

**Kendrick
Juliaetta**
AND THE
7 Ridges

Here's

What's Happening

November 2010

Kendrick-Juliaetta and 7 Ridges Community News | Kjnewsletter@tds.net

UPDATE ON OUR POOL

The Save Our Community Pool Committee was formed in September of 2007 by then Mayor of Kendrick Jim Hoogland, to oversee the tasks involved in repairing and reopening the Kendrick War Memorial Swimming Pool. The committee was also charged with raising the funds necessary for the repairs. Thanks to extraordinary community enthusiasm and support, the funds were promptly raised, the repairs were completed, and the pool reopened in the summer of 2008. The committee subsequently disbanded, having achieved all of its objectives.

Appreciating the complex issues and substantial expenses involved in pool maintenance and operation, the committee sought to ensure future funding by enlisting the support of three community entities: J-K Recreation District, the City of Kendrick and the City of Juliaetta. The annual support allocated by these entities has stabilized the pool's financial situation, and has helped to cover the costs of operation. This support has been absolutely essential to the ongoing maintenance and operation of the pool.

The committee also established the Swimming Pool Advisory Board, which includes members from each of the funding entities, as well as two representatives from the community. Questions and concerns regarding the pool's operation should be directed to this governing board. The current members are:

Chad Henson – J-K Recreation District
Dale Lisher – City of Kendrick
Jeff Lohman – City of Juliaetta
Julie Heimgartner – Community Representative
Mellissa Eichner – Community Representative

The activities of this board are fundamental to the successful operation of the pool, and the Save Our Community Pool Committee wishes to thank the board members for their time and their vigilance in the interest of this important community project.

The committee also wishes to thank the community for its continuing support of the pool, and to remind residents that private donations are always welcome, and are tax deductible. Your contribution will support ongoing pool maintenance and future repairs or renovations.

Please make your check payable to: J-K Recreation District-Swimming Pool Account

Please send your contribution to: J-K Recreation District, PO Box 105, Kendrick, ID 83537

While the combined efforts of the community and supporting entities have succeeded in saving the pool and reopening it for the healthful recreation of local families, we would be naïve to think that the situation has been permanently managed, and we must not take our beautifully renovated pool for granted. Contributions of funds from all available sources, and continuing vigilance by the Swimming Pool Advisory Board will be paramount in ensuring the pool's future operation.

Our pool is a local treasure, not only because of its rich heritage as a memorial to our veterans, but also for the important services it provides to the community. Residents and visitors alike cannot help but appreciate the pool on a hot summer's day, when Kendrick Park resounds with the laughter of children and adults enjoying a refreshing swim, surrounded by friends and neighbors.

It has been an honor to serve on the Save Our Community Pool Committee, and to work toward the achievement of its goals. George Brocke, Patti Silflow, Polly Taylor Dennler, Don Ingle, Greg Mann, Lee Heath and Dale Lisher

Kendrick Urban Forestry Board

The Kendrick urban forestry committee oversaw the completion of the native planting project along the bike trail this past spring. They also installed a drip irrigation system to enhance the growth and survival of the new plants. This system appears to have worked successfully and trail users can see many different native blooms emerge through the summer and fall. In conjunction with the native planting project the committee also continued the watering and maintenance of newer trees and pruning of older trees. With the edict passed down to the City by the Army Corps of Engineers to remove all trees on the river side of the levee, the trees planted by the Board over the years become even more important to our urban forest along the trail.

Determining that the 'Locust Borer' had reached our area and was aggressively attacking the Black Locust trees in the valley was a hot issue with the Board. After much research and consulting with experts on the subject the Board offered to buy insecticide spray and the City crew made the first application in early September. The spray, called SEVIN, must be applied as the 'Borer' is returning to the tree to lay eggs. This effort appears to have been quite successful with many of the yellow and black beetles discovered dead at the base of sprayed trees. Research tells us that you won't eliminate the pest completely but spraying at the right time can slow the inevitable destruction of the trees. Only public and street trees were sprayed. Private trees are the responsibility of the property owner. Information on this process can be obtained at Kendrick City Hall.

Fall activities of the Board will include the purchase and planting of five new trees at various locations. Additional tree trimming is on the agenda through October and winterizing of watering equipment will take place. Anyone interested in joining the forestry board may contact Andrea Mason or Kendrick City Hall.

-Dave Klatt

Members of the Heritage Foundation are rejoicing having been able to rent the second floor of the Grange Building for archives and displays of the history of this area. Soon we will be able to receive and display not only pictures of the past, but artifacts from the past as well. It is our hope to obtain many old pictures of people and places. We are gathering historical information in the following groups: *People, Post Offices, Homes, Businesses, Railroad, Cattle Brands, Cemeteries, Organizations, Churches and Events.*

If you have any old pictures you are willing to share, you may either donate them or loan them to be scanned and they will be returned to you.

We have been actively collecting oral histories from pioneers. It is our goal to preserve as many family histories as possible for future generations to enjoy.

