* \*  
\* *Saturday, September 20th* \*  
\*\*\*\*\*

**Book Prowlers** will end this season by sharing favorite books at the meeting on Tuesday, May 13<sup>th</sup> at 4pm in the Juliaetta Library. This would be a good time to get acquainted and pick up some ideas for summer reading.

**The Latah County Youth Advocacy Council  
Invites you to the second annual county-wide**

Marylou's School of Dance  
will hold its annual Spring Dance Recital  
on Sunday, May 11<sup>th</sup> at 5:30pm  
in the Kendrick High School Gymnasium.  
Everyone is welcome to come watch the show!  
Admission is free! Thanks!

## Cameron Lutheran Church

Summer Worship Services will begin at 9:30am starting June 1st.

Vacation Bible School: June 9th to 13th 8:30-11:30am

The theme for this summer's Vacation Bible School at Cameron Lutheran Church will be "Weird Animals." Through stories and music and crafts and games, those attending will learn that Jesus is a one-of-a-kind Savior who will always be with them. VBS will be held from 8:30-11:30 a.m. each day from June 9-13, ending with a potluck and program Friday night. There will be classes for children from age 3 through fifth grade. Older students and adults are needed to be helpers and teachers for the various classes and activities. We will also need donations of food to feed all those hungry little mouths! If you have questions or would like to help, please call Shelby Silflow at 289-8341.

## Changes at the Juliaetta Cemetery

The Juliaetta Cemetery has recently undergone a much-needed expansion. The original cemetery dates back to the founding days of Juliaetta, and many early pioneers have been laid to rest there. The earliest marked grave belongs to Mary Mark, who passed away January 18, 1901 before she reached her first birthday.

The new section of the cemetery was sold to the city for \$1 back in 1985 by Maribel Samuelson. Mrs. Samuelson was a direct descendant of the Schupfer family, who were early settlers of the American Ridge area and who helped to found the Village of Juliaetta. In fact, the land on which the cemetery stands was once part of the original Schupfer homestead.

Last spring it became evident that more space was needed at the cemetery, and so Council decided to incorporate the new section. Much of the work was done by Councilmember Dick Groseclose and Gabe Cirka, who works as a summer hire for the city. They felled several dying locust trees and moved the fence to enclose the new section. City maintenance supervisor Frank Groseclose graded the land and Dick sowed the grass seed. The new 50 feet wide section stretches east and west from American Ridge Road along the entire southernmost border of the cemetery. Thirty one rows of eight plots each were added, for a total of 248 additional plots. Plots are still available for \$50 each. Stop by Juliaetta City Hall to see the map.

-Wendy Sandino

## Why is the world falling apart?

Have you noticed that the whole world seems to be going crazy? The Middle East is in turmoil, Russia is threatening to overtake its neighbors again, the global economy seems on the brink of collapse, and our own country is seething with internal strife. Even nature seems to be getting in on the action with earthquakes, volcanoes and out of control weather patterns. What's going on? Is the whole thing going to explode and destroy itself?

The Bible tells us that we should expect these kinds of trials because of one little word – sin. God made this world to be a perfect habitat for man and the animals, but it got messed up by – you guessed it – man. God said that when man disobeys His law (that's called sin); the whole creation is cursed as a result. You can read the original account of that in the first three chapters of Genesis.

From that first sin, it didn't take long for violence to begin, and it has been ebbing and flowing ever since. Romans 8:20-22 says that the whole creation is groaning like it is in labor, waiting to be set free from this bondage of sin. How is that going to happen? Well, God has already begun the process by sending His Son, Jesus Christ, to pay the penalty for sin, which is death. He allowed violent, sinful men to kill him, even though He had done nothing wrong. When Jesus was killed on the cross, He was the willing substitute for anyone who would believe in Him. To prove that God accepted His sacrifice, He rose from the dead on Easter morning, then ascended to Heaven a short time later.

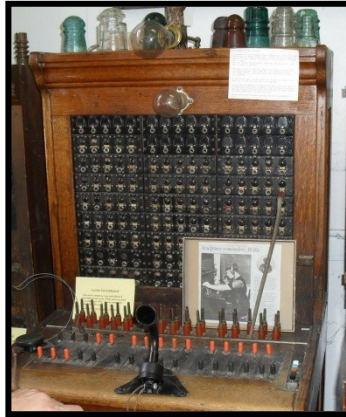

So why is there still violence and turmoil? Because many people still refuse to follow God. That will continue because God allows everyone to make a conscious choice in the matter. God tells us that one day He will bring an end to all that rebellion, just like He did when He brought the flood in Noah's day. This time, God will destroy the earth with fire (2 Peter 3:7), then replace it with a new heaven and earth (2 Peter 3:13). When is that going to happen? No one knows for sure, but we do know that God says He is waiting, because he does not want people to perish. When we repent of our sins and follow God, we put our little piece of creation back in right relation to God, and restore a measure of peace in the world.