Our organization has received many nice compliments about our book "Letters from the Front." With Christmas coming up, you may want to consider purchasing one for a gift while they are still available. Books are \$25.00 (\$30.00 if they are to be mailed.)

Recently the foundation received a grant from the Latah County Arts and Culture Committee which will allow us to purchase external hard drives. A previous grant from Latah County Community Foundation is allowing us to set up a web site and do a community mailing.

We meet on the 3rd Thursday of each month at 3:30 pm at the mezzanine level of Kendrick Hardware. If you have an interest in history, you are most welcome.

-Sharon Harris

Octoberfest

The 2nd Annual Octoberfest was held at the Kendrick VFW on Saturday, October 2. The evening began with wine and beer tasting featuring our very own Colter's Creek Winery. The prime rib dinner was followed by a live auction and dance. Over \$6,000 was earned from this event to benefit the Pat Rush Medical Assistance Fund.

The purpose of the Pat Rush Medical Assistance Fund (Pat Rush MAF) is to financially assist K-J 7 Ridges residents who are facing catastrophic medical issues from either a terminal illness or life-threatening injuries caused by a tragic emergency or disease.

Since its inception in 2009, the MAF has benefited five families/individuals. If you know someone who could use a helping hand please pick up a brochure/application at local businesses or email prushbenefit@gmail.com.

Congratulations Fix Ridge 4H!

They won Latah County second prize, \$1000, for their entry in the state-wide "Meth—Not Even Once" contest!

OUR COMMUNITY LIBRARY

The Juliaetta Community Library, one of seven branch libraries belonging to the Latah County Library District, has much to be proud of. Once, just a dream in the hearts of "Library Lovers", a group of citizens led by Carolyn Gravelle (who would become its first Librarian), arranged with the Rebekahs to use the front part of their building for a library. Though the Rebekahs have since sold their lodge to the City of Juliaetta, the building continues to service the community and outlying areas. Opening in the spring of 1977, the library immediately began offering Storytimes, Summer Reading programs and other services. That tradition carries on today with weekly Storytimes (Thursdays at 10:30 a.m.), summer reading programs, a partnership with the schools and other services such as a book drop for returning any VALNet library book.

It has been six months from the time I first came to this library. Jan Welles, who faithfully served the library for 22 years, has retired. Having worked all my adult life in libraries, both city and as a children's librarian, I never could decide which library environment I preferred. Here, at the Juliaetta Community library, I have the best of both of those worlds. This library truly is the heart of a wonderful community. I see that in the people who frequent it, those who support it and are dedicated to its guardianship. During Storytimes folks visit and rest in the relaxing environment. Patrons come in to post community activities and events and stop to say hello to friends. Students come in for class visits and settle down for a story, or a book talk. Children come in after school, doing homework or reading. Yes parents, they really are reading or doing homework. Others visit or use the computers. Adults as well!

Two dedicated and active groups, the Friends of the Library and the Book Prowlers Book Club are a strong foundation to the library. Both groups meet once a month. The Book Prowlers Book Club on the 2nd Tuesday of the month, the Friends of the Library on the third Tuesday, both at 4:00 p.m. There are no membership fees or forms to fill. Everyone is invited to join or attend the meetings.

Some of the materials and services the library offers include:

Books – adult, young adult, juvenile, board books for little ones and large print books, Audio books – CD's and cassettes, DVDs and VHS movies
Our Library, cont'd.

Computer and internet availability as well as Wi-Fi access, On-line auto repair manuals, educational testing databases, consumer databases, etc.

Service for the physically or visually impaired

Downloadable audio books
Interlibrary loan services
Tax forms (no advice though)
Magazines and more.
-Linda Dahl, Librarian

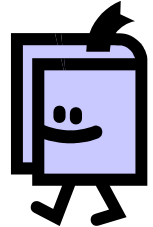

For more information visit our website:
<http://www.latahlibrary.org/branches/juliaetta.asp> , or call the library 208-276-7071.

Library Hours:

Monday 3-7, Tuesday Closed, Wednesday 3-7, Thursday 10-4, Friday 1-5, Closed Saturday – Sunday

Location: 205 Main Street Juliaetta, ID.

Book Prowlers New Choices

The Book Discussion Group, alias Book Prowlers, meets every second Tuesday of the month at 4:00 P.M. in the Juliaetta Public Library to discuss a selected book. In September, the members chose the following books to read and discuss for 2010-11:

Nov. 9: "*The Glass Castle*" by Jeannette Walls (Dana leads)

Dec. 14: Everyone shares their favorite book or top 10 books All community members are invited to this Christmas party. We will also enjoy refreshments and fellowship.

Jan. 11: "*Broken for You*" by Stephanie Kallos (Ann T. leads)

Feb. 8: "*Extremely Loud & Incredibly Close*" by J. Foer (Jill leads)

Mar. 9: "*Beatrice & Virgil*" by Martel Yann (Margaret leads)

April 12: "*Her Fearful Symmetry*" by Audrey Nefenegger (Barb leads)

May 10: "*Olive Kitteridge*" by Elizabeth Strout (Nancy leads)

These books will be available at the library, We invite EVERYONE to read, come and share your opinions with us. If you have any questions or suggestions, please call Lauralee Kunder at 208-290-3472 or ask Linda Dahl at the Juliaetta library.