-Pastor Charlie Olsen

## Julietta-Kendrick Heritage Foundation

The Grand Room in the upstairs Fraternal Temple is now insulated, sheetrock, textured and painted. Thank you Ron Coleman and Back Country Painting both Kendrick contractors for your outstanding workmanship. On Saturday, April 5<sup>th</sup> an energetic crew consisting of Larry and Sharon Harvey, Travis Welty, Bill Ouderkerken, Sharon Harris and Chris Kowrach performed an extensive clean up throughout the entire building. The Grand Room is a big step closer to becoming our museum.

A historically significant artifact is being returned to us from Asotin County Museum ... our Potlatch Telephone Company switchboard. PTC service came to Kendrick in 1905 remaining until 1988 when they sold to TDS. Until PTC's arrival, one telephone line connected to a booth message center located in the H.P. Hull store (Phil's Family Foods present site) joined Kendrick to other single booths located in Juliaetta, Lapwai, Moscow and Lewiston. It was not unusual, with this pre-1905 telephone system to see someone run out on Main Street and shout through a megaphone to bring the correct person to the store for their newly arrived message.

JKHF has recently obtained new signage for Cameron, Leland, and Wild Rose Cemetery. We are grateful to Potlatch Cemetery District and Elaine Galloway for helping fund this project.

JKHF is also partnering with Mark Mustoe, the Southwick Community Center Director toward his historic commemorative efforts. Mark has applied for a 501 (c)3 Non Profit Status in order to be more effective for fundraising purposes and grant applications. There is much work to be accomplished at Southwick. In early summer he will install a Historic Marker on the front porch of the building that will include pictures and a timeline of the history of the area and important events over the course of time that shaped the town. The goal is to have a picnic table and garbage can there for people who stop by as well as a board to post notices. Watch for a summer fundraiser for this project.

JKHF is grateful to Potlatch Corp for funding window screens and six ceiling fans for the museum area in the Grand Room.

-Chris Kowrach

### Piano Lessons by Laura

I am a life long resident of the Palouse and am married to Oly Peterson who works for Mark and Polly Denler farming the ridge above Juliaetta. I have been teaching piano for 11 years and studied piano performance and music composition at the University of Idaho. I am currently a stay at home Mom to our daughter and am looking for more piano students. I teach all ages and skill levels. Lessons are \$15 and I teach out of our home in Moscow. Arrangements for lessons in your home are possible as well. I provide flash cards and stickers and will teach out of existing books or new.

You can e-mail me at [icalza99@gmail.com](mailto:icalza99@gmail.com) or call 208-369-1676.

### Simple Joys Antiques & Gifts Now Offering Heirloom Seeds and Vegetable Plants!

Our nursery stock has been grown with Heirloom seeds which are certified non-GMO, non-hybrid and non-treated. If enough interest is shown, we will offer classes on how to naturally control weeds, improve your soil and grow nutrient dense food.

We offer locally handcrafted goat milk soap, herbal salves, soy candles, soy melts along with herbal teas, essential oils and local raw honey. We have vendors carrying a wide variety of products including jewelry, home décor, vintage/used furniture, glassware, boutique style clothing for children and women and more.

Interested in renting space or selling us your old/vintage items? Call or stop in for details.

Phone: 208-289-2614 Email: [simplejoys@tds.net](mailto:simplejoys@tds.net)

Store updates: Facebook

During the "plant" season we will be open Monday through Thursday 9-5, Friday-Saturday 9-6.

-Brenda Roetcisoender, Owner

### CUZ PRODUCE NOW OPEN

11am to 5pm Tuesday-Sunday  
Hours will expand as season progresses.

Now available:

Asparagus, Bedding Plants, Onion Sets  
Basket Stuffers, Cold Crop Vegetables

### Attention Business Owners:

**If you would like to receive reminders and guidelines about this page please send your email address to [kjnewsletter@tds.net](mailto:kjnewsletter@tds.net).**

## City of Juliaetta

### Nuisance Dogs

We're still having problems with dogs running loose in town. City code prohibits dogs from running at large within the city limits. There have also been reports of barking dogs which have been disturbing some residents' sleep. It is "unlawful to keep a dog which barks in such a manner as to disturb the peace, quiet or slumber of any other person or neighborhood in the city." Violators can be fined, so please keep your dogs quiet and confined to your property.

### Burn Permits

After May 1<sup>st</sup>, open burning will no longer be allowed within city limits. A permit must be filled out and approved at least 24 hours in advance of any burning. The permits are available at City Hall during regular business hours. Questions? Call us at 276-7791.