Kendrick Junior/Senior High School Information and News

Website: www.dist283.org

Business Education News:

Mr. Driskill and his students are off and running once again. His Professional-Technical Program is now doing the yearbook in a digital video format. This is new and innovative and will reduce our costs. This is a perfect, project based learning example of what happens on a daily basis in Professional-Technical Education programs. With previous grants and Carl Perkins monies, we are almost up to speed with equipment and software. Carl Phillips, our Tech. Coordinator, is being great support for this project. We will soon have more video and photograph equipment along with a server to feed the video editing machines, thanks to this being Kendrick School District's year to receive the large portion of the Region's Carl Perkins Consortium funds.

The class has also created a Kendrick Tigers Facebook page in order to keep the community informed of happenings at KHS. You can check this page out

<http://www.facebook.com/#!/profile.php?id=100001584004633>

You can also learn more about Mr. Driskill's Business Program by checking out his teacher page at: <http://www.dist283.org/webpages/kdriskill/>

FFA News:

Four students from KHS will be attending FFA National Convention in Indianapolis, IN, from October 27th to October 31st. Congratulations to Brooke Brown, Daryl Kerby, Dakota White, and Cole Harris. Along with their advisor, Mrs. Sarah Kane, they will be sharing an opportunity that they will remember throughout their lives. Enjoy!!!

Watch for announcements of their poinsettia sale when they return.

IDAHO GO ON

Kendrick High School is one of 50+ schools in the state that have taken on the **Go On** challenge this school year.

What is the Go On challenge? We agree that high school is not enough for many of our students. Our challenge at Kendrick High is to provide our students more opportunities to get this training and be successful in order to make that "leap" to the next level of education and training.

What are we doing differently? As a **Go On** school, we must demonstrate how we are creating a culture of postsecondary success. We need to demonstrate that the standard for higher education and training is an expectation of our students, not the exception. This is a competition with other schools and if done well and we win, there is a chance that we could win a monetary prize of \$15,000.

What can I do to help? For more information about how to get involved and help us win, contact our **Go On** ambassador, Mr. Cirka, @ 289-4202. Also, you can go on-line for further information at <http://www.knowhow2goIdaho.org>.

Athletics/Activities:

Congratulations to Dirk Hammond. Dirk was recently named Head Basketball Coach for the Kendrick Boys Basketball program. Dirk brings a wealth of knowledge to the court and a love for the game. His expectations are high and he is expecting big things from the teams and his players in the years to come.

Teacher Profile/Interview: Peggy Fiske

Recently, Mrs. Peggy Fiske, our beloved Art Teacher, was awarded the Idaho Art Educator of the Year Award for 2010. She's come a long way from earning her first degree from the Art Institute of Chicago. She was encouraged by others to obtain her teaching degree and get into the classroom. So she went back to school and obtained her elementary education degree from the University of Idaho and received her Masters Degree in Early Literacy and Art as well. In 2005 she was awarded Star Teacher of the Year award for the State of Idaho. She has co-authored a book of lesson plans with state art/math department personnel that focused on the relationship between geometry and art.

When she is not teaching, she is helping with murals and mosaics and holding Art Club for students who don't have art class or just want more opportunities to explore art. She is working hard to keep Art Club, along with the Gifted and Talented Program and IDFY (Idaho Drug Free Youth) alive and well at KHS. I hope we can all thank her for her work and commitment to our students. She has taught at Kendrick for the past sixteen years and is proud to be a Kendrick Tiger! -Miranda Stick, Student Reporter

Juliaetta Elementary School News

The first several weeks have gone well at Juliaetta Elementary School. While several students moved from our area, several more moved into our school system. Currently, the elementary school is at a total enrollment of 117 – the same amount of students we had enrolled on the last day of school in June.

As most community persons are aware, JES met the Adequate Yearly Progress requirements for 2009-2010. This is a great celebration because not all schools were able to accomplish this goal. Student attendance is a huge component for learning and since our AYP scores for 2010-2011 were raised, student attendance will be a major factor in reaching those goals. Thank you to all parents/guardians who support their child's learning progress and the school's efforts to reach AYP.

Teachers received training on the Kendrick School District website October 1st, which was an early release for students. We hope to have more information and news available on our website throughout the year. Please take a look and let us know what you think. www.dist283.org.

Juliaetta Elementary is participating in the district's Leadership Team, made up of school staff from JES and KHS and a professional Idaho Capacity Builder. The purpose of this team is to evaluate needs of our staff, students and school, and implement any workshops, collaboration and/or committee meetings which will continue to uphold the high standards of education our students currently receive.

Our Century 21st Program is going superbly well. Children are able to come to school from 7:00 – 8:00 and meet in the designated classroom before going to breakfast or outside. The After School Program is from 3:00 PM – 5:15 PM and Director Jessica Clemenhagen and teachers Monica Kelley, Lindsey Helm and assistant Carrie Bradetich have many academic, social and creative programs planned Monday through Thursday.

Mr. Michael Heward, JES school counselor has been very busy talking with each classroom about various topics: bullying, coping skills, problem solving techniques, Red Ribbon Month, self-confidence, and more. Mr. Heward is available Monday, Tuesday mornings and Friday. *-Kathy Jones*

News from the District Office

First the big news! Both the Elementary and the Jr/Sr High School as a whole, achieved AYP (annual yearly progress) this is great news for both our schools and school district. Kendrick Joint School District is no longer in AYP and has met all the bench marks necessary. Making AYP is an enormous accomplishment and much thanks must go to our dedicated teaching staff, para-professionals, students and parents who all worked together to insure that these test scores improved over the last two years. This year's AYP results are even more meaningful considering the State increased proficiency targets. The test score targets have again increased for next year, so achieving the new standards will take continued work and support to achieve. But I know we can continue to do it!

There are many changes coming from the District level. On December 1, 2010, the District will receive a Federal Audit. This audit will include all Federal programs and the new requirements that go with them. Federal requirements include, The McKinney-Vento Act (Homeless) of which training has already been provided to our staff.

In January, 2011 a new posting of all school expenditures will be posted on our website. You can visit our website at www.dist283.org for all the school happenings.

Beginning this fall, the school district is entering into a new State reporting system called ISEE. This system requires a lot of information that was previously reported separately, but now will be combined into one large report. This year this information will be reported monthly, next year it will change to weekly reporting. The cost and time given to this new system is overwhelming.

If all the items above aren't enough, we are now starting to look forward to the next school term by setting up budgets and reviewing audits to insure next spring's planning activities.

If you ever have a question of concern, please feel free to contact me at the District Office. My schedule fluctuates due to meetings etc. but, generally I am in the office Tuesday, Wednesday and Thursday. Please call ahead at 208 289-4211 to make sure I am available. Happy Fall to you all!

-Cal Spangler, Superintendent

Elementary School Dates for the next three months:

Oct. 22 – Early Release at 1:15 & Fire Safety Day
Oct. 26 – Halloween Safety Classes K-3
Oct. 29 – Classroom Halloween Parties & end of 1st qtr.
Nov. 1st – 4th – Scholastic Book Fair.
Nov 4th – Family night at Book Fair 3-7 PM
Nov. 3rd & 4th – Parent Teacher Conferences.
Nov. 5th – No School

Nov. 24 – 26 Thanksgiving Vacation
Dec. 3 – Early Release 1:15
Dec. 10 – JES Christmas Program at 1:30 PM
Dec. 20 – 31st – Christmas Vacation

Let's Light the Park!

The KJ7 would like to invite you to the 9th Annual "Light the Park" Celebration on Saturday November 20th at 5:00 p.m. in the Kendrick City Park. There will be a short ceremony before lighting up the park which will include: singing from local youth, a prayer from a local pastor, announcement of our 2010 Stars of Our Community, and an introduction of our dedication tree. Come early and look at the displays and enjoy a cup of hot cocoa. After the ceremony don't forget to stop by the fire hall and enjoy some good food at the Kendrick Fire Department's Annual Chili Feed.

If you are interested in decorating or sponsoring a tree please contact Anna Bruce at kjcda2@tds.net or by phone at 289-4473.

Pug Marks CSI

Pug Marks Community Service Incorporated is a partner with the Juliaetta Elementary After-School Program. We will be providing opportunities for the youth in the program to do Community Service Projects and/or Random Acts of Kindness (RAKs) every third Wednesday of the month through April 2011.

To refresh memories, Pug Marks CSI is an intergenerational community service group focusing on doing local service projects and RAKs. There is no membership fee to be involved with Pug Marks CSI. Another reminder – a pug mark is the technical term for a tiger's paw print.

Pug Marks CSI's first session with the After-School Program was a RAK with a floral theme! After some instruction in the basics of flower arranging, each student made an arrangement for a Juliaetta Elementary School staff member using roses and greenery. Each of the thirty-one vases looked wonderful.

We encourage any adults and older youth in the community to come help us. If you want to volunteer, just show up at the elementary school after 3 p.m. and no later than 4:15 p.m. on the third Wednesday of the month and you will be directed to the right place when you stop by the school office. We finish about 5:30 p.m.

Cards are on our RAK to-do list this month in preparation for Veteran's Day in early November. If you have the name and address of a current or retired military member who would like to receive a card, please mail that information, no later than November 4, to: Pug Marks CSI, P.O. Box 54, Kendrick, ID 83537.

VFW Pinochle Parties

The VFW Auxiliary host Pinochle Parties, twice a month on Saturdays. Upcoming parties are scheduled for November 6th and November 20th. The parties start at 7:00 p.m. and usually end around 10:00 p.m. The location for the November parties will be the Kendrick Senior Center located at 104 South Sixth Street, Kendrick. The dates and location for the December and January have yet to be determined. All are welcome—experienced players and beginners alike!

Guests are encouraged to bring snacks to share with the group, and beverages are available for purchase.