### New Flag

The stars and stripes will soon be flying over our city. City hall has purchased a bright new American flag for the flagpole on Main Street, but it needs to be illuminated so that it may fly 24 hours a day. Kendrick High School graciously purchased and donated a solar light with funds remaining from the Great American Flag Project. Juliaetta resident Matt Anderson will help Frank Groseclose and Angie Coulson install and maintain the light. Look for it when you're in beautiful downtown Juliaetta!

### City Council

Upcoming City Council meetings will be held in Council Chambers on Tuesday, May 13 and Tuesday, June 10. June 10 will be the Budget Workshop meeting. Agendas will be posted in the window at City Hall one week before each scheduled meeting. The public is always welcome to attend these monthly meetings.

## JK Ambulance

Just a short update from JK Ambulance. We have responded to over 35 calls in the last 3 months which has kept us very busy. With the upcoming warm weather we would like to remind you to be safe and buckle up as you get out and about. Wear your helmets and be aware that motorcycles are once again on the road!

We look forward to seeing you all at the Locust Blossom. This year we will have a first-aid and recruitment booth. If you have ever been interested in volunteering we would love for you to stop by and see us.

*Please note:* There is a new number to call if you wish to order reflective address markers: **208-717-8319**. These markers help us find your home and may save a life.

## City of Kendrick

### Noon Whistle

If you are in town at noon, we are sure you have heard the noon whistle! The whistle has been repaired and many people have commented that they enjoy hearing the whistle each day. Three long whistles would be used to call Fire Dept. volunteers if needed.

### Extra Garbage Fee

The charge for an extra bag of garbage, or if the lid won't close, on your roll-cart will be increasing from \$2.00 to \$5.00 per bag. We were only passing along the \$2.00 collection fee and we were not collecting for the disposal side. If you put out extra bags, you will see the charge on your utility bill under Extra Garbage.

### Swimming Pool

Plans are to open the pool in mid-June depending on weather and preparation schedule.

**South Latah Highway District** reminds you to watch for road maintenance and farm equipment this time of year. Drive safely!

## The Juliaetta Planting Project – Growing Strong!

The Juliaetta Planting Project has grown from a limited initiative to fill weathered empty planters in the center of town, to a full-blown beautification campaign that has brightened the heart of the city. The project began 7 years ago as an educational activity for participants in the Come 4 Fun after school program. The results generated great enthusiasm in the community, and the scope of the initiative gradually grew to include installation of new permanent planters of sturdier construction.

The 6 planters on Juliaetta's Main Street were donated by "centennial families" that have a history of more than 100 years in the area: Fliger, Groseclose, Heimgartner, Taylor, Browning/Stiegers, and Nye/Cope. Planting material and potting soil were provided through funding from the City of Juliaetta, and donations from Jack and Becky Curtin and Colter's Creek Winery. The planters will provide year-round beautification in the heart of Juliaetta, thanks to the generosity of the donors.

If you have any questions about the project, or if you are interested in supporting the ongoing maintenance and planting of the pots, please contact Polly Taylor Dennler at 276-4302 or [taylordennler@tds.net](mailto:taylordennler@tds.net). Inquiries and donations can also be sent to: Juliaetta Planting Project, PO Box 289, Juliaetta, ID 83535.

**Juliaetta...a Growing Place!**

## CLIP & SAVE CALENDAR

### May

- 6th Juliaetta Elementary School Academic Fair (p.4)
- 8th LCYAC Awards Night & Talent Show (p.10)
- 8th VFW Regular Meeting 7pm
- 11th Marylou's School of Dance Recital (p.12)
- 13th Book Prowlers Meeting (p. 4)
- 13th Juliaetta City Council Meeting (p.13)
- 15th Open Burning Ends (p.5)
- 19th Kendrick City Council Meeting

- 10th Juliaetta City Council Meeting (p.13)
- 16th Kendrick City Council Meeting
- 19th Summer Reading Program begins (p.6)
- 21st Fun with Flowers (p.10)

Memorial Day, a sacred day of remembrance for America's war veterans, is traditionally held on May 30<sup>th</sup>, but will be observed this year on May 26<sup>th</sup>. Our nation's collective consciousness urges all citizens to honor the sacrifices of their fellow countrymen during war and peace time. In so honoring the nation's war dead, we recognize their service and preserve their memory. **Chapter members from VFW Baker-Lind Post #3913 will ensure that flags are placed on the graves of over 400 veterans in our 16 local cemeteries.**

### VFW Elected Officers 2014-2015 Baker-Lind Post No. 3913

Commander: Frank C. Dammarell  
Service Commander: Dareld Hazeltine