For further information please contact Darlene Wilson at 289-5330.

Unity In Community Will Be Back

The season for picnics and Barbeques has come and gone. With that Unity In Community functions in the park is taking a break. Juliaetta Community Church enjoyed doing the free meals in the park this summer and plans to do it again next year. We hope to get an earlier start and be able to provide a greater number of opportunities to unite together around a meal and entertainment. We constantly have new people moving in to Juliaetta and Kendrick and the surrounding area and we want to provide a time for people to get to know one another as well as that person down the street you have been meaning to visit. We live in a time when our schedules keep us going at a fast pace and this is an opportunity to take a break and come together with others and relax for an evening. Also the cost for a family to go out and do things together can put a strain on one's budget today and we want to provide these times for the whole family so that you can go out for a meal together and have some entertainment without worrying about the cost. Over the winter to help provide some entertainment a family can afford we are looking at the possibility of doing a free movie night at the church sometime after the holidays. Watch for further publicity on this come January or February.

Pastor Larry Haylett, Juliaetta Community Church

JK Firefighter News from the Chiefs

Chili Feed Fund Raiser

Please come and enjoy a filling dinner and support the firefighters of your community. Dinner will be served right after the lights go on in the park at 5pm November 20th. Dinner will include 3 delicious types of Chili, Salads, Hot Dogs, Rolls, Cornbread, Desserts along with coffee and punch. Family pricing will be available.

The Kendrick Firefighters will be holding an Auction at their Chili Dinner to raise funds. We will have a cord of wood to auction off, a load of gravel rock to auction off, the gravel will be delivered within a twenty mile radius of Kendrick along with other fabulous items. Come check it out and enjoy a good time.

Santa and Mrs. Claus are coming to town in Juliaetta on December 18th at 1:00 p.m. at the corner of 3rd & Main Street via the Fire Truck. Santa will arrive in Kendrick in front of the fire hall on December 18th at the magical hour.

KJ7

The Kendrick-Juliaetta Community Development Association turned over all their projects and activities to the newly formed KJ7 in June. The board of the KJ7 will act as the board for both organizations. The K-J CDA will continue existence only for the purpose of maintaining our communities' GEM Community status, which makes the cities eligible for state grants. The change was one of the suggestions made a few years ago during the Horizon program. The Kendrick-Juliaetta area is made up of more than just the two communities and should have that fact reflected in the name of the organization that has the whole community's interest at heart. It was decided to go with something simple, KJ7, which stands for Kendrick Juliaetta and the 7 Ridges.

The KJ7 will continue such projects as the "What's Happening" newsletter, maintain community website, community Easter Egg Hunt, Light the Park, Stars Volunteer recognition, Get Acquainted Baskets, JK Youth Advocacy Council, Harvest Carnival, and numerous other projects and activities. If you have questions please contact one of the six board members: Anna Bruce, Bob Ouderkerken, Joy Lindner, Kyle Pea, Polly Taylor-Dennler, or Rose Norris.

Garden Club Evergreen Sale

The Hill and Valley Garden Club is once again looking forward to providing holiday greenery to our communities through our annual **Evergreen Sale on Friday, Decem-**

ber 3. The sale will include wreaths, swags, large and small table centerpieces, and a few special kissing balls. A hearty soup and bread lunch will be available at the sale with yummy pies and goodies for dessert. Proceeds from the luncheon fund many youth activities sponsored by the club. Mark your calendars!

The Club was honored to again be a part of this community coming together to sponsor the Pat Rush Benefit. We were able to provide table centerpieces and floral arrangements for the event. Many thanks to all the members who gave so graciously of their time and talents.

Have you visited the beautiful butterfly garden in Juliaetta or seen the fresh plantings around the "Welcome to Kendrick" sign in Wallace Park? Be sure and let Polly Taylor-Dennler and her summer helpers, Dana Kelly and Dorothy Taylor, know you appreciate their work in keeping the butterfly garden such a special spot. And if you see Norma Abrams, Polly Taylor-Dennler, Jan Cleveland or Judy Haley, thank them for the spiffy plantings around the sign!

On November 16th please join us for a presentation from a group from Grangeville who will present on birds around the region. Then on January 25th come and learn how to make your own seed tape and newspaper pots. We are very crafty, have great treats, and laugh a lot! Everyone is welcome at our meetings, so come and see what you're missing! For more information contact Raina Weyen at 289-3281.

The KJ7 will be holding its Annual Meeting

Thursday January 20th at the Kendrick Sr. Center. There will be a social time from 6-6:30 pm and the meeting will begin at 6:30 pm. There will be refreshments served.

The KJ7 would like to invite all community members to attend and would like to ask that all local organizations and churches send representatives to report on their activities from the past year and goals for the upcoming year. Due to time each reporting group will be given 5 minutes to report their activities at the meeting. This is a great time to network and find out what's going on in our wonderful community. If you have questions or comments please contact one of the six KJ7 board members.

KJ Arts New Officers and Projects

The following were elected to hold office for the next two years:

Chair, Dana Magnuson

Vice-Chair, Paul Rush

Secretary/Treasurer, Barb Murphey

Members selected these projects for 2011:

- Provide a scholarship to a KHS Senior who excels in the arts
- Execute a plan to develop a mural on the Kendrick Pool wall
- Show paintings for sale in area businesses
- Host a Craft Fair at Firefighters Breakfast
- Collaborate with KHS to bring a musical production to the community
- Provide Artist in Residence program at JES
- Hold Art Show and Sale at Locust Blossom and Blackberry Festival
- Hold a craft or pottery class
- Participate in Community Yard Sale to raise money for our school projects
- Collaborate with Hill and Valley Garden Club to do "Fun with Flowers" workshops in summer
- Hold a holiday art show at Wells Fargo Bank

Meetings are on second Mondays at Magnuson Gallery. We welcome anyone interested in promoting the arts in our communities.

Invitations to Artists ...

- *We plan to feature the work of local artists in a show at Wells Fargo Bank over the holidays. This is just for the viewing pleasure of our friends and neighbors.*
- *A small informal group of painters meet the first Saturday of each month in the JES cafeteria to work together, share ideas and inspiration. The group began with watercolorists but anyone who has a portable medium is welcome to join us for the fun and relaxation.*

Contact: Barb Murphey 289-8318
bmurphey@tds.net

NOW OPEN!

Kendrick Antiques and Used Goods is now open! The store is located at 609 E. Main Street (between the Honey Cut Beauty Shop and Archie's). It is open Tuesday through Saturday from 10-6. The inventory will be ever changing and will include a variety of antiques and used goods. The owners are Bruce and Brandi Roberts (daughter and son in law of Doug and Margie Fitzmorris, owners of Kendrick Ag and Supply). The Roberts also own the Main Street Antique Mall in Moscow Idaho, which has been in business for 7 years. It is located at 304 North Main Street. The Moscow location is 5000 square feet and is open 7 days a week. The Kendrick store will carry:

Antique Furniture, Used Furniture
Glassware (antique and used), Depression Glass
Costume jewelry, Rhinestones, Gold and Silver jewelry
Primitives
Books
Vintage Clothing
Quality Used clothing (Woolrich, Pendleton, Coldwater Creek etc.)
Kitchen items
Cowboy boots/hats, Saddles/Tack
Children's items
Lamps, Chandeliers

They will also carry local honey, handcrafted soaps and more! Please let them know if you are looking for something specific, they would be glad to help!

Kendrick Antiques & Used Goods

208-596-2614

Food Bank Needs To Find New Location

The Grange has asked the K/J Good Samaritan Food Bank to find another location. They are remodeling and making changes in the building and those changes no longer leave adequate space for the food bank thus we need to move out as soon as possible. We are currently looking for space that could be donated for the food bank to use. We have two freezers and one refrigerator. We need a minimum of 480 square feet. We have portable shelving that we use to store our food on. If you have a space or know of space the food bank could use please call 276-4510, 289-4647, 276-3617, or 289-3001.

-Pastor Larry Haylett

Lions Club Works for Community

Lions Club members have been working for community for over 57 years. Foremost in their efforts are health projects. The Lions recycle eye glasses which are used both here in the US and abroad to help others with sight problems. They also have a corneal transplant bank and assist with needed surgeries. Any eyeglasses may be turned in for recycling at Kendrick Ag. There is an emphasis on hearing as well. Each year the organization sponsors at least four blood drives. The last drive netted 22 pints for the Inland Empire Blood Bank.

The club meets the second and fourth Wednesday of each month at the Firehall in Kendrick. The meeting is started with a delicious meal at 6:30 pm prepared by Archie's. The meal is \$7.00 per person and dues are \$60.00 per year, \$100.00 for married couples.

Each year the Lions Club sponsors a community calendar that they sell for \$6.00. It lists birthdays and anniversaries as well as meeting dates for events effecting lives in our area. If you have a listing to add for next year, contact Sharon Harris (208-289-4622 and leave a message; or sugie@dishmail.net.

The club builds and installs park benches. This year it installed a new bench in the park honoring the memory of Marion Rowden.

Of course the largest club project remains the Locust Blossom Festival which is held the last Saturday of May annually. Each year we sponsor many organizations at KHS and give two scholarships annually.

An upcoming event will bring happiness to the children of the community December 18th when Santa makes his yearly visit. The Club also decorates a tree and displays the manger scene for the enjoyment of the season.

As you drive down Main Street Kendrick, the flags on display are a Lions Club project.

-Sharon Harris

CRAFT SHOW

Three crafty ladies will be hosting a craft show on Saturday, November 6th at Kendrick Senior Center from 8am to 3pm. Call Norma 289-3151, Judy 276-8519 or Jan 276-3118. Come join the fun!

KJ Meal Site

A special invitation to all our community friends is extended to join us in great food, entertainment and a chance to visit with our neighbors. The KJ Meal Site has been honored with having Rhonda Groseclose assume the duties as cook. Rhonda is doing an excellent job, creating very tasty, nutritious meals. Affordable meals are provided every Wednesday and Friday for seniors, non-seniors and anyone else who wishes to join us. People who regularly attend are from the surrounding communities as far away as Deary. Local entertainment is scheduled for most meal days.

A "BREAKFAST EXTRAVAGANZA" Fund Raiser is planned for November 13, from 7 to 11 am. Biscuits & Sausage Gravy, Surprise Pancakes ???

Egg Casserole and fruit

Entertainment will be provided by the Beargrass

Family Band from Deary.

Door Prizes, Drawings, and Raffles

Everyone is welcome !!

*Board Members: President Betty Walsh, Secretary Sandi Worthington, Bud Holt, Darlean Wilson, Mary Lee
Manager: Carol Haynes*

Come help BOOST OUR KIDS at games in your Tiger Wear, available at Latah Federal Credit Union and at games. There are great new styles available in t-shirts, sweat shirts and hats.

Golden Sunset Senior Center Policy for Renters and Functions

Pastor's Corner

Immanuel

By Pastor Joy Lindner

As we enter this Christmas season, our homes will likely be filled with red and green decorations, gifts under the tree, frosted cookies, and family celebrations. In the middle of the deadness of winter, with its long nights and cold days, it is a joy to gather for celebration, to join with family and friends around the fire and share the wonder of this season. For it is a truly wonderful event that we celebrate – the birth of a baby. Any birth is amazing and beautiful, a reflection of the wonder of life.

But at Christmas we celebrate a birth unlike any other. In an out-of-the-way spot no one noticed, a helpless baby was placed in a manger. A star shone brightly in the night sky and angels sang the glory of his birth. “The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the One and Only, who came from the Father, full of grace and truth” (John 1:14 NIV). Jesus, the divine Word of God, left the glory of heaven and came to earth. He became human and “moved into the neighborhood” (John 1:14 *The Message*). Jesus entered the human experience, to live among us as one of us, to feel our pain, to share our joys, to experience the breadth of what it means to be human. He came bringing truth and grace on behalf of his Father. And so he also came to rescue us from death, to save us from sin, and to bring us to the Father.

Even though Jesus was born like any other baby that day, he was no common child. “The virgin will be with child and will give birth to a son, and they will call him Immanuel – which means God with us” (Matthew 1:23). Jesus came to earth as the Son of God, as God’s very presence among us. So as we celebrate the Christmas season this year, among all the gifts we may give and receive, the greatest gift has already been given: the presence of God living among us. God is with us. What a reason to celebrate!

Harvest Festival

Kendrick Methodist Church’s Annual Soup, Salad, Pie Dinner will be held November 6th from 5 to 7pm. Adults - \$7; ages 6-12 - \$4; under 6 - free. Come enjoy fellowship and fun, wonderful homemade food, auction of quilts, candy, gift items.

Lutheran Church News

You are invited to "DESSERT and DEVOTION" on Sunday, November 7, from 7-8pm at the Kunder's house. Everyone is invited to bring a dessert (fruit, cookies, etc.). We will share in fellowship, goodies and prayer. Please, sign up at the sheets provided at the church or RSVP. We plan to meet each first Sunday of the month in different homes.

Christmas Cantata practice starts on October 27 and November 3. Practices are each Wednesday from 7 to 8pm. All who like to sing are invited! It is a great way to prepare for Christmas!

A Thanksgiving Service will be held at Zion Lutheran Church in Juliaetta on Tuesday, Nov. 23, at 7:00 PM. At 6pm, prior to the service, soup and sandwiches will be served. Everyone is invited to attend!

First Advent Sunday on Nov. 28, is *invite your neighbor to church* service, followed by a coffee hour.

Christmas schedule

Christmas service at Zion Lutheran church in Juliaetta on Dec. 23 at 7pm, followed by refreshments.

Christmas Eve Family service at Cameron Church on Dec. 24 at 6pm

Christmas Day service at Cameron Church at 10am

Children in the community who would like to participate in the Christmas Eve family service are welcome to come practice on Sundays in December at 9:45 at Cameron Church. Contact Sandy Lawrence if you are interested in participating

Southwick Bible Church will hold its 3rd Annual Wreath Making Class on Saturday, November 13th from 9am to 1pm. All supplies for your fresh green Christmas wreath will be provided. Please bring scissors and wire snips. Sweet breads and coffee/hot tea will be offered in the morning and a variety of homemade soups will be served at noon. If you have any questions, please call Kathy Thayer at 208-289-5340. We always have lots of fun, so plan to join us.

Come 4 Fun Christian Education Program

Beginning in November 2010, Zion Lutheran Church will host a monthly program of Christian education for children in Grades 1-3, to be held on the following dates and times.

November 12th, 3:00-5:00 p.m.

December 3rd, 1:15-3:15 p.m. (JES Early Release)

January 7th, 1:15-3:15 p.m. (JES Early Release)

February 4th, 1:15-3:15 p.m. (JES Early Release)

March 4th, 1:15-3:15 p.m. (JES Early Release)

April 8th, 1:15-3:15 p.m. (JES Early Release)

This program is an interdenominational effort co-sponsored by area churches, and activities will be lead by church leaders and community volunteers. We will spend time sharing information about God's Word, and engaging in fun activities such as music, art, cooking, and gardening.

We welcome assistance from volunteers who wish to participate in leading activities, and others interested in supporting the program. For further information, please contact Teri Tate Hornberger at 208-289-3434 or jimanderihorn@gmail.com

Big Changes at the Grange

In mid August the newly reorganized Grange, under the leadership of Richard Abrams as Master and a full slate of new officers, undertook a major remodeling and cleanup project.

On September 25th, thirty plus young men from Phi Delta Gamma came and gave us a day's work. What wonderful young men! They pitched in and accomplished what it would have taken us months to do. A couple of community volunteers deserve a hearty kudos and a pat on the back. Thank you, Jerry Galloway and Layne Harris. Many in the Grange are getting age related conditions and limitations. Having such assistance truly made a difference.

The "straw bosses" for the day were Marvin Goble & Richard Abrams (downstairs), Sharon Harris (2nd Floor), Jan Patterson and Rose Norris (3rd Floor), Norma Abrams & Judy Haley (kitchen). Ever so much was accomplished! Nearly the entire Grange supported the food effort and we didn't have much left over. Another honorable mention goes to Cindy Spencer for her donation of baked breads. The day's accomplishments are too numerous to mention but included floors and walls and ceilings stripped, closets cleared, windows cleaned, all trash hauled away.

How can you help?

- Donations are needed for replacement of glass in the front of the building
- There is still cleaning to do
- There are floors to remove on the ground floor
- A door needs to be installed in the kitchen
- Bi-folds need to be installed in hall closet
- Upstairs kitchen needs to be cleaned and painted
- Need to install foam insulation in walls and upstairs ceiling
- Roof vents need repair
- Brick work need repair inside and outside

-Sharon Harris

Still Smiling at the End of the Day

Our Elected Officials

The publishers of this newsletter are dedicated to building communication within our community and among organizations that serve and support it. Therefore we are working to develop a regular feature page that will allow local elected officials to circulate information of value to their constituents and solicit citizen responses when appropriate.

Kendrick City Council

At the September 21st meeting Steve Howerton reported completion of the spraying for the locust borer beetle. The council approved extending the spraying for 2011. Also approved was donating \$300 to the pool account to help with expenses for the swim team.

Council meetings are the 3rd Tuesday of each month at 7pm in City Hall; the public is always welcome.

The Rural Recycling Program has been a great success. Over 13 tons of recyclables have been collected in Kendrick. **Reminder of items not accepted:** no plastic bags, plant pots or trays; no oil, antifreeze or bottles containing HHW; no six pack rings, clamshell containers, strapping or utensils; no CD/DVD cases or hardbound books; no paper plates, cups, tissues, napkins or paper towels. Thanks for recycling!

Attention Nez Perce County residents!

Are you concerned about the level of fire protection in your part of the county? Our County Commissioners established an advisory committee last spring to research and propose options for developing fire protection in all parts of the county which are not currently in a fire district. The committee has finished their research, and are ready to present it to the public. There will be a series of public meetings around the county to lay out their proposal for establishing fire protection throughout rural Nez Perce County. The first meeting was **October 18 in Lewiston**. The next meeting will be at the **Cameron Lutheran Church at 7:00pm on November 9**. Watch the mail and local media for more information on these meetings, and come be a part of the discussion.

Thank you, Charlie Olson

The next issue of this newsletter will be published on February 1st.

If you wish to receive a reminder of the dates and guidelines contact us at www.kjnewsletter.com

Juliaetta Kendrick Recreation District

The Ed Corkill Memorial Trail recently received a seal coat through a grant with the Idaho Parks & Recreation, along with a 30 percent match from the Ed Corkill Memorial Trail maintenance fund thanks to the coordinated efforts of the Catah County Parks & Recreation Director, Andy Grant.

Don't Throw Those Cartridges Away Please

Please don't throw your cartridges away when you are done with them. You can help support the *What's Happening Newsletter* by donating your empty cartridges. The Newsletter Committee wants to thank all of you who have been donating your cartridges the last couple of

years. Your contribution has gone a long way in helping cover the cost of printing the newsletter. We now need cartridges more than ever as we were getting \$3 per cartridge recycled and that has now dropped to \$2.

Since you started donating cartridges a couple of years ago it has covered the cost of our colored ink and paper. But now not only has the price per recycled cartridge dropped there has been a drastic drop in the number of donated cartridges for the past four months. We were having 20-30 cartridges donated monthly at one time and now we have 0-10 per month. Under the old price of \$3 that means we have gone from \$60-\$90 per month to \$0-30. With the current cartridge rate of \$2 it means we are getting \$0-\$20. You can see from the last figure the drastic drop in our cash flow from the cartridges. We are definitely feeling the double crunch of less per cartridge recycled and fewer cartridges. Again we thank those who have been donating cartridges and ask anyone who has even one cartridge now and then to please drop it off at one of our recycle boxes located at the Post Offices in Juliaetta and Kendrick or at the library.
